MEN'S RECORD BOOK

ORRY WILLEMS

MEN'S INDIVIDUAL CONFERENCE CHAMPIONS (1980-2025)

CROSS COUNTRY

(7)

Mark Gerstner, Mark Rupe, Chad Disbennett, Jeremy Bucher, Eric Finan, Aaron Bienenfeld

INDOOR TRACK & FIELD

51

55 / 60	Chris Watkins
200	Chris Watkins, Chris Borzor
400	Darnell Gilbert, Jimmy Brooks, Steven McElroy
800	Alonzo Hatchette, Eric Walker, Lance Beck
Mile	Mark Gerstner
3,000	Jeremy Bucher
5,000	Chad Disbennett, Mike Seymour, Aaron Bienenfeld
55 / 60 Hurdles	Robert Pittman, James Scott, Arthur Greenlee IV
High Jump	Chris Kratsas, Ron Quercioli, Ron Quercioli, Alex Bloom
Long Jump	Chris Bean, Drew Hardyk, Chris Watkins, Chris Watkins, Jason Unger, Sergio Acera, Austin Edwards
Triple Jump	Astley Davis
Pole Vault	Jeremy Smith, Mike Albrinck, Elmer Brewer, Matt Botos, Adrian Valles, Adrian Valles, Adrian Valles, Adrian Valles
Shot Put	Greg Weber, Scott Ference, Scott Ference, Fred Moudani-Likibi
Weight Throw	Scott Ference, Scott Ference, Tim Berwanger, Josh Province, Sam Meece, Korbin Spencer
Heptathlon	Damien Berthenet
4 x 400 Relay	1992, 1995
4 x 800 Relay	1993
Distance Medley	1994, 1996, 2023- Hoak, Endres, Barchet, Wirth

OUTDOOR TRACK & FIELD

(116)

100	Rodney Johnson, Chris Watkins, Mike Davis, John Bowie
200	Rodney Johnson, Chris Watkins, Chris Watkins
400	Antione Drakeford, Antione Drakeford, Jimmy Brooks, Steven McElroy
800	Doug Wiesman
1,500	Jeff Johnson, Tyler Wirth
3,000 Steeplechase	Scott Jones, Chad Disbennett, Chad Disbennett, Jeremy Bucher, Jeremy Bucher, Tyler Ross
5,000	Mark Rupe, Chad Disbennett, Jeremy Bucher, Eric Finan
10,000	Aaron Bienenfeld, Aaron Bienenfeld, Aaron Bienenfeld, Milo Greder
110 Hurdles	Robert Pittman, Greg Schumacher, David Payne (2) Terrence Somerville (2)
400 Hurdles	Darryl Draper, Adam Manning, Adam Manning, Adam Manning, Brandon Hon, David Payne, Andre Anderson
High Jump	Rodney Johnson, Rodney Johnson, Ron Quercioli, Ron Quercioli, Brandon Fitch
Long Jump	Chris Bean, Chris Bean, Chris Watkins, Chris Watkins, Chris Watkins, Austin Edwards (2)
Triple Jump	Carlos Kouassi
Pole Vault	Bill Riffle, Bill Riffle, Eric Lander, Jeremy Smith, Mike Albrinck, Matt Botos, Ben Novak, Jeremy Lewis, Chris Smith, Josh Dangel, Adrian Valles, Adrian Valles, Adrian Valles
Shot Put	Greg Weber, Greg Weber, Scott Ference, Steve Kahle, Macklin Tudor, Macklin Tudor, Fred Moudani, Fred Moudani
Discus	Greg Weber, Greg Weber, Greg Weber, Richard Hurst, Richard Hurst, Scott Ference, Scott Ference, Scott Ference, Macklin Tudor, Korbin Spencer
Hammer	Richard Hurst, Richard Hurst, Richard Hurst, Richard Hurst, Scott Ference, Scott Ference, Scott Ference, Josh Province, Sam Meece
Javelin	Chris Kratsas, Chris Kratsas, Chris Kratsas, Aaron Archer, Brian Zimmerman, Brian Zimmerman
Decathlon	Jason Shaffer, Chris Kratsas, Jeremy Smith, Chris Kratsas, Aaron Archer, David Yimsumruay, David Yimsumruay, Mike Yoder, Chris Wineberg, Chris Wineberg, Ben Haber, Alex Bloom, Alex Bloom, Cannon Riddle
4 x 100 Relay	1992, 1993, 1994, 2006, 2008, 2009

