ASSISTANT COACH | MORGAN SPEARMAN

Morgan Spearman enters her first season as an assistant coach with the Lobos after joining the program in June 2022.

In her role with UNM, Spearman's primary responsibilities will be hitting and outfield with recruiting as a secondary responsibility.

"We have worked together for five years now and balance each other well," stated Dickson. "Her strengths include player development and teaching the game, with an incredible work ethic and task efficiency, and preparation with scouting and practice plans. I'm excited to have her join UNM Softball."

As mentioned, the new Lobo coach has worked with Dickson for the past five seasons at Stephen F. Austin, working with the Ladyjack outfielders and hitters as well as handled team travel and program operations.

"First off, I want to thank Coach Dickson for this opportunity to come to The University of New Mexico with her," commented Spearman. "Working alongside Coach Dickson these last five years has been nothing but enjoyment. What I love most about working with her is the winning mindset and culture she brings.

"I am looking forward to getting on campus and starting to work with this program and awesome administration. Lastly, thank you Eddie Nuñez and David Williams for this opportunity as well. Go Lobos."

Working with Dickson, Spearman was instrumental to the Ladyjacks' success in winning the Southland Conference in 2021 and the WAC Southwest Division in 2022 and in accumulating 30-plus wins in four of the past five seasons. Working with the hitters, Spearman developed the 2021 Southland Hitter of the Year along with three named to the All-Southland First Team, two placed on the All-Southland Second Team and one on the All-Southland Third Team in 2021. This past year, Spearman helped two players earn All-WAC Second Team honors.

During her time at SFA, the Ladyjacks had two hitter of the year selections.

Previous to serving as the assistant coach at SFA, Spearman was an assistant coach at Eastern New Mexico from 2016-17 and was a graduate assistant at her alma mater, Angelo State, from 2014-16.

Spearman played collegiately at Angelo State from 2011-14, earning All-America honors in 2013 and 2014. Further, she was named to the first team all-region and a NFCA Third Team All-American in 2013 and in 2014, was named to the NFCA All-America First Team and named the Division II Softball Player of the Year Honda Cup Award winner. An outfielder, Spearman was the Lone Star Conference Player of the Year in 2014, and broke Angelo State and Lone Star Conference single-season records her senior season after hitting .506.

ASSISTANT COACH | SKYLAR BLACK

Skylar Black enters his first year as an assistant coach at UNM after being hired in July 2022.

As a former catcher at Stephen F. Austin, Black will oversee the catcher position and serve as the infield coach with the Lobos.

Black joins the program after serving as a volunteer assistant coach at SFA with the baseball team, where he garnered experience working with the catchers and was the secondary infield coach.

“I have worked with Skylar for two years, so he knows our expectations and culture,” stated Dickson. “He’s a high-character individual that is hard working and can teach and develop players defensively, which is what we need.”

“I am beyond excited to join Coach Dickson’s staff,” commented Black. “I have been able to watch her and Coach (Morgan) Spearman over the past five years, and I love the energy that they bring day in and day out. I can’t wait to get to campus and get to work.”

As aforementioned, Black was a catcher for the Lumberjacks. His senior season, Black was named to the 2021 All-Southland Conference Second Team after leading the team in total RBI (34), home runs (seven), total bases (74) and slugging percentage (.510). As a sophomore, he split time as catcher, first base and designated hitter.

After graduation, Black spent a season with the Missoula PaddleHeads in the Pioneer League.

VOLUNTEER ASSISTANT COACH | ANDREA HOWARD

She may have hung up her cleats, but Andrea Howard's time as a Lobo isn't over. UNM softball head coach Nicole Dickson added Howard as a volunteer assistant coach, with Howard assisting with the outfield and hitting.

"I didn't get enough of Lobo Softball," commented Howard. "I am grateful for this opportunity to continue sharing my love and knowledge of this sport to the next group of Lobo players. Go Lobos."

Howard needs no introduction to Lobo fans, having recently played for the program the past five seasons. An Albuquerque native, Howard graduated as the program's all-time leader in home runs and total bases, second in career slugging percentage, runs-batted-in and walks and fourth in on-base percentage.

Through her 222 games as a Lobo, starting in 221, Howard recorded 47 home runs, 380 total bases, 147 RBI, 123 walks and carried a slugging percentage of .637 and an on-base percentage of .427.

She was a three-time All-Mountain West honoree, became the only two-time first team Academic All-American in program history and is a three-time CoSIDA All-American.

Howard graduated from UNM in 2022 with a 4.12 GPA and graduated with a double major in biology and psychology.

