A LOOK AT THE 2015 MOUNTAIN WEST SCHEDULE

The 2015 Mountain West football schedule is comprised of 97 games, including 48 Conference matchups. The scheduling format for the 12-member football lineup consists of five intra-divisional games and three cross-divisional contests. Each institution will play four home and four road Conference games. TWO NEW HEAD COACHES JOIN MW RANKS IN 2015

For the second consecutive year, the Mountain West welcomes two new head football coaches. Colorado State will be under the direction of **Mike Bobo**, while **Tony Sanchez** takes over at UNLV. Both are first-year head coaches.

Bobo comes to Colorado State from the University of Georgia, where he had spent the previous 14 seasons, including the last eight as offensive coordinator. Bobo's 14-year stint at Georgia, where he was a quarterback in the late 1990s, began in January, 2001, when head coach Mark Richt hired him as quarterbacks coach. He was promoted to offensive coordinator in 2007. During his time at UGA, Bobo helped lead the Bulldogs to 135 victories, including two Southeastern Conference championships, five SEC Eastern Division titles and eight bowl victories. Prior to his time with the Bulldogs, Bobo began his coaching career at Jacksonville State (1999-2000).

Sanchez spent the last six seasons leading Bishop Gorman (Las Vegas) High School on an overall record of 85-5 and six consecutive state 4A championships. In his six seasons at Bishop Gorman, Sanchez saw 34 of his players earn collegiate football scholarships, including 25 to FBS programs. Prior to his stint in Las Vegas, he coached at Ocate High School in Las Cruces, N.M. and Irvin High School in El Paso, Texas. His lone collegiate coaching experience came in 1996 as he was an undergraduate assistant at New Mexico State, the school where Sanchez was a two-year letterwinner.

FIRST-YEAR HEAD COACHES IN THE MOUNTAIN WEST

The Mountain West has welcomed 24 new head coaches over the last 16 seasons. Former BYU head coach Gary Crowton and current Boise State head coach **Bryan Harsin** have posted the most victories and highest win percentage among the group with 12 victories and an .857 win percentage in their inaugural years in 2001 and 2014, respectively. Harsin became the first to conclude his inaugural season by winning the Mountain West Championship Game, the first of two outright MW Championships in program history. Harsin is the only alumnus to lead the Broncos as head coach in the history of Boise State. Harsin is one of three first-year coaches to win at least 10 games in their inaugural season, joining Crowton (12 wins, 2001) and Urban Meyer (10 wins, 2003).

WHAT TO WATCH FOR

- New Mexico has scored four rushing touchdowns in back-to-back weeks.
- The Lobos have won consecutive games after defeating Wyoming (38-38) and New Mexico State (38-29). This is the first time Wyoming has won back-to-back contests in the same season since 2012. That year, they beat Texas State (35-14) and Hawai'i (35-23).
- The Lobos are searching for their first three-game win streak since 2007 (Oct. 13-25),
- UNM WR **Dameon Gamblin** has 16 receptions for 242 yards in 2015. Last season, 16 receptions were the most by a Lobo pass-catcher and 293 were the most receiving yards. A UNM receiver hasn't registered more than 300 receiving yards since 2008.
- The Lobos enter Week 6 with the ninth-ranked rushing offense in the FBS, averaging 290 yards per game. On the other side of the ball, the Wolf Pack allow 185.6 rushing yards per contest, which ranks 89th.
- New Mexico kick return specialist **Carlos Wiggins** ranks seventh among active FBS players with a 27.5 average per return. In his career, Wiggins has returned 74 kicks and scored four touchdowns.
- Lobos QB **Lamar Jordan** has rushed for more than 140 yards in back-to-back games. He is coming off a career-best rushing performance against New Mexico State last Saturday, running for 157 yards, his third 100-yard rushing game of his career.
- Nevada DB **Dameon Baber** picked off his third pass of his collegiate career. Baber, who has only played in two games, already matched the most INTs by a Wolf Pack player last season. The last time a Nevada defender picked off more than three passes in a season was in 2011 (Isiah Frey - 5 and Khalid Wooten - 4).
- Wolf Pack LB **Matthew Lyons** has registered back-to-back double-digit tackle performances. Lyons had 16 tackles at Buffalo and 12 stops last Saturday vs. UNLV. On the season, Lyons leads the Nevada defense with 46 total tackles.
- The Lobos look to open their Mountain West campaign 2-0 for the first time since the inception of the MW in 1999. Nevada, which joined the Conference in 2012, looks to avoid its first 0-2 MW start.

