The nonconference slate features 19 games against teams that earned bowl berths in 2018, including Arkansas State, Army (three games), BYU (three games), LSU, Marshall, Minnesota, Missouri, Northwestern, Notre Dame, Oregon, Purdue, Toledo, Vanderbilt, Wake Forest and Washington.

The Mountain West has announced a new branding and marketing campaign for the conference to further define the MW's strong, energetic brand as it begins its 21st year as an NCAA Division I athletic conference.

Designed to make clearer the league's purpose, vision and values the conference has adopted "At the Peak" as its tagline. The new high-impact moniker resonates the league's personality and uniqueness as one of the elite conferences in college athletics.

The branding initiative has been in planning and development since February 2018. The Mountain West worked in partnership with Old Hat, a strategic marketing agency specializing in collegiate athletics, to develop a plan that would showcase the personality of the league.

Cradled among the most desirable locations in America, the Mountain West stretches to eight different states from the shores of the Pacific Coastline to the Rocky Mountains. The conference has long been known since its founding for its integrity and its commitment to the ideals of the student-athlete experience and the unique opportunities afforded to students at each institution.

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the Mountain West continues to cultivate opportunities for student-athletes to compete at the highest level, while fostering academic achievement and sportsmanship.

Now in its 21st year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics. The Mountain West membership is comprised of 11 all-sport members: the United States Air Force Academy, Boise State University, Colorado State University, Fresno State, University of Nevada, University of New Mexico, San Diego State University, San José State University, UNLV, Utah State University and University of Wyoming. In addition, the University of Hawai'i and Colorado College participate in the Mountain West as single-sport members in football and women's soccer, respectively.

OFF THE FIELD

UNLV is now in the top three percent of more than 4,000 institutions nationwide. Additionally, New Mexico is also an R1 research institution. Only 115 institutions in the country hold this distinction.
- Utah State was named one of the top 10 Fulbright U.S. Scholarship-producing Research Institutions by the U.S. Department of State's Bureau of Educational and Cultural Affairs.