THE UNIVERSITY OF NEW MEXICO

LOBO SOFTBALL FIELD

LOBO SOFTBALL FIELD UNDERWENT A RENOVATION PRIOR TO THE 2020 SEASON WITH UPGRADES TO THE FIELD, BATTING CAGES AND LOCKER ROOM.

THE UNIVERSITY OF NEW MEXICO

Founded in 1889 as New Mexico's flagship institution, The University of New Mexico now occupies nearly 800 acres near old Route 66 in the heart of Albuquerque, a metropolitan area of more than 500,000 people. From the magnificent mesas to the west, past the banks of the historic Rio Grande to the Sandia Mountains to the east, Albuquerque is a blend of culture and cuisine, styles and stories, people, pursuits and panoramas.
Offering a distinctive campus environment with a Pueblo Revival architectural theme, the campus buildings echo nearby Pueblo Indian villages. The nationally recognized campus arboretum and the popular duck pond offer an outstanding botanical experience in the midst of one of New Mexico's great public open spaces.

The People

As a Hispanic-Serving Institution, the University represents a cross-section of cultures and backgrounds. In fall of 2017, 25,015 students, attended main campus with another 7,609 students at branch campuses and education centers.
UNM boasts an outstanding faculty that includes a Nobel Laureate, two MacArthur Fellows, 35 Fulbright scholars and several members of national academies. Faculty publish in many professional journals including Scientific American, The New England Journal of Medicine and Nature. UNM professors have been quoted in Newsweek, Los Angeles Times, Business Week, People Magazine, Parade Magazine, U.S. News and World Report, and The New Yorker, among others. They have shared their expertise on CNN, the Today Show, Good Morning America, Nova National Geographic and other news shows.
UNM employs more than 20,000 people statewide, including employees of University Hospital. It has more than 159,000 active alumni, with Lobos in every state and more than 1,400 alumni outside the U.S. More than half of UNM's alumni choose to remain in New Mexico.

The Places

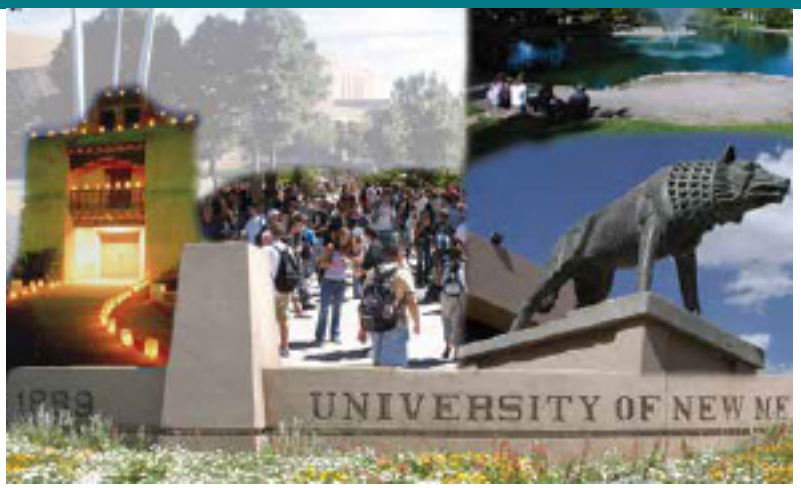

The University has branch campuses in Gallup, Los Alamos, Taos and Valencia County, plus UNM West, an extension campus in Rio Rancho. UNM offers bachelor and graduate degree completion programs throughout the state via Extended Learning and has education centers located at the four branch campus locations as well as in Santa Fe, Farmington, and at Kirtland Air Force Base.
UNM's libraries, museums, galleries and performance spaces are a rich cultural resources for the state. Home to the Lobos and contenders in the Mountain West, UNM athletics draws fans from all over. Dreamstyle Arena is one of college basketball's most famous and recognizable buildings. In fact, The Pit was ranked 8th by USA Today as one of the best arenas to watch college basketball.

The Programs

UNM is a place where cutting-edge research and creative endeavors flourish. UNM research injects millions of dollars into New Mexico's economy, funds new advancements in healthcare, and augments teaching – giving students valuable hands-on training in state-of-the art laboratories.

