PRACTICES:

Air Force Football Practices - The Air Force Academy prefers open football practices. Open practices allow faculty, media and our service members a chance to be in the midst of drills led by our coaches and performed by the cadets. In the bigger scope this access provides the opportunity to observe the training of officer candidates during an Academy mission element. Open practice guidelines include refraining of scouting for an opponent or reporting during practices to include injuries or tactics.

Cell Phone Use - Out of respect for those attending or participating in practices, while on the practice field during workouts please silence cell phones. If you need to take or make a call, please exit the field before doing so.

Video/Photography: Video and photography during practices can be done by those who are first cleared through the Air Force Academy Media Relations staff. From July 31 to August 28, video and photos can be taken during pre-practice and periods 1-5 each day. Starting August 31, video and photographers cleared through the Air Force Academy Media Relations staff may shoot film during pre-practice and periods 1-5 on Mondays and Tuesdays.

Player and Coaches Availability - Open practices make it very easy to observe team members during athletic activities at the Air Force Academy. Player interviews prioritize each cadet's academic, military, squadron and leadership obligations in addition to any needed physical rehabilitation/treatment. Because treatment time may be necessary, players must physically complete the previous practice or game.

Seniors and Juniors: From July 31 to August 5 (prior to the start of the fall semester), seniors and juniors will be accessible on the field after all practices. From August 8 to 26 up to eight juniors or seniors will be available following Monday, Wednesday and Saturday practices. On Tuesdays up to eight seniors will be available before practice. Starting August 31 eight junior or senior cadets will be accessible on Mondays on the field immediately after practice. Tuesdays eight others will be available before practice from 1-1:30 pm.

Sophomores: Sophomores are available after games, after all practices from August 1 to Tuesday, Aug. 5, and every Tuesday starting October 13 (after prog/middle of semester) before practice from 1-1:30.

Freshmen: Freshmen are available after games and every Tuesday starting October 13 (after prog/middle of semester) before practice from 1:15-1:45.

Coaches: All coaches are available immediately on the field after practice from July 31 to August 5 (prior to the start of the fall semester). When school starts coaches are available from August 8-26 following Monday, Wednesday and Saturday practices, and each Monday from Aug. 31 through Sept. 21.

Coach Calhoun is available Monday after practice and Tuesday before practice from 12:30-1 p.m. in the Air Force Academy media room each Tuesday starting August 11.

WEEKLY RADIO SHOW

Falcon Talk with Troy Calhoun, the weekly football radio show, is set for the 2015 season at a new location. FORMER FALCON TEW HONORED

The National Football Foundation (NFF) & College Hall of Fame announced that it will salute the thousands of student-athletes who have played football at the nation's military academies over the years by honoring one representative of each branch as a co-recipient of the 2015 NFF Distinguished American Award. Capt. Jared Tew, a 2011 Academy graduate, was a three-year letterman and two-year starter. Tew led Air Force to a 25-14 record, while rushing for 1,897 yards and 17 touchdowns on 416 carries in his career. In 2009, he was named Second Team All-Mountain West after rushing for a team-leading 970 yards, which ranked third in the conference. He earned a B.S. in Business Management from Air Force in 2011, and he has served as a pilot in the U.S. Air Force since graduation. Tew was ranked as the No. 1 wingman in the 35th Fighter Squadron during a one-year deployment at the Kunsan Air Base in Korea. He is currently flying the F-16 Fightin' Falcon at the Aviano Air Base in Italy.

FORMER FALCONS HOWARD HONORED

The NCAA will recognize six former student-athletes with the NCAA Silver Anniversary Award for their collegiate and professional achievements. The Silver Anniversary Award annually recognizes distinguished individuals on the 25th anniversary of the conclusion of their college athletics careers. Representatives of NCAA member schools and conferences, along with a panel of former student-athletes, select each year's recipients. The 2015 recipients are Abby Cheng, Chris Howard, Jo-Juneau, Russell Maryland, Dikembe Mutombo, and Steve Smith. The NCAA will recognize the honorees at the Honors Celebration during the 2016 NCAA Convention on Jan. 15 in San Antonio. While in college, Chris Howard excelled on the football team, leading the U.S. Air Force Academy to back-to-back bowl games in 1989 and 1990, including an upset victory over The Ohio State University in the 1990 Liberty Bowl. His academic achievements were equally impressive, including two Academic All-America honors, an NCAA postgraduate scholarship and the 1990 Vincent DePaul Draddy Trophy (now known as the Campbell Trophy), which is the highest academic award in college football. He also earned a Rhodes Scholarship in 1991, and went on to earn a master's degree with distinction from Harvard Business School and a doctorate at Oxford University. He became an Air Force lieutenant colonel and served in Afghanistan in 2003, where he was awarded the Bronze Star. While on active duty, Howard served as an intelligence operations and plans officer with the elite Joint Special Operations Command. He currently serves as president at Hampden-Sydney College, which has improved 17 places in the U.S. News and World Report collegiate rankings under his leadership. Howard is on the NCAA Division III Presidents Council. He is a member of the national council of advisors to the Center for the Study of the Presidency and Congress, and a member of Virginia Gov. Terry McAuliffe's Commission to Ensure Integrity and Public Confidence in State Government.