1973	Michigan St.	No team score		Jim Stanley	31 st	30:43
1972	BGSU	11 th	278	Jim Stanley	18 th	30:36

The below criteria were established to uphold the integrity of the University of Cincinnati Track and Field Record Book.

To be eligible for new entry into the University of Cincinnati Track and Field Record Book an athlete must meet all of the below criteria:

- Active member on the University of Cincinnati Track and Field Team Roster
- Academically eligible for intercollegiate competition
- Utilizing a season of eligibility

Examples:

An athlete competing unattached is eligible for entry into the record book provided all parts of the above criteria were met.

An athlete redshirting a season is not eligible for entry into the record book during that season or an extension of that season because a season of eligibility was not utilized.

An athlete competing during the extended NCAA season after the NCAA season has concluded is still eligible for entry into the record book whether competing for the Bearcats or unattached provided the above criteria were met for the season of which the competition is an extension. If a season of eligibility was not utilized, then the athlete is not eligible for entry into the record book during the extended NCAA season.

A UC student competing for the Bearcat Track Club or unattached is not eligible for entry into the record book if he/she was not an active member of the University of Cincinnati Track and Field Team during the time of the performance.

A UC track and field team member competing unattached while academically ineligible for intercollegiate competition is not eligible for entry into the record book.

Exceptions:

From 1999 through 2013, the University of Cincinnati did not sponsor men's indoor track and field. Unattached results during this era were accepted into the record book even though a season of eligibility was not utilized because the athletes were not permitted to utilize a season of eligibility. For entry into the record book, the athlete still had to be an active member of the University of Cincinnati Track and Field Team and he had to be academically eligible for competition.

Wind Reading Criteria:

New entries into the University of Cincinnati Track and Field Record Book in the 100m, 100/110m hurdles, 200m, long jump, and triple jump require a wind reading of **4.0 m/s or less**.

Wind readings were not taken during much of the history of Cincinnati Track and Field and those marks were accepted into the record book. Wind readings are now a requirement for NCAA competition and are now a requirement for entry into our record book in the 100m, 100/110m hurdles, 200m, long jump, and triple jump.

Rather than adopt the requirement the IAAF uses for World Records (2.0 m/s or less), the decision was made to accept marks into the UC record book if they meet the NCAA requirement for acceptance into the NCAA Meet. The wind reading requirement is 4.0 m/s or less to be accepted into the NCAA Championships.

CONVERTING

In an attempt to coordinate all records among the various distances, timing devices and types of indoor tracks, and also to rank the athletes from the different years into one 10-deep list, I have converted all races of a similar distance into present-day terms: METERS, FULLY AUTOMATIC TIMING and 200 M. BANKED OR OVERSIZED TRACKS FOR THE INDOOR SEASON. Those races which do not have a metric counterpart are in essence a different race from the ones now contested and therefore shall stand separately. Those which do have a metric counterpart (220 yards, 440 yards, 880 yards, 4 x 110 yards, 4 x 220 yards, 4 x 440 yards, Sprint Medley Relay and Distance Medley Relay) were converted accordingly into their metric distance. In other words, a "yards" race was converted into a "meters" race for the purpose of easy comparison by subtracting the appropriate time. This procedure was designated by the following mark (y), indicating that the race was run in yards but converted to meters.

In a similar manner, a hand-held time (HT) race was converted into its present-day fully automatic timed (FAT) equivalent by adding 0.24 seconds, generally considered to be the reaction time of the human timer. This procedure was designated by the following mark (h), indicating that the race was actually hand-timed but was converted to fully automatic timing.