The Health Sciences Center is the state's largest integrated health care treatment, research and education organization. U.S. News and World Report's 2015 edition of "America's Best Graduate Schools" ranks the UNM

School of Medicine 40th in primary care and 83rd in research, while specific areas also rank again among the top 10 – rural medicine, second, and family medicine, ninth. Additionally, in health disciplines, UNM's nursing/midwifery program is ranked fifth. UNM School of Law is ranked 72th, while ranking ninth in clinical training. UNM College of Fine Arts is ranked 53rd, with its photography program ranked fifth in the nation. The engineering program is ranked 87th nationally, with electrical engineering coming in at 53rd, and Chemical Engineering ranking at 58th.

UNM is the only Hispanic-Serving Institution in the U.S. that is also classified a Carnegie Research University with Very High Activity. Recently, Hispanic Business Magazine ranked four University schools among the top 10. The list included: UNM School of Law, seventh; UNM Anderson School of Management, fourth; UNM School of Medicine, seventh; and the UNM School of Engineering, sixth.

Among the University's outstanding research units are the Center for Advanced Research Computing, Cancer Center, New Mexico Engineering Research Institute, Center for High Technology Materials, Design Planning Assistance Center, and the Mind Research Network.

UNM Traditions-The Lobo Nickname

A number of legends have arisen over the years as to how The University of New Mexico got "Lobo" as its official nickname. When the university began playing football in 1892, the team was simply referred to as "The University Boys" or "Varsities" to distinguish themselves from the prep school kids.

The student body, at least as early as 1917, began to seriously explore the possibilities for both a mascot and a new name for the student newspaper, which was then called simply the "U.N.M. Weekly." Several names for the paper were suggested, including The Rattler, the Sand Devil, the Ki-yo-te and the Cherry and Silver. However, there was no single name that struck a responsive chord among the students and when school opened in the Fall of 1920 the U.N.M. Weekly was still there.

On Sept. 22, 1920, sophomore George S. Bryan, editor of the U.N.M. Weekly and student manager of the football team, was present at a Student Council meeting for the purpose of suggesting that the University teams be given a mascot name as at that time many universities had mascot names for their teams. Bryan suggested Lobo, the Spanish word for wolf, as the nickname. The name was enthusiastically received. The Oct. 1 issue of the student paper said, "The Lobo is respected for his cunning, feared for his prowess, and is the leader of the pack. It is the ideal name for the

Varsity boys who go forth to battle for the glory of the school. All together now; fifteen rahs for the LOBOS."

From that beginning, the Lobo nickname has remained with The University of New Mexico for over almost 100 years.

UNM Traditions - The Lobo Mascot

After "Lobo" was adopted as the school's nickname in 1920, it was not long thereafter that a real Lobo became the mascot.

Bruno Dieckmann, class of 1902, and by 1920 a successful Albuquerque insurance and real estate agent, acquired the first Lobo for the University at his own expense. At the time he was treasurer of the Athletic Association and "one of the most admired men in town."

Elsie Ruth Chant, class of 1923, recalled, "All of the girls on campus wanted to be seen with him. He was an accomplished concert violinist as well as being a successful businessman, and he was rich. He drove a Stutz Bearcat convertible around town and all of the girls would compete to get rides with him. Sometimes he had five or six girls in the car, and when he finally got married, he left broken hearts all over campus. Anyway, he either caught it himself or he paid to have a wolf captured in the Mount Taylor area. The wolf was brought into the school and a student by the name of Bowman would take it on a leash to the football practice area."

Apparently, a government trapper named Jim Young caught a wolf pup on the Floyd Lee Ranch near Mount Taylor in western part of the state. The cub became the responsibility of the cheerleaders and it appeared in harness at every football game. However, in the late 20s, a child teased the wolf and the child was bitten at one of the games. UNM officials were forced to dispose of the wolf, as one historian put it, "for fear other ill-bred brats might become tempted to play with the wolf and bring a damage suit."

A live wolf was not a part of the scene for over 90 years, but recently, Zoerro the Wolf from the Wild Spirit Wolf Sanctuary has been at events for photo opportunities and to educate UNM fans on the wolves and to "educate the public about wolves, wolf-dogs, and other related species, our eco-system and how we all play a part in it, and the excellent, ethical care and treatment of all animals domestic and wild." In the early 1960s a human mascot named "Lobo Louie" was created. A second mascot, "Lobo Lucy" was created in the early 1980s. Both are now members of the school's cheerleading squad.

