### OFF THE TEE

- The Oklahoma men's golf team enters the postseason at the NCAA Albuquerque Regional as the nation's No. 1 overall seed. The team hasn't finished lower than runner-up at a tournament in its previous six tournaments. The Regional, slated for May 17-19 at the University of New Mexico Championship Course, will be contested over 54 holes of play, with five of the 14 teams advancing to the NCAA Championship.
- The Sooners, led by four All-Americans and 12th-year head coach Ryan Hybl, will make their 10th consecutive NCAA Regional appearance and 48th overall appearance in school history. It's the third straight postseason that the Sooners have been named a No. 1 seed, and Oklahoma is the only school in the nation to appear in every NCAA match play since 2016, winning the national championship in 2017. Oklahoma has won five NCAA Regionals in program history: 1989, 1995, 2001, 2015 and 2018.
- Hybl's team is fresh off a runner-up finish at the Big 12 Championship, where they finished one shot behind Oklahoma State. The Sooners have four team wins in 2020-21, second-most in a single season in Norman. More impressively, OU has grabbed a top-five team finish at 24 of its last 25 tournaments.
- Individually, the Sooners' lineup boasts three medalists in McAllister, Reband and Welch this year, while Cummins owns three runner-up finishes, and Brightwell has six top-10 placements. The lineup has played 78 rounds of postseason golf, more than any other team in the country, and has combined for 66 top-10 finishes, 101 top 20s and eight wins over their careers. Oklahoma is the only team in the country to have three players inside the PGA Tour U's top 17 rankings and place all five inside Golfweek's top 35. All of OU's starters rank inside the top 90 in the world, powered by No. 6 Reband and No. 16 Cummins

# RYAN HYBL

It took Ryan Hybl little time to return the Oklahoma men's golf program to national prominence.

Named OU head coach on June 22, 2009, Hybl took over a program that finished 10th in the 2009 Big 12 Championship and inside the top nine just once that spring and has guided it to the four best single-season scoring averages in school history and the NCAA Championships each of the last eight years. OU is one of just three teams to reach the national tournament in each of the past eight years, joining Illinois and Texas.

Hybl has coached 10 Sooners to a combined 18 All-America honors. Abraham Ancer was an honorable mention All-American in 2010-11, and Will Kropp earned the same acclaim in 2011-12. In 2014-15, a pair of Sooners grabbed the honor in Michael Gellerman (third team) and Grant Hirschman (honorable mention). The following season, Max McGreevy was named a third-team All-American. After the Sooners claimed the 2017 national title, McGreevy, Hirschman, Brad Dalke and Blaine Hale all earned honorable mention honors. In 2018, Quade Cummins, Dalke, Hale and Hirschman secured All-America honors. In 2019, Patrick Welch and Garrett Reband were named All-Americans, bringing Hybl's total to 10 players garnering 18 All-America honors.

The Sooners' steady improvement under Hybl led OU to the 2017 NCAA title, the second national championship in program history, during Hybl's eighth season as head coach.

The Sooners earned the 2017 national trophy with a 3-1 victory over Oregon in the final match, marking the first national title for the golf program since 1989.

After entering the tournament with the No. 13 seed in stroke play, OU finished second in stroke competition to advance to match play. In quarterfinal competition, the Sooners trailed in all five matches at one point and fell behind 2-0 but made a massive comeback to defeat Baylor, 3-2, and advance to the semifinals, where they downed Illinois 3-1.

OU followed up with another banner year in 2018, winning the program's first Big 12 title since 2006, advancing to the match-play competition at the NCAA Championships for the third straight year while four players earned All-America honors. After leading OU to five-team tournament titles in 2018, Hybl was honored as the Big 12 Coach of the Year.

In the COVID-shortened 2019-20 season, the Sooners were dominant once again, climbing to No. 1 in the GCAA and Golfweek poll and finishing the year ranked No. 2. The team took home trophies at both the Nike Collegiate and Ka'Anapali Classic. Under Hybl's guidance, both Quade Cummins and Garrett Reband repeated as All-Americans.

Hybl led his team to victories at the Gopher Invitational and the Lone Star Invitational in 2016-17. They also put together a program-record round, 267 (-21), in the third round of the Lone Star Invitational. Additionally, McGreevy, Hirschman and Dalke combined for five individual titles, marking a program record for the most individual wins in a season.

The Sooners' 2017 national championship run built on the success of that in 2016. Hybl led the 2015-16 squad to match play competition of the NCAA tournament, marking the first time in school history the Sooners had ever qualified. This achievement capped a successful two-win season for OU.

The most memorable moment of the 2014-15 season came at the NCAA San Diego Regional, where the Sooners rolled to a 20-stroke, wire-to-wire victory. The regional win was OU's fourth in program history and first since 2001. The win also marked the Sooners' third of the season and 10th overall under Hybl.

Hybl's 2013-14 squad secured three tournament titles, the most for the Sooners since the 1999-00 season. The Sooners tied for 16th at the NCAA Championships at Prairie Dunes Country Club in Hutchinson, Kan., with a three-round 854 (+14).