WHAT TO WATCH FOR

- Wyoming has lost eight consecutive games, which is the second-longest losing streak nationally behing New Mexico State (14). The last Cowboys victory was at Fresno State on Nov. 1, 2014 (45-17). This is their longest losing skid since the 2001-02 seasons, when they lost 12 in-a-row.
- Cowboy RB **Brian Hill** rushed for 208 yards and one score on Oct. 3 at Appalachian State. This is Hill's third 200-yard rushing performance of his career, which ties for third-most by a Mountain West player. The sophomore has two 200-yard rushing games this season, which is tied for fourth-most on the MW single-season chart.
- Hill ranks seventh nationally, and second in the MW, with 669 rushing yards. He is on pace to eclipse his freshman performance of 796 rushing yards and become Wyoming's first 1,000-yard rusher since 2008 (Devin Moore - 1,303).
- Wyoming DE **Eddie Yarbrough** has racked up 33 career tackles for loss, the second-most all time by a Cowboys defender. John Fletcher, who played from 2005-09, is atop the list with 36 career TFLs. Among active FBS defenders, the 33 TFLs are 7th-best.
- Air Force enters the week with the nation's fifth-best rushing attack, averaging 326.3 yards per game. The Falcons have ran a total of 278 plays, 239 of which have been runs (.860).
- The Falcons have scored in 275 consecutive games, an active streak that ranks third nationally and is the seventh-longest in NCAA history. The last time Air Force was shutout was in the 1992 Liberty Bowl vs. Ole Miss (13-0).
- The last time Air Force opened Mountain West play 2-0 was in 2010, when it defeated BYU (35-14) and Wyoming (20-14). A win on Saturday would give the Falcons their fourth 2-0 start (2007, '08 and '10) in MW play under head coach **Troy Calhoun**.
- The Falcons defense is only allowing 299 yards of total offense per game, which includes the 20th-ranked pass defense (161.5). At this pace, this will be the first Air Force defense to hold its opponent under 300 yards of total offense per contest since 2009 (288.3).
- Eight of the last 10 games have been decided by 10 points or less.
- Air Force has won eight straight home games, dating back to Nov. 21, 2013 vs. UNLV. The Rebels won that contest 41-21.

WHAT TO WATCH FOR

- San Diego State has won three consecutive games vs. Hawai'i and 12 of the last 14 meetings.
- San Diego State's **Rashaad Penny** has a 42.1 kickoff return average on nine returns in 2015. Penny is one of three players to return two kicks for touchdowns this season, which leads the nation. Penny leads all active FBS players with a 30.3 career kickoff return average.
- The Aztecs have scored in the opening quarter in 12 of the last 13 games.
- Aztecs RB **Donnel Pumphrey** is one of five active players to rush for more than 3,000 yards in his career. Pumphrey has logged 510 carries for 3,048 yards and 32 touchdowns.
- Pumphrey rushed for 124 yards and one score vs. Fresno State on Oct. 3. This was Pumphrey's 15th 100-yard rushing performance of his career, which ranks second-most by a SDSU player and tied for fourth all-time by a MW rusher.
- In its last outing, San Diego State held Fresno State to just 89 yards of total offense. This is the first time the Aztecs defense has limited an opponent to fewer than 100 yards since Sept. 19, 1970 vs. North Texas State (59).
- The Aztecs have won 14 straight games when rushing for more than 200 yards, and is 22-2 under head coach **Rocky Long** when accomplishing this feat.
- Hawai'i has been shutout three times in 2015 (Ohio State, Wisconsin and Boise State). The last time this occurred was in 1966 when the Rainbow Warriors were held scoreless by Air Force, Pacific and Utah State. Additionally, for the first time since 1998, Hawai'i has been shutout in consecutive games (Arkansas State and SMU).
- A victory on Saturday would give Hawai'i its third home win of the season, which would match its 2014 win total at Aloha Stadium. The last time the Rainbow Warriors won more than three home games in a single season was in 2011 (4).
- Hawai'i has recorded five or more tackles for loss in four of five games this season.

2015 MOUNTAIN WEST FOOTBALL CHAMPIONSHIP GAME

The 2015 Mountain West Football Championship game will kick off at 4:30 p.m. PT/5:30 p.m. MT on Saturday, December 5. ESPN2 will broadcast the title match-up.