UNM Traditions - Cherry and Silver

The most common origin of New Mexico's school colors dates back nearly 100 years. Apparently, the school colors in the early 1890s were black and gold. Ms. Harriet Jenness, a faculty member who taught drawing, delsarte (drama), penmanship, and music, suggested a change in school colors because black and gold did not give a true feeling of New Mexico. She suggested the crimson evening glow of the majestic Sandia mountains to the east. The silver came from when students and faculty took picnics in the Sandias and noted the Rio Grande looked like a silver ribbon winding through the valley below. Her ideas were enthusiastically adopted by the faculty and staff. The crimson was later changed to cherry, the color of a Sandia sunset. Miss Jenness died in 1895, two years before the colors were adopted as "official." From 1973-79, turquoise was integrated into the official school colors, at least, for the athletics teams. The football team wore turquoise jerseys at home during those years. Cherry and silver returned as the predominant colors in 1980, and teams will now wear turquoise as an alternate or throwback jersey.

UNM Traditions - The Alma Mater

The Alma Mater (in Latin means "Nourishing" or "Dear Mother") was a source of contention at UNM in 1947. The original Alma Mater was set to the tune of "Annie Lyle," which was an unpopular tune with the student body for a long period of time. The student body voted in a general election to change the Alma Mater and found Glee Club Director Craig Summers to oblige. Actually Mr. Summers and his father wrote the present Alma Mater three years before and called it "The New Mexico Hymn."

New Mexico, New Mexico
We sing to honor thee.
This golden haze of college days
Will live in memory.
This praise we sing will ever ring
With truth and loyalty New Mexico, your fame we know Will last eternally.

UNM Traditions - The Fight Song

The UNM fight Song was written in 1930. The music to the Fight Song was written by Dean Lena Clauve, who served the University for 32 years as a professor of music education and as the Dean of Women. Dr. George St. Clair, professor in the English Department, wrote the lyrics.

Hail to thee, New Mexico,
Thy loyal sons are we. Marching down the field we go,
Fighting for thee.
RAH! RAH! RAH!
Now we pledge our faith to thee,
Never shall we fail.
Fighting ever, yielding never.
HAIL! HAIL! HAIL!

MISSION

The Lobo Center for Student-Athlete Success, in conjunction with the University of New Mexico, provides support services for prospective, current, as well as former student-athletes in an effort to increase academic and personal success. Student-athletes are encouraged to develop personal responsibility, intelligent decision making, and leadership skills through the provision of educational experiences both inside and outside of the classroom. The Lobo Center also celebrates the academic and civic achievements by our student-athletes.

SERVICES OFFERED

Study Hall

The study halls are sport specific and designed to accommodate each athletic team in a structured and professional academic setting. The atmosphere is intended to foster an environment that is conducive to learning and group facilitation.

Each team study hall is staffed and monitored by at least one study hall monitor. The study hall monitors are proficient in a myriad of subjects and provide assistance to the student-athletes when needed

Athletic Computer Labs

The athletic computer lab is an academic aid to student-athletes, and its primary purpose is to facilitate the scholastic pursuits of student athletes at the University of New Mexico.

Laptop Computers

Laptop computers are available to all student-athletes on a first come, first serve basis. The laptops are for student-athletes to use when they are on the road traveling for competition.

Learning Strategist

The Center also has an in-house Learning Strategist devoted to providing support to student-athletes who have been diagnosed with a learning disability as well as those who need additional instruction in specific content areas and general study skills. The Learning Strategist also provides workshops that address study skills and time management. Individual appointments can be made as needed as well as class specific reviews can be coordinated.

Books on Loan

A benefit of being a student-athlete on scholarship is an in-house bookroom where student-athletes can get their textbooks for their classes. Our bookroom administrator can look up student's class schedules to determine the necessary textbooks, which eliminates the time-consuming tasks of going to the bookstore to research the books for each class and then standing in long lines to purchase them!

Academic Monitoring

Student-athlete progress is monitored by the Student Support Staff, housed in the Lobo Center. Three times a semester instructors will provide feedback on student-athletes academic progress. Progress forms are sent at the 4th, 8th, and 12th week during the academic semester. The information provided in these forms are forwarded to coaches and used to help student-athletes with their academic progression.

Academic Advisement

Each student-athlete at UNM is required to meet with their athletic academic advisor at least once a semester for class registration advisement. Once a major is declared, the student athlete is required to meet their assigned major advisor at least once per semester and then return a completed pre-enrollment form to their assigned athletic advisor. An athletic academic advisor is always available to answer any and all questions.

University 101

University 101 is a three (3) credit hour course that is designed to help freshmen student-athletes successfully transition into life and learning at the university. This course provides freshman student-athletes with a special orientation to the university community, the UNM athletics program, and the NCAA rules and regulations. Although the course does not fulfill core curriculum requirements, it is applicable towards elective credit. Furthermore, it is required for all incoming freshmen scholarship student-athletes.