Finally, beginning in 2009 when nearly all indoor meets were run on 200 M. banked tracks or oversized tracks, all previous races run on smaller or flat tracks were converted as if they had been run on the larger tracks. This was done by subtracting the appropriate time from the actual race run. When that was done flat track races were designated by (f).

Although these conversion procedures can never be considered absolutely accurate and fair to all athletes, they do present the "best guess" and also enable the athletes to be compared in one, easily-read, 10-deep list.

CONVERTING YARDS TO METERS

220 Yards to 200 M.	Subtract 0.1 seconds
440 Yards to 400 M.	Subtract 0.3 seconds
880 Yards to 800 M.	Subtract 0.7 seconds
Mile Run to 1600 M.	Subtract 1.6 seconds
4 x 110 Yards to 4 x 100 M.	Subtract 0.2 seconds
4 x 220 Yards to 4 x 200 M.	Subtract 0.4 seconds
4 x 440 Yards to 4 x 400 M.	Subtract 1.2 seconds
4 x 880 Yards to 4 x 800 M.	Subtract 2.8 seconds
Sprint Medley, Yards. to Sprint Medley, Meters	Subtract 1.2 seconds
Distance Medley, Yards. to Distance Medley, Meters	Subtract 3.8 seconds

CONVERTING MANUAL TIMES (MT) TO FULLY AUTOMATIC TIMES (FAT) (In all races add .24 seconds)

EXAMPLE:**OUTDOOR 200 M.**

Bob Howell actually ran 220 yards, hand-timed in		21.00
Convert 220 yards to 200 meters (subtract 0.1 seconds)	~ y	20.90
Convert (HT) to (FAT) (add 0.24 seconds)	~ h	21.14
This mark is now listed in the record book as follows: Bob Hc	hy	21.14

CONVERTING TIMES FROM 200 M. FLAT INDOOR TRACKS TO 200 M. BANKED OR OVERSIZED TRACKS .

<u>Races run on 200 M. flat track</u>	<u>You need to convert to:</u>	<u>Convert time by using this formula:</u>	
200 Meters	200 M. banked or oversized	From flat time subtract: Women (.20)	Men (.25)
300 Yards / 300 Meters	200 M. banked or oversized	From flat time subtract: Women (.25)	Men (.33)
400 Meters	200 M. banked or oversized	From flat time subtract: Women (.30)	Men (.40)
500 Meters	200 M. banked or oversized	From flat time subtract: Women (.33)	Men (.45)
600 Yards / 600 Meters	200 M. banked or oversized	From flat time subtract: Women (.35)	Men (.50)
800 Meters	200 M. banked or oversized	From flat time subtract: Women (.40)	Men (.60)
1000 Yards / 1000 Meters	200 M. banked or oversized	From flat time subtract: Women (.50)	Men (.70)
Mile / 1,500 Meters	200 M. banked or oversized	From flat time subtract: Women (.60)	Men (.80)
3,000 Meters	200 M. banked or oversized	From flat time subtract: Women (.80)	Men (1.30)
5,000 Meters	200 M. banked or oversized	From flat time subtract: Women (1.60)	Men (1.90)
4 x 400 Relay	200 M. banked or oversized	From flat time subtract: Women (1.20)	Men (1.60)
4 x 800 Relay	200 M. banked or oversized	From flat time subtract: Women (1.60)	Men (2.40)
Distance Medley Relay	200 M. banked or oversized	From flat time subtract: Women (1.80)	Men (2.50)

EXAMPLE: Mary Danner ran a 400 M. race in 2002 on a 200 M. flat track (f) in 55.54. To compare her time with those running on 200 M. banked or oversized tracks typical of most meets from 2009 to the present, take her actual time (55.54) and subtract (.30) giving her a record book time of 55.24 and designated with an (f).

Freshman Records

To be eligible for a freshman record an athlete must be utilizing her first indoor or outdoor season of eligibility when the mark is achieved.

Marks are accepted from the indoor freshman season or outdoor freshman season and are not distinguished between the two.

UNIVERSITY OF CINCINNATI - MEN'S TRACK & FIELD

EMERITUS COACH BILL SCHNIER ERA - 1980-2012

WHAT WAS OUR RECORD FROM 1980-2012?