HOST SITE DETERMINATION

Host Determination. The Conference Football Championship Game shall be played at the site of the divisional champion with the highest College Football Playoff (CFP) Selection Committee ranking. The site determination shall be made no later than the Sunday following the final week of regular-season games, utilizing the latest available CFP poll.

If one divisional champion was ranked ahead of the other divisional champion in the CFP Selection Committee ranking and wins in the final weekend of the regular season, they will be declared the host. If, in that same scenario, the divisional champion that was the highest-ranked in the CFP poll loses in the final weekend of the regular season, a composite of selected computer rankings following the games of November 29 will be used to determine the host.

If no Mountain West teams are ranked in the latest available CFP Selection Committee poll, a composite of selected computer rankings following the games of November 28 will be used to determine the host.

Host Tie Breaker. In the event of a tie in the latest CFP Selection Committee ranking or the composite of selected computer rankings, the following comparison procedure shall be used (in order as necessary) to determine the site of the game:

- If one team was the winner of a Conference game between the two teams, it shall be the Championship Game host.
- If a tie still exists, winning percentage against common Conference opponents shall determine the Championship Game host.
- If a tie still exists, winning percentage against the next highest-placed common opponent in the Conference based upon (in order): 1. order of finish in the respective divisions, 2. record in all Conference games, and 3. most recent composite of selected computer rankings, proceeding through the Conference, will break the tie.
- Coin toss.

Divisional Champions. A divisional champion shall be the team with the highest winning percentage in all Conference games, both inter-divisional and intra-divisional, in the division. (Adopted January 2013)

- Tie Games. A tie football game shall count as half-a-game won and half-a-game lost in the standings

[Note: A team ineligible under NCAA or Mountain West rules for post-season (bowl) competition shall not compete in the Championship Game.]

DIVISIONAL TIEBREAKERS

Tie Between Two Teams. In the event of a percentage tie for a divisional championship between two teams, if one team was the winner of the Conference game between the two teams, it shall be the divisional champion.

If no game was played between the two tied teams, or that game ended in a tie, the following comparison procedure shall be used to break the tie:

- Winning percentage in games played within the division.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games.
- Overall winning percentage against FBS opponents.
- Coin toss.

Tie Between More Than Two Teams:

In the event of a percentage tie for a divisional championship between more than two teams, the following comparison procedure shall be used to eliminate all but two tied teams, at which point the two-team tie-breaking procedure shall be used:

- Winning percentage in games played among the tied teams.
- Winning percentage in games played against division opponents.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games

MW BOWL SYNOPSIS

The number of postseason appearances for the Mountain West will be driven by on-the-field performance, starting with the opportunity to play in the national semifinals or another New Year's Day bowl game as part of the College Football Playoff arrangement. The highest-rated champion from among the five non-contracted conferences (American, C-USA, MAC, MW, Sun Belt, or chosen by the playoff selection committee) is guaranteed a slot in the system. In the 16 seasons since the league's inception, the Mountain West's champion or a current MW member has secured that position 12 times, placing teams in the Fiesta (3), Rose and Sugar (2) Bowls during that period.

COLLEGE FOOTBALL PLAYOFF

The MW also has agreements with seven (7) different bowl games that in any given year will generate as many as seven (7) postseason opportunities for its member institutions. These include primary positions in some or all years with the Lockheed Martin Armed Forces Bowl, Famous Idaho Potato Bowl, Gildan New Mexico Bowl, Royal Purple Las Vegas Bowl, San Diego County Credit Union Poinsettia Bowl, Hawai'i Bowl and the Arizona Bowl - and a secondary position with the Cactus Bowl.

NOTE: The MW is the primary backup for the Ticket City Cactus Bowl if the Big 12 or Pac-12 does not fill.

ABOUT THE COLLEGE FOOTBALL PLAYOFF

In its second season, the College Football Playoff format remains unchanged: top four teams, two semifinals played in bowl games, and the national championship game played in a different city every year. Each semifinal will be played during the New Year's holiday with the national championship game in prime time on a Monday night at least a week later.

THE SELECTION COMMITTEE

A selection committee will choose the four teams for the playoff based on their performances during the regular season, including strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game.

THE ROTATION

The semifinals will rotate among six different bowls, extending the experience to more fans. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.
