Media Information

SIMPLE GUIDELINES: Ease of access that prioritizes each cadet's educational pursuits and rehabilitative treatment; make sure freshmen and sophomores have ample chance during the first half of the semester to acclimate with their class schedules and military squadrons; and simple to follow cadets during intramural and intercollegiate athletic practices and games.

MEDIA AVAILABILITY:

Football Practices: Air Force prefers open football practices. Frequently opening practices allow faculty, followers and service members a chance to be in the midst of drills led by coaches and performed by the cadets. In the bigger scope this access provides the opportunity to observe the training of officer candidates during an Academy mission element. Open practice guidelines include refraining of scouting for an opponent or reporting during practices to include injuries or tactics.

Cell Phone Use: Out of respect for those attending or participating in practices, while on the practice field during workouts please silence cell phones. If you need to take or make a call, please exit the field before doing so.

Video/Photography: Video and photography during practices can be done by those who are first cleared through the Air Force media relations staff. Starting August 29, video and photographers cleared through the media relations staff may shoot film during pre-practice and periods 1-5 on Mondays and Tuesdays.

Player and Coaches Availability: Open practices make it very easy to observe team members during athletic activities at the Air Force Academy. Player interviews prioritize each cadet's academic, military, squadron and leadership obligations in addition to any needed physical rehabilitation/treatment. Because treatment time may be necessary, players must physically complete the previous practice or game.

Seniors and Juniors: Starting August 29 eight junior and senior cadets will be accessible on Mondays on the field immediately after practice. Tuesdays eight others will be available before practice from 1-1:30 pm. in the media room.

Sophomores and Freshmen: Sophomores and freshmen are available following each game and every Tuesday starting October 11 (after middle of semester) before practice from 1-1:30 p.m. in the media room.

Coaches: Assistant coaches are available immediately on the field after practice from Aug. 29 to Sept. 19. Air Force Head Coach Troy Calhoun is available on Mondays immediately after practice on the field. He is also be available during his weekly media teleconference on Tuesdays from 12:30-1:00 p.m. in the Air Force Academy media room. Media should contact media relations for the call-in number to join the teleconference.

WEEKLY RADIO SHOW

Falcon Talk with Troy Calhoun, the weekly football radio show, is set for the 2016 season. The show will be broadcast live on KVOR AM 740 at CB & Potts from 6:30 to 7:30 p.m. each Wednesday, starting Aug. 31. The show will be hosted by KVOR's Jim Arthur. AIR FORCE TO HOST NEW MEXICO AT COTTON BOWL

Air Force will host New Mexico on Saturday, Oct. 15, at historic Cotton Bowl Stadium in Dallas, Texas, during the State Fair of Texas. The game will kickoff at 2:30 p.m. CT and be televised by ESPNNews.

Air Force's 2016 season roster features 28 players from the state of Texas. SMU and TCU fans will also have an opportunity to watch college football in person that day, as both schools have bye weeks. Tickets are available by visiting the Air Force website at goairforcefalcons.com. Prices are \$45, \$100 and \$175 depending on location and include admission to the Texas State Fair.

About Cotton Bowl Stadium

Located in Dallas, Texas, Cotton Bowl Stadium opened in 1930. Originally known as Fair Park Stadium, it is located in Fair Park, site of the State Fair of Texas. Concerts or other events using a stage allow the playing field to be used for additional spectators.

The Cotton Bowl was the longtime home of the annual college football post-season bowl game known as the Cotton Bowl Classic, for which the stadium is named. In January 2010, the game was moved to Cowboys Stadium in Arlington.

The Cowboys hosted the Green Bay Packers for the 1966 NFL championship at the Cotton Bowl. Artificial turf was installed in 1970 and removed in 1993 in preparation for the 1994 FIFA World Cup.

The stadium has been home to many football teams over the years, including: SMU Mustangs (NCAA), Dallas Cowboys (NFL; 1960–1971), Dallas Texans (NFL) (1952), Dallas Texans (prior to moving to Kansas City) (AFL; 1960–1962), and soccer teams, the Dallas Tornado (NASL; 1967–1968), and FC Dallas (the Dallas Burn before 2005) (Major League Soccer; 1996–2002, 2004–2005). It was also one of the nine venues used for the 1994 FIFA World Cup.