Our dual meet record, meets with 2-4 teams, is 168-62 (.730) from 1980-2012.

Our cross country record is 2294-1206 (.656).

Our indoor track & field record is 253-93 (.731).

Our outdoor track & field record is 833-192 (.813).

WHAT MEETS ARE COUNTED?

All regular season meets without a qualifying standard are counted.

In cross country this includes the Great Lakes Regional but not the NCAA's.

In track & field this does not include the Regional or the NCAA's since qualifying marks are required for entrance.

The numbers of teams in cross country is much greater than in track and field, hence a larger team record.

In cross country the scheduling has been national in scope, made especially difficult with meets such as the Notre Dame Invitational, the Pre-Nationals and the Great Lakes Regional. Most years we have met 50 of the top 50 cross country teams in America at least once.

WHAT HAS BEEN OUR SCHOLARSHIP HISTORY?

The NCAA maximum allowable scholarships from 1980 to the present has been 12.6 for track & field.

In 1980 we started with 2 equivalent scholarships with one quitting the team before school started.

In the 1980's we had between 2 and 5 scholarships, all in-state. The MAC had a mandated 8 per team at that time.

In the 1990's we had between 5 and 8 scholarships, all in-state.

From 1998-2005 we had between 8 and 10 scholarships, all in-state.

From 2005-08 we had 12.6 scholarships, two of them out-of-state.

In 2009 all new scholarships were discontinued.

*Scholarships were restored for the men's program after the 2013 season building to fully funded in 2016.

WHAT HAS BEEN THE HISTORY OF THE QUEEN CITY INVITATIONAL?

Since its first year of 1982, this meet has featured teams from a 3-7 state area.

In the early years the meet was held just before the conference meet. After about 1995 it has been held earlier in the season which has diminished the quality of the meet but did not wear us out just before the conference.

The meet is now jointly sponsored by UC, Northern Kentucky and Xavier.

WHAT HAS BEEN THE HISTORY OF THE ALL-OHIO?

The All-Ohio in cross country has been held interruptedly for 59 (men) and 33 (women) years and has included almost all teams large and small during each of those years. It has traditionally been the best of the collegiate state meets in American due to the large number of colleges and universities in Ohio as well as the nearly-unanimous participation. Usually it has been held in Delaware but in recent years it has been held in Cedarville.

The All-Ohio indoors and outdoors has not been nearly as regular. It has usually been a combined Division I, Division II and NAIA meet (scholarship teams) with Division III hosting their own All-Ohio at a separate site.

The recent outdoor All-Ohio outdoor meet has included almost all teams and has been very competitive.

*In 2015 the All Ohio Meet was removed from the schedule due to the top teams choosing other meets to attend.

WHAT HAS BEEN THE STORY OF INDOOR TRACK & FIELD FOR THE UNIVERSITY OF CINCINNATI?

Many of our best meets have been our home competitions in the Armory-Fieldhouse, especially the highly-competitive dual meets with rival Miami.

Our men's indoor team was discontinued in 1998, so after that we no longer added to our indoor team record.

The Armory-Fieldhouse was converted to a "practice-only" venue about 2001, ending our indoor rivalry with Miami, eliminating our "on-campus" presence and eliminating the highly-profitable high school & masters meets.

*Indoor Track and Field as a sport was restored in 2013.

HOW HAS OUR CONFERENCE AFFILIATION AFFECTED OUR RECORD?

The Metro Conference was small (6-8 teams) but powerful (Florida State, Virginia Tech, Memphis, South Carolina).

The Great Midwest was not as impressive, yet still had Marquette, Memphis, DePaul and Southern Miss.

Conference USA was larger, better, and national in scope. The best rivals were Houston, TCU and Marquette.

The Big East is the largest conference in America and possibly the best in cross country, always in the top three.

The Big East is also the most national in scope and poses the greatest team challenge due to quality and quantity.

The American is a strong conference very much comprising a mixture of previous Big East and Conference USA Teams.
