A LOOK AT THE 2015 MOUNTAIN WEST SCHEDULE

The 2015 Mountain West football schedule is comprised of 97 games, including 48 Conference matchups. The scheduling format for the 12-member football lineup consists of five intra-divisional games and three cross-divisional contests. Each institution will play four home and four road Conference games. This is the third year of the initial four-year cycle in which each member institution will play every other Mountain West opponent home and away. In 2015, the cross-divisional opponents will flip from the first two years, with teams playing their new opponents from the other division.

The 2015 schedule will play out over 14 weeks, concluding on Sat., Dec. 5 with the Mountain West Football Championship Game to be played at the home stadium of the highest-ranked of the two divisional champions.

The non-conference slate features 22 games against teams that earned bowl berths in 2014, including Arizona, Arizona State, Auburn, BYU (4 games), Minnesota, Mississippi, Michigan State, Navy, Northern Illinois, Ohio State, Penn State, South Alabama, Texas A&M, UCLA, Utah (2 games), Washington (2 games) and Wisconsin. TWO NEW HEAD COACHES JOIN MW RANKS IN 2015

For the second consecutive year, the Mountain West welcomes two new head football coaches. Colorado State will be under the direction of **Mike Bobo**, while **Tony Sanchez** takes over at UNLV. Both are first-year head coaches.

Bobo comes to Colorado State from the University of Georgia, where he had spent the previous 14 seasons, including the last eight as offensive coordinator. Bobo's 14-year stint at Georgia, where he was a quarterback in the late 1990s, began in January, 2001, when head coach Mark Richt hired him as quarterbacks coach. He was promoted to offensive coordinator in 2007. During his time at UGA, Bobo helped lead the Bulldogs to 135 victories, including two Southeastern Conference championships, five SEC Eastern Division titles and eight bowl victories. Prior to his time with the Bulldogs, Bobo began his coaching career at Jacksonville State (1999-2000).

Sanchez spent the last six seasons leading Bishop Gorman (Las Vegas) High School on an overall record of 85-5 and six consecutive state 4A championships. In his six seasons at Bishop Gorman, Sanchez saw 34 of his players earn collegiate football scholarships, including 25 to FBS programs. Prior to his stint in Las Vegas, he coached at Ocate High School in Las Cruces, N.M. and Irvin High School in El Paso, Texas. His lone collegiate coaching experience came in 1996 as he was an undergraduate assistant at New Mexico State, the school where Sanchez was a two-year letterwinner.

FIRST-YEAR HEAD COACHES IN THE MOUNTAIN WEST

The Mountain West has welcomed 24 new head coaches over the last 16 seasons. Former BYU head coach Gary Crowton and current Boise State head coach **Bryan Harsin** have posted the most victories and highest win percentage among the group with 12 victories and an .857 win percentage in their inaugural years in 2001 and 2014, respectively. Harsin became the first to conclude his inaugural season by winning the Mountain West Championship Game, the first of two outright MW Championships in program history. Harsin is the only alumnus to lead the Broncos as head coach in the history of Boise State. Harsin is one of three first-year coaches to win at least 10 games in their inaugural season, joining Crowton (12 wins, 2001) and Urban Meyer (10 wins, 2003).

WHAT TO WATCH FOR

- UNLV is averaging 290 rushing yards in its last three games (870 yards). The Fresno State defense allows 211.2 rushing yards per contest.
- The Rebels haven't won in Fresno since 1983. That year, they defeated the Bulldogs 20-7, but have since dropped six consecutive games at Bulldog Stadium. A victory on Oct. 16 would give the Rebels their first back-to-back wins in the series since 1984.
- In the last 19 games, UNLV has only lost four fumbles. The Rebels set a program record for fewest lost fumbles in 2014 with three, and they've only lost one this year (vs. UCLA).
- The Rebels defense has intercepted 10 passes in 2015, which ranks as the fifth-most in the nation. The 10 picks, which have been recorded by nine different players, are three more than UNLV registered last season. The Rebels' nine players with an INT are tied with California for the most players with a pick this season.
- Fresno State is on a five-game losing streak, the longest by the Bulldogs since 2006. That season, they lost seven in a row from Sept. 9 to Nov. 1. The Bulldogs are looking to avoid their first three-game home losing streak since 2006, when they lost three in a row.
- Fresno State redshirt freshman QB **Kilton Anderson** recorded his first collegiate start last weekend vs. Utah State. Anderson is the fourth different Bulldog QB to start this season. Fresno State is the only FBS program with four different signal callers to record a start this season. Anderson completed 10-of-20 passes for 112 yards and one touchdown vs. the Aggies.
- Going back to the 2014 Hawai'i Bowl, Fresno State has started five different QBs in its last seven games. In those contests, the Bulldogs have a 1-6 record.
- Last Saturday vs. Utah State, Bulldog RB **Marteze Waller** scored his first rushing touchdown of the season, snapping an eight-game drought without a TD on the ground. It was the first rushing TD by any Bulldog this season. This was the longest stretch to open a season without a TD on the ground since 2000.
- For his career, Waller has rushed for 2,657 yards and 20 touchdowns. His yardage ranks 13th among active FBS rushers.

- Wyoming has lost nine consecutive games, which is the second-longest losing streak nationally behind New Mexico State (15). The last Cowboys victory was at Fresno State on Nov. 1, 2014 (45-17). This is their longest losing skid since the 2001-02 seasons, when they lost 12 in a row.
- Cowboy RB **Brian Hill** rushed for 128 yards on a career-high 24 carries last weekend at Air Force. This is Hill's eighth career 100-yard performance, which he has done within the last 11 games.
- Hill ranks fifth nationally, and second in the MW, with 797 rushing yards. He has eclipsed his freshman performance of 796 rushing yards and is on pace to become Wyoming's first 1,000-yard rusher since 2008 (Devin Moore - 1,303).