In the 2012-13 season, Hybl's Sooners yet again qualified for the national tournament. OU garnered an 11th-place finish for the second year in a row with a three-round 845 (+5) in Atlanta, Ga. Following the performance, OU finished the season ranked No. 24 in the final Golfweek/Sagarin poll.

In 2011-12, the Sooners made their second consecutive trip to the NCAA Championships. There the team posted a three-round 877 (+25) at the tournament in Pacific Palisades, Calif., en route to an 11th-place showing, the program's best since finishing ninth in 1993. For the season, OU set the school record for the number of birdies with 585.

OU's 2011 trip to the national tournament came in Hybl's second year and was the program's first in five seasons. Behind the play of first-team all-region selections Ancer and Ryan Sirman, the Sooners finished the campaign at No. 28 nationally in the Golfweek/Sagarin ratings. They produced a school record 14 rounds at par or better.

Hybl also presided over the Sooners' school-record-setting 48-under-par performance at the 2011 Desert Shootout in Goodyear, Ariz. Oklahoma won the tournament by 22 strokes and recorded three of the lowest seven rounds in program history. Included were the two best individual 54-hole scores in OU annals -- Ancer's 21-under-par 195 and Kropp's 15-under 201.

OU's quick turnaround under Hybl -- the Sooners won the season-opening Kansas Invitational in August 2009, their first event with him as head coach -- should come as little surprise. One of the most decorated golfers in University of Georgia history and a classroom standout, he also served a four-year stint as a Bulldogs assistant coach (2005-09), helping UGA to four straight NCAA top-10 finishes, SEC crowns in 2006 and 2009, and an NCAA East Regional championship in 2008.

During his time on staff, Georgia racked up 18 All-America honors (three first-

team) and 16 All-SEC accolades (12 first-team) and produced the 2006 SEC Player of the Year and the 2006, 2007 and 2008 SEC Freshman of the Year.

Hybl, the brother of former OU quarterback Nate Hybl, also played professionally while on staff at Georgia, competing in events on the Nationwide, Hooters and Tar Heel Tours. He recorded several top-10 finishes before retiring in April 2009 due to a career-ending elbow injury.

Hybl lettered from 2001-04, twice garnering All-America and All-SEC honors. He concluded his career with a scoring average of 72.7 and 13 top-10 finishes. He served as the team captain during his junior and senior seasons.

As a sophomore in 2002, Hybl was a first-team All-American and first-team All-SEC performer. He was Georgia's leader in each statistical category and ended the year ranked No. 7 by Golfweek/Sagarin. Hybl was chosen as one of the national semifinalists for the Ben Hogan Award and helped the 2002 United States Palmer Cup Team defeat Europe.

Hybl debuted as a Bulldog in 2001 by garnering third-team All-America and second-team All-SEC honors. At the Golf World Invitational, he led the victorious Bulldogs to team and event records for the lowest around and the lowest tournament total.

Hybl also excelled academically, earning a prestigious NCAA Postgraduate Scholarship. He earned the Joel Eaves Award as the male senior student-athlete with the highest grade point average and the Dick Bestwick Award for the top GPA among graduating male seniors. Hybl was named to the Dean's List, the President's List and the SEC Academic Honor Roll, and he was chosen as a Cleveland Golf Scholar All-American. He won the team's Howell Hollis Award three times for boasting the top GPA.

The Colbert, Ga., native graduated in 2004 with a degree in sports science.

Hybl arrived at Georgia as the No. 1-ranked junior golfer in the nation as determined by Golfweek. He was named the AJGA's 1998 Player of the Year, and he was a three-time AJGA All-American and a three-time member of the Canon Cup Team.

Following his college career, Hybl was a tournament director for the AJGA.

He is married to the former Rebecca Booker. They have two daughters, Adeline and Harper.

## OKLAHOMA ASSISTANT COACH BILL ALLCORN

Bill Allcorn is in his fourth season as the assistant coach at the University of Oklahoma.

In his first year with the Sooners, Allcorn helped OU reach the match play quarterfinals at the 2018 NCAA Championships. The team also claimed the 2018 Big 12 Championships and won five team titles, the program's most in one year since 1989.

Allcorn comes to OU after spending two seasons as a volunteer assistant men's golf coach with Baylor University. He also worked with Baylor's women's program in spring 2017.

Allcorn has also developed Explosive Golf Training, a program designed to help golfers maintain posture and balance while improving accelerating and decelerating abilities in their golf swing. He has consulted with multiple college golf programs and trained both professionals and high-level amateurs on his program.

As a golfer, Allcorn played professionally for eight years. He was the 2011 winner of the Adams Pro Tour State Money List, and he earned a number of victories on the Adams Pro Tour, in tour opens and in pro-am events.

Allcorn was a four-year letterwinner at Baylor. He competed in 38 tournaments during his career, claiming a title at the Bill Hill Invitational and finishing as runner-up in the 2009 Big 12 Championship.

He graduated cum laude in 2009 with a degree in economics. A two-time All-America Scholar, Allcorn was also a four-time member of the Academic All-Big 12 team and was named to the Big 12 Commissioner's Honor Roll 10 times.

A native of Abilene, Texas, Allcorn lettered in both golf and basketball at Abilene High School. He and his wife, Mallory, have two children.
