**TWO NEW HEAD COACHES JOIN MW RANKS IN 2015**

For the second consecutive year, the Mountain West welcomes two new head football coaches. Colorado State will be under the direction of **Mike Bobo**, while **Tony Sanchez** takes over at UNLV. Both are first-year head coaches.

Bobo comes to Colorado State from the University of Georgia, where he had spent the previous 14 seasons, including the last eight as offensive coordinator. Bobo's 14-year stint at Georgia, where he was a quarterback in the late 1990s, began in January, 2001, when head coach Mark Richt hired him as quarterbacks coach. He was promoted to offensive coordinator in 2007. During his time at UGA, Bobo helped lead the Bulldogs to 135 victories, including two Southeastern Conference championships, five SEC Eastern Division titles and eight bowl victories. Prior to his time with the Bulldogs, Bobo began his coaching career at Jacksonville State (1999-2000).

Sanchez spent the last six seasons leading Bishop Gorman (Las Vegas) High School on an overall record of 85-5 and six consecutive state 4A championships. In his six seasons at Bishop Gorman, Sanchez saw 34 of his players earn collegiate football scholarships, including 25 to FBS programs. Prior to his stint in Las Vegas, he coached at Ocate High School in Las Cruces, N.M. and Irvin High School in El Paso, Texas. His lone collegiate coaching experience came in 1996 as he was an undergraduate assistant at New Mexico State, the school where Sanchez was a two-year letterwinner.

**FIRST-YEAR HEAD COACHES IN THE MOUNTAIN WEST**

The Mountain West has welcomed 24 new head coaches over the last 16 seasons. Former BYU head coach Gary Crowton and current Boise State head coach **Bryan Harsin** have posted the most victories and highest win percentage among the group with 12 victories and an .857 win percentage in their inaugural years in 2001 and 2014, respectively. Harsin became the first to conclude his inaugural season by winning the Mountain West Championship Game, the first of two outright MW Championships in program history. Harsin is the only alumnus to lead the Broncos as head coach in the history of Boise State. Harsin is one of three first-year coaches to win at least 10 games in their inaugural season, joining Crowton (12 wins, 2001) and Urban Meyer (10 wins, 2003).

Over the last 11 seasons, the Mountain West has captured the Bowl Challenge Cup four times and owns the second-best win percentage in bowl games among the 10 FBS conferences with a 31-23 mark (.574) during that span. The MW is the only conference to win the trophy four times since the award's inception in 2002-03.

**WHAT TO WATCH FOR**

- A victory over Nevada would give Utah State bowl eligibility for the fifth straight season. The Wolf Pack earned a potential spot in the postseason with a 37-34 overtime victory against San José State last Saturday. Nevada has reached bowl eligibility for the 10th time in the last 11 seasons.
- Utah State is riding a 13-game home win streak, the third-best streak nationally. The Aggies haven't lost at home since Oct. 12, 2013 vs. Boise State (34-23).
- The Aggies, who lost on the road at New Mexico on Nov. 7 and at Air Force on Nov. 14, have dropped back-to-back conference games for the first time since 2011. That year they lost at Fresno State (31-21) and vs. Louisiana Tech (24-17).
- Utah State LB **Nick Vigil** tallied a career-best 20 tackles in last Saturday's defeat at Air Force. Vigil, who ranks third nationally averaging 11.8 stops per game, registered the second-most tackles in a contest this season by an FBS player.
- When it produces a 100-yard rusher, Utah State has won 19 consecutive games.
- Utah State WR **Hunter Sharp** caught 13 passes for 193 yards and three touchdowns last Saturday at Air Force. The 13 receptions are the most by an Aggie since 2002 when Kevin Curtis hauled in 13 passes vs. Middle Tennessee.
- Last Saturday, Aggies QB **Kent Myers** established career highs in completions (25), pass attempts (47), passing yards (364) and passing touchdowns (4).
- Nevada's **Brent Zuzo** ranks 11th among all FBS kickers with a .875 field goal percentage. He has connected on 14-of-16 attempts this season.
- With six total interceptions on the season, **Dameon Baber** is tied for third nationally. Baber is also tied for first in the Mountain West with San Diego State's **Damontae Kazee**.
- The six interceptions are the most by a Nevada player in a single season since Joe Garcia also picked off six passes in 2006.
- The Wolf Pack are 5-0 this season when both **Don Jackson** and **James Butler** each rush for more than 100 yards in the same game. This is a feat they've accomplished three times this season, most recently against Fresno State on Nov. 7.
- Nevada RB **James Butler** has rushed for more than 100 yards in four consecutive games. Last Saturday, Butler ran for 119 yards and a touchdown against San José State. On the season, he has six 100-yard rushing performances and eight in his career. Butler is six yards shy of becoming the 31st player in Wolf Pack history to rush for at least 1,000 yards.