- The Cowboys haven't started a season 0-7 since 1939.
- Last Saturday vs. New Mexico, Nevada rushed for 351 yards and three touchdowns. The 351 yards on the ground are the second-most in the **Brian Polian** era. For the second time this season, RBs **Don Jackson** and **James Butler** both rushed for more than 100 yards.

- Entering Week 7, the Lobos have the 11th-ranked rush offense, averaging 264.2 yards per contest.
- Also, last weekend the Lobos threw for more yards (138) than they rushed for (135). This is only the second time this has happened in the **Bob Davie** era.
- The Lobos enter their contest vs. Hawai'i with the 10th-best fourth-down conversion percentage (.833) in the FBS. New Mexico has converted on 10-of-12 attempts, and among institutions with double-digit fourth-down attempts, it ranks third.

2015 MOUNTAIN WEST FOOTBALL CHAMPIONSHIP GAME

The 2015 Mountain West Football Championship game will kick off at 4:30 p.m. PT/5:30 p.m. MT on Saturday, December 5. ESPN2 will broadcast the title match-up.

HOST SITE DETERMINATION

Host Determination. The Conference Football Championship Game shall be played at the site of the divisional champion with the highest College Football Playoff (CFP) Selection Committee ranking. The site determination shall be made no later than the Sunday following the final week of regular-season games, utilizing the latest available CFP poll.

If one divisional champion was ranked ahead of the other divisional champion in the CFP Selection Committee ranking and wins in the final weekend of the regular season, they will be declared the host. If, in that same scenario, the divisional champion that was the highest-ranked in the CFP poll loses in the final weekend of the regular season, a composite of selected computer rankings following the games of November 29 will be used to determine the host.

If no Mountain West teams are ranked in the latest available CFP Selection Committee poll, a composite of selected computer rankings following the games of November 28 will be used to determine the host.

Host Tie Breaker. In the event of a tie in the latest CFP Selection Committee ranking or the composite of selected computer rankings, the following comparison procedure shall be used (in order as necessary) to determine the site of the game:

- If one team was the winner of a Conference game between the two teams, it shall be the Championship Game host.
- If a tie still exists, winning percentage against common Conference opponents shall determine the Championship Game host.
- If a tie still exists, winning percentage against the next highest-placed common opponent in the Conference based upon (in order): 1. order of finish in the respective divisions, 2. record in all Conference games, and 3. most recent composite of selected computer rankings, proceeding through the Conference, will break the tie.
- Coin toss.

Divisional Champions. A divisional champion shall be the team with the highest winning percentage in all Conference games, both inter-divisional and intra-divisional, in the division. (Adopted January 2013)

- Tie Games. A tie football game shall count as half-a-game won and half-a-game lost in the standings

[Note: A team ineligible under NCAA or Mountain West rules for post-season (bowl) competition shall not compete in the Championship Game.]

DIVISIONAL TIEBREAKERS

Tie Between Two Teams. In the event of a percentage tie for a divisional championship between two teams, if one team was the winner of the Conference game between the two teams, it shall be the divisional champion.

If no game was played between the two tied teams, or that game ended in a tie, the following comparison procedure shall be used to break the tie:

- Winning percentage in games played within the division.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games.
- Overall winning percentage against FBS opponents.
- Coin toss.

Tie Between More Than Two Teams:

In the event of a percentage tie for a divisional championship between more than two teams, the following comparison procedure shall be used to eliminate all but two tied teams, at which point the two-team tie-breaking procedure shall be used:

- Winning percentage in games played among the tied teams.
- Winning percentage in games played against division opponents.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games

MW BOWL SYNOPSIS

The number of postseason appearances for the Mountain West will be driven by on-the-field performance, starting with the opportunity to play in the national semifinals or another New Year's Day bowl game as part of the College Football Playoff arrangement. The highest-rated champion from among the five non-contracted conferences (American, C-USA, MAC, MW, Sun Belt, or chosen by the playoff selection committee) is guaranteed a slot in the system. In the 16 seasons since the league's inception, the Mountain West's champion or a current MW member has secured that position 12 times, placing teams in the Fiesta (3), Rose and Sugar (2) Bowls during that period.

COLLEGE FOOTBALL PLAYOFF

The MW also has agreements with seven (7) different bowl games that in any given year will generate as many as seven (7) postseason opportunities for its member institutions. These include primary positions in some or all years with the Lockheed Martin Armed Forces Bowl, Famous Idaho Potato Bowl, Gildan New Mexico Bowl, Royal Purple Las Vegas Bowl, San Diego County Credit Union Poinsettia Bowl, Hawai'i Bowl and the Arizona Bowl - and a secondary position with the Cactus Bowl.

NOTE: The MW is the primary backup for the Ticket City Cactus Bowl if the Big 12 or Pac-12 does not fill.

ABOUT THE COLLEGE FOOTBALL PLAYOFF

In its second season, the College Football Playoff format remains unchanged: top four teams, two semifinals played in bowl games, and the national championship game played in a different city every year. Each semifinal will be played during the New Year's holiday with the national championship game in prime time on a Monday night at least a week later.

THE SELECTION COMMITTEE

A selection committee will choose the four teams for the playoff based on their performances during the regular season, including strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game.

THE ROTATION

The semifinals will rotate among six different bowls, extending the experience to more fans. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.
