

TICKET OFFICE

Interns in the ticket office will learn all areas of ticketing and gameday preparation while working office hours as well as on game days. The Ticket Office internship is a paid position in which interns earn minimum wage as well as free game admission following their shift.

Interns will handle answering phones and emails as well as helping customers at the window selling tickets to all ticket athletic events - all while providing excellent customer service! In addition, interns will be responsible for selling tickets on game days during football, men's basketball women's basketball, volleyball, women's soccer, baseball and softball games, as well as other special athletic events.

SKILLS LEARNED INCLUDE:

- Ticket/Box Office Operations
- Ticket Sales Experience
- Paciolan Software
(a leading software in collegiate athletic ticketing)
- Customer Service