**WHAT TO WATCH FOR**

- A Colorado State victory would make the Rams bowl eligible for the third consecutive season.
- Colorado State WR **Rashard Higgins** has caught a pass in 35 consecutive games, every contest he has played in. It is also the longest active streak by a Mountain West player.
- Higgins, who leads all active FBS receivers with 3,356 career receiving yards, has 16 100-yard receiving games, the second-most in Mountain West history, behind BYU's Austin Collie (17).
- Higgins ranks second in the Mountain West for career receiving TDs (31). Fresno State's Devante Adams holds the record with 38 TD grabs from 2012-13.
- Colorado State LB **Cory James** has recorded 24 career sacks, which is tied for the third-most in Mountain West history and fourth-best all-time at CSU. James' 24 sacks are fourth-most among active FBS defenders.
- The Rams have scored in 32-of-40 quarters this season.
- As a team, CSU leads the nation with a 43.41 net yards per punt average. Rams punter **Hayden Hunt**, a semifinalist for the Ray Guy Award, ranks fourth nationally and second in the Mountain West with a 46.3 average, trailing San José State's **Michael Carrizosa** (48.5).
- CSU DB **Trent Matthews** has nine career interceptions, one shy of entering the Rams' top 10 career list. The last Ram player to log at least 10 career INTs was Erik Olson (1996-99).
- In its last two games, New Mexico have defeated Utah State (14-13) and Boise State (31-24). The Lobos have won six games for the first time since 2007, when they compiled a 9-4 record and played in the New Mexico Bowl.
- In the last two weeks, **Delane Hart-Johnson** caught an 85-yard touchdown vs. Utah State (Nov. 7) and hauled in an 81-yard pass at Boise State (Nov. 14). This marks the first time in school history a player has registered two catches of at least 80 yards in the same season. On the season, Hart-Johnson has 10 receptions for 235 yards. The 86-yard pitch and catch was the fifth-longest pass in New Mexico history, and the longest since 1998.
- The Lobos are 3-0 this season when rushing for 300 yards and 3-4 when rushing for fewer than 300 yards. The Lobos have only won three when rushing for fewer than 200 yards under head coach **Bob Davie**, all three occurrences happening this season (vs. Hawai'i, vs. Utah State and at Boise State).
- New Mexico opponents have faced 38 red zone opportunities, but the Lobos defense has only allowed 15 touchdowns and 10 field goals. The .658 red zone defense percentage ranks third in the nation.

**WHAT TO WATCH FOR**

- San José State needs to win its final two games to earn bowl eligibility. The Spartans finish the 2015 season at Hawai'i and with a home contest vs. Boise State.
- The Spartans lead the nation in fewest passing yards allowed per game (144.4). Over the last 22 games, SJSU is allowing just 123.4 passing yards per contest. It has been ranked in the top 5 nationally in this category every week since Sept. 20, 2014.
- Through eight games, San José State has 20 rushing touchdowns, eclipsing the team's total of 11 in 2014 and 12 in 2013. The last time the Spartans scored 20 or more rushing touchdowns in a season was in 2004 when they had 22.
- Spartans RB **Tyler Ervin** ranks eighth nationally with 1,303 rushing yards. Deoncé Whitaker (2000) holds the program record for rushing yards in a single season with 1,577. Ervin needs to rush for 275 rushing yards in the Spartans final two games to set the program record.
- On the year, Ervin has scored 14 total touchdowns, including 12 on the ground, which is the second-most by a Spartan since at least 2001. Former WR Chandler Jones caught 15 TDs in 2013. The program single-season touchdown record is held by Johnny Johnson, Jr., who scored 19 times in 1988.
- When it comes to all-purpose yardage, Ervin ranks second nationally, averaging 209.8 yards per contest. On the season, he has rushed for 1,303 yards, hauled in 245 receiving yards, and has 550 return yards. In his career, Ervin has 5,607 all-purpose yards, which leads all active FBS players. He now owns the program record for career all-purpose yards.
- San José State ranks fifth nationally with 41.97 net yards per punt, while sophomore **Michael Carrizosa** ranks first among FBS punters, averaging 48.5 yards per boot.
- Hawai'i has dropped eight consecutive games, which is tied for the third-longest losing skid in the nation. Kansas has lost 12 in a row and Eastern Michigan has dropped nine straight.
- Hawai'i LB **Julian Gener** registered five tackles for loss last Saturday vs. Fresno State. The five TFL's are the most by a Rainbow Warriors defender since 2012 and is tied for the second-most in Mountain West history. Gener racked up 17 tackles, his second straight game with double-digit stops.
- Rainbow Warriors LT **Ben Clarke** has only allowed two sacks while protecting the blindside of **Ikaika Woolsey** and **Max Wittek**.
- Hawai'i WR **Marcus Kemp** had five receptions for 105 yards against Fresno State last week. It was his third 100-plus yard receiving game of the year.