About the State Fair of Texas

Since its inception in 1886, the State Fair of Texas has celebrated all things Texan by promoting agriculture, education, and community involvement through quality entertainment in a family-friendly environment. The State Fair of Texas is a 501(c)(3) nonprofit organization with proceeds helping to preserve and improve the Fair and Fair Park, and underwrite museum, community and scholarship programs for inner city youth and students pursuing agricultural careers. The 2015 exposition runs September 25 through October 18 in Fair Park. Visit BigTex.com for more information.

AIR FORCE IN THE COTTON BOWL

Air Force will be making its sixth appearance in the Cotton Bowl overall and first since playing SMU on Sept. 13, 1969. The Falcons first played in the historic venue on Jan. 1, 1959 in the Cotton Bowl game vs. TCU. The teams played to a 0-0 tie to cap a 9-0-2 season for the Falcons. The next four meetings were all vs. SMU, who played their home games there from 1948-79. Air Force is 2-2-1 all-time in the Cotton Bowl.

Senior fullbacks Shayne Davern and D.J. Johnson are a powerful combination for the Air Force rushing attack. Johnson led the Falcons with 59 yards at Utah State and became the 44th player in school history to reach the 1,000-yard mark. Davern joined him the 1,000-yard club with 33 yards vs. Navy to become the 45th player to hit the 1,000-yard mark. The pair is the fifth set of classmates to play the same position and each rush for 1,000 yards in their careers. They are the second set of fullbacks, joining Pat Evans and Johnny Smith, who did it in 1986.

Johnson leads the Falcons in rushing with 329 yards this season. He has rushed for 1,156 yards in his career which ranks 37th in school history. Davern is third on the team in rushing with 184 yards and has 1,020 in his career which ranks 43rd in AF history.

Air Force Head Coach Troy Calhoun

Troy Calhoun is in his 10th season as head coach at Air Force where he has a 71-51 overall record and a 41-32 mark in Mountain West play. He has led Air Force to eight bowl games, including a school-record six straight from 2007-12. Calhoun led the Falcons to an 8-6 overall record in 2015 and the Mountain Division championship and first-ever MW title game appearance. The Falcons were 6-2 in conference play.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has twice been semifinalist for the National Coach of the Year award for his efforts on and off the field (2007, 2010).

His players have also been amazingly successful finishing their academic and leadership responsibilities. The Air Force football team's most recent NCAA APR is an astounding 980 which once again places the Academy amongst the nation's best in the sport of football. The team has received recognition seven straight seasons.

Calhoun came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third-largest overall in the nation.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors. Calhoun followed with back-to-back 8-5 overall records and fourth place conference finishes with 5-3 marks in 2008 and 2009. The team earned bids to the Armed Forces Bowl each season and posted the school's first bowl victory since 2000 with a 47-20 win over Houston in 2009.

In 2010 the Falcons posted a 9-4 overall record and recorded their fourth straight top four conference finish with a 5-3 mark. The Falcons were nationally ranked for the first time since 2003 and posted a victory as a ranked team for the first time since 2002. The team capped the season with a 14-7 win over George Tech in 2010 Independence Bowl to earn a second-straight bowl victory.

Air Force posted a 7-6 record in 2011 and qualified for the Military Bowl. The Falcons were 6-7 in 2012 while finishing fourth in the conference with a 5-3 mark. Air Force played in its fourth Armed Forces Bowl to extend the school's record of consecutive bowl games to six dating back to 2007.

Calhoun led the Falcons to new heights in 2014, posting a 10-3 overall record and a fourth place finish in the Mountain Division with a 5-3 mark. The eight-game turnaround from a 2-10 mark in 2013 is a school record and tied as the best in the nation. The Falcons capped the season with a record 19th Commander-in-Chief's Trophy and a victory over Western Michigan in the Famous Idaho Potato Bowl.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003. Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (14) and Amelia (12).