AIR FORCE HEAD COACH TROY CALHOUN

Troy Calhoun is in his ninth season as head coach at Air Force where he is 67-47 overall and 35-29 in Mountain West play. He has led Air Force to seven bowl games, including a school-record six straight from 2007-12.

Calhoun is the only coach in the 100-plus year history of service academy football to lead teams to at least seven wins and a bowl game in each of his first five seasons. Calhoun has twice been semifinalist for the National Coach of the Year award for his efforts on and off the field (2007, 2010).

His players have also been amazingly successful finishing their academic and leadership responsibilities. The Air Force football team's most recent NCAA APR is an astounding 980 which once again places the Academy amongst the nation's best in the sport of football. The team has received recognition seven straight seasons.

Calhoun came to his alma mater in 2007 and took over a program that had three straight losing seasons. Air Force finished the 2007 season 9-4 overall and placed second in the Mountain West Conference with a 6-2 mark in Calhoun's first year. The Falcons earned their first bowl bid in five seasons, advancing to the Bell Helicopter Armed Forces Bowl in Fort Worth, Texas. The five-game turnaround from the previous season was the largest in the nation by a first-year head coach and tied as the third-largest overall in the nation.

Calhoun was named the conference's coach of the year for his efforts. In addition, he was named coach of the year in Region 5 by the American Football Coaches Association and was one of eight finalists for national coach of the year honors. Calhoun followed with back-to-back 8-5 overall records and fourth place conference finishes with 5-3 marks in 2008 and 2009. The team earned bids to the Armed Forces Bowl each season and posted the school's first bowl victory since 2000 with a 47-20 win over Houston in 2009.

In 2010 the Falcons posted a 9-4 overall record and recorded their fourth straight top four conference finish with a 5-3 mark. The Falcons were nationally ranked for the first time since 2003 and posted a victory as a ranked team for the first time since 2002. The team capped the season with a 14-7 win over George Tech in 2010 Independence Bowl to earn a second-straight bowl victory.

Air Force posted a 7-6 record in 2011 and qualified for the Military Bowl. The Falcons were 6-7 in 2012 while finishing fourth in the conference with a 5-3 mark. Air Force played in its fourth Armed Forces Bowl to extend the school's record of consecutive bowl games to six dating back to 2007.

Calhoun led the Falcons to new heights in 2014, posting a 10-3 overall record and a fourth place finish in the Mountain Division with a 5-3 mark. The eight-game turnaround from a 2-10 mark in 2013 is a school record and tied as the best in the nation. The Falcons capped the season with a record 19th Commander-in-Chief's Trophy and a victory over Western Michigan in the Famous Idaho Potato Bowl.

Calhoun brought a wealth of experience and impressive resume at the collegiate and professional levels that is flooded with success at every stop to the Academy. Calhoun came to the Academy after serving as offensive coordinator and quarterbacks coach for the Houston Texans in 2006. The Texans were one of only two NFL teams to triple their number of wins from the previous year.

Calhoun became a well-rounded NFL coach, working as a defensive assistant, special teams assistant and offensive assistant with the Denver Broncos from 2003-05. He began his NFL coaching career by serving as the defensive assistant under defensive coordinator Larry Coyer in 2003. Prior to the NFL, Calhoun was an offensive coordinator for six seasons on the collegiate level. He began his coaching career at Air Force, where he worked as a graduate assistant from 1989-90. He started at quarterback for the Academy in 1986 and was one of only two freshmen to letter for the 1985 team that finished fifth in the final polls with a 12-1 record that included wins over national powers Notre Dame and Texas.

Calhoun served his country from 1989-95 as an active duty officer in the Air Force. He was the Falcons' recruiting coordinator and the junior varsity offensive coordinator in 1993-94. He moved to Ohio University in 1995 where he served as the quarterbacks coach for two seasons. Calhoun was promoted to offensive coordinator in 1997. Calhoun moved to Wake Forest in 2001 and remained there prior to his stint with the Broncos.

Groomed on the basics of integrity and passion, Calhoun is a native of Roseburg, Ore., and was raised in a home where both kids graduated from the Air Force Academy and were varsity letter winners on nationally-ranked teams. He and his wife, Amanda, live in Colorado Springs and have two children, Tyler (13) and Amelia (11).