**WHAT TO WATCH FOR**

- San Diego State has won eight consecutive Mountain West games dating back to last season. The Aztecs last Conference loss was at Boise State on Nov. 15, 2014 (38-29). The eight-game league win streak ranks tied for fourth-longest in the nation.
- Overall, the Aztecs have a six-game win streak, their longest since a seven-game stretch to close the 2012 regular season.
- The Aztecs have won four consecutive games by at least 23 points, the longest streak nationally. In the last four games, SDSU is averaging 39.3 points per contest.
- The SDSU defense has held 13 consecutive Mountain West opponents to fewer than 400 yards of total offense, the longest stretch (in conference games only) in the nation. The last time an MW foe accounted for more than 400 yards of total offense against the Aztecs defense was Sept. 27, 2014 (UNLV - 455).
- The Aztecs have won 19 straight games when rushing for at least 200 yards and are 27-2 in the **Rocky Long** era when reaching 200-plus yards. The UNLV defense allows 203.4 rushing yards per contest, which ranks 106th nationally.
- The Aztecs have rushed for more than 200 yards in six straight contests.
- San Diego State RB **Donnel Pumphrey** rushed for 140 yards vs. Wyoming last Saturday. This was his sixth straight game with more than 100 yards on the ground, and 20th of his career. The six straight 100-yard games is one shy of MW record owned by BYU's Luke Staley (2001) and Boise State's Jay Ajayi (2014).
- Pumphrey currently ranks 15th in the nation with 1,171 rushing yards. He is one of five Aztecs to record multiple 1,000-yard rushing seasons.
- The Aztecs defense ranks fifth nationally in third down conversions, allowing opponents to convert only 27.5 percent of the time. This leads the Mountain West.
- SDSU defense has the third-best turnover margin nationally, recording 24 takeaways and only losing the ball 11 times.
- UNLV has three victories on the season for only the fourth time in the last 12 seasons. The last time the Rebels won four games was in 2013 (7).
- The Rebels defense has intercepted 12 passes in 2015. The 12 picks, which have been recorded by nine different players, are five more than UNLV registered last season and as many as the 2013 Rebels squad had in 13 games.

## 2015 MOUNTAIN WEST FOOTBALL CHAMPIONSHIP GAME

The 2015 Mountain West Football Championship game will kick off at 4:30 p.m. PT/5:30 p.m. MT on Saturday, December 5. ESPN2 will broadcast the title match-up.

### HOST SITE DETERMINATION

**Host Determination.** The Conference Football Championship Game shall be played at the site of the divisional champion with the highest College Football Playoff (CFP) Selection Committee ranking. The site determination shall be made no later than the Sunday following the final week of regular-season games, utilizing the latest available CFP poll.

If one divisional champion was ranked ahead of the other divisional champion in the CFP Selection Committee ranking and wins in the final weekend of the regular season, they will be declared the host. If, in that same scenario, the divisional champion that was the highest-ranked in the CFP poll loses in the final weekend of the regular season, a composite of selected computer rankings following the games of November 29 will be used to determine the host.

If no Mountain West teams are ranked in the latest available CFP Selection Committee poll, a composite of selected computer rankings following the games of November 28 will be used to determine the host.

**Host Tie Breaker.** In the event of a tie in the latest CFP Selection Committee ranking or the composite of selected computer rankings, the following comparison procedure shall be used (in order as necessary) to determine the site of the game:

- If one team was the winner of a Conference game between the two teams, it shall be the Championship Game host.
- If a tie still exists, winning percentage against common Conference opponents shall determine the Championship Game host.
- If a tie still exists, winning percentage against the next highest-placed common opponent in the Conference based upon (in order): 1. order of finish in the respective divisions, 2. record in all Conference games, and 3. most recent composite of selected computer rankings, proceeding through the Conference, will break the tie.
- Coin toss.

**Divisional Champions.** A divisional champion shall be the team with the highest winning percentage in all Conference games, both inter-divisional and intra-divisional, in the division. (Adopted January 2013)

- Tie Games. A tie football game shall count as half-a-game won and half-a-game lost in the standings

[Note: A team ineligible under NCAA or Mountain West rules for post-season (bowl) competition shall not compete in the Championship Game.]

### DIVISIONAL TIEBREAKERS

**Tie Between Two Teams.** In the event of a percentage tie for a divisional championship between two teams, if one team was the winner of the Conference game between the two teams, it shall be the divisional champion.

If no game was played between the two tied teams, or that game ended in a tie, the following comparison procedure shall be used to break the tie:

- Winning percentage in games played within the division.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games.
- Overall winning percentage against FBS opponents.
- Coin toss.

### Tie Between More Than Two Teams:

In the event of a percentage tie for a divisional championship between more than two teams, the following comparison procedure shall be used to eliminate all but two tied teams, at which point the two-team tie-breaking procedure shall be used:

- Winning percentage in games played among the tied teams.
- Winning percentage in games played against division opponents.
- Winning percentage against the next highest-placed team in the division (based upon the team's record in all games played in the Conference), proceeding through the division.
- Winning percentage against common Conference opponents.
- Highest CFP ranking (or the composite of selected computer rankings if neither team is ranked in the CFP rankings) following the final week of Conference regular-season games

### A LOOK AT THE PRESEASON PREDICTIONS

Since the Mountain West began play in 1999, only seven teams chosen by the league media to win the Conference crown have actually done so, and only twice has the title been shared by multiple teams.

Below is a look at how the preseason poll favorite has fared in regular-season play.

Year	Predicted Champion	Predicted Champion Finish	Actual Champion	Bowl Game

\*First season of MW divisional play and Championship Game

**MW BOWL SYNOPSIS**

The number of postseason appearances for the Mountain West will be driven by on-the-field performance, starting with the opportunity to play in the national semifinals or another New Year's Day bowl game as part of the College Football Playoff arrangement. The highest-rated champion from among the five non-contracted conferences (American, C-USA, MAC, MW, Sun Belt, or chosen by the playoff selection committee) is guaranteed a slot in the system. In the 16 seasons since the league's inception, the Mountain West's champion or a current MW member has secured that position 12 times, placing teams in the Fiesta (3), Rose and Sugar (2) Bowls during that period.

**COLLEGE FOOTBALL  
PLAYOFF**

The MW also has agreements with seven (7) different bowl games that in any given year will generate as many as seven (7) postseason opportunities for its member institutions. These include primary positions in some or all years with the Lockheed Martin Armed Forces Bowl, Famous Idaho Potato Bowl, Gildan New Mexico Bowl, Royal Purple Las Vegas Bowl, San Diego County Credit Union Poinsettia Bowl, Hawai'i Bowl and the Arizona Bowl - and a secondary position with the Cactus Bowl.

**NOTE:** The MW is the primary backup for the Ticket City Cactus Bowl if the Big 12 or Pac-12 does not fill.

**ABOUT THE COLLEGE FOOTBALL PLAYOFF**

In its second season, the College Football Playoff format remains unchanged: top four teams, two semifinals played in bowl games, and the national championship game played in a different city every year. Each semifinal will be played during the New Year's holiday with the national championship game in prime time on a Monday night at least a week later.

**THE SELECTION COMMITTEE**

A selection committee will choose the four teams for the playoff based on their performances during the regular season, including strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game.

**THE ROTATION**

The semifinals will rotate among six different bowls, extending the experience to more fans. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.
