2023 Marks the 127th Season of Wyoming Football:

The 2023 season will mark the 127th season of Wyoming Football. The Cowboys first season was 1893.

Since that first season, there have been only four seasons in which Wyoming has not played football. In 1918, Wyoming did not play any games due to an influenza epidemic. The other three seasons Wyoming did not field a team were 1943, '44 and '45 during World War II.

Wyoming Football's All-Time Record:

The Wyoming Cowboy Football program has played a **total of 1,186 games** in its history. Wyoming is 35 games under .500 all-time (561 wins to 596 losses), and has played 49 more road games than home games in its history (556 home games to 603 road games). The Cowboys played their **1,000th game** on Sept. 6, 2008, against Air Force.

War Memorial Stadium Hosts Its 74th Season in 2023, Wins 250th Game in Stadium History in Border War Victory Over Colorado State in 2021:

The 2023 college football season will be the 74th season of War Memorial Stadium.

The Cowboys won their 250th game in War Memorial Stadium on Nov. 6, 2021, with a 31-17 win over Colorado State.

Wyoming has won **66 percent** of its games in War Memorial Stadium.

"The War" first opened on Sept. 16, 1950, with UW recording a 61-13 win over Montana State. War Memorial's original capacity was 20,000 in 1950. It was expanded to 25,500 in 1970, and the seating was increased to a capacity of 33,500 in 1977.

Following reconstruction of the upper deck on the West side of War Memorial Stadium in the summer of 2004, the new capacity of War Memorial Stadium was 30,514. With the construction of the Wildcatter Stadium Club & Suites in 2009-10, the current capacity is 29,181.

"A successful athletics program generates excitement," Wyoming Gov. Matt Mead said in when fundraising was announced. "This leads to better student recruitment, better alumni support and stronger schools. I recommended \$20 million in matching funds for the expansion and renovation of the Rochelle Athletics Center for these reasons. I thank Marian H. Rochelle for this generous gift and her continued support of the University of Wyoming."

The project is funded by \$24 million in private donations that were raised by UW Athletics and the UW Foundation and \$20 million in state matching approved by Gov. Mead and the Legislature. Overwhelming interest by donors—55 total—saw the fundraising efforts completed ahead of schedule. Marian Rochelle and her family donated \$3 million as a leadership gift to kick off the project, and the combined gifts of Marian Rochelle and her daughter April Brimmer Kunz have since grown to \$4.1 million.

"Mick and Susie McMurry's generosity and their commitment to making the University of Wyoming a premier university in both athletics and academics will be symbolized by the High Altitude Performance Center that will bear their name," says Tom Burman, UW athletics director. "We also want to thank Marian Rochelle and April Brimmer Kunz for their generous lead gift for this project. And we of course want to thank Governor Mead and the members of the Wyoming State Legislature for making funds available to match the private funds that we raised for this facility."

"The High Altitude Performance Center will be one of the best facilities of its kind in all of college athletics. It will provide the student-athletes in all of our sports the athletic training resources to compete with the best in the nation, and it will provide our academic counseling unit exceptional resources to help our student-athletes achieve their educational and career goals."

"The Mick and Susie McMurry High Altitude Performance Center will redefine Cowboy football," says UW Head Football Coach Craig Bohl. "This facility will play a critical role in our vision of recruiting to what we call the Wyoming Profile. That recruiting effort involves attracting a young man who is committed to earning a meaningful degree from an outstanding academic institution and has a laser-like focus to win Mountain West Conference championships. The High Altitude Performance Center will put us at the top of the league in terms of training and academic facilities, which is where we also aspire to be on the field of competition."

The new facility will focus on the unique advantages of training at an altitude of 7,220 feet. From strength and conditioning training, to nutrition, to recovery and rehabilitation services following injuries, the HAPC will serve the needs of all of Wyoming's 400-plus student-athletes.

The facility's design will stay true to the architectural tradition of iconic sandstone buildings featured throughout the UW campus.

Located just beyond the north end zone, the High Altitude Performance Center will enhance the aesthetics of War Memorial Stadium. Due to its location, the HAPC will be highly visible for national television audiences. It will show the commitment that the state of Wyoming has in ensuring Wyoming Athletics continues to successfully compete at the NCAA Division I level -- the highest level of competition in college sports.

The ground level of the HAPC will house both an Olympic sport weight-training area and a separate strength and conditioning center for the Cowboy football team that will overlook Jonah Field. Also on the first floor will be a sports medicine area that will nearly double the size of its previous space, allowing for more effective and efficient treatment of UW student-athletes. The football locker room, like the football strength and conditioning area, will overlook the field and will include a player lounge.

The second floor will include an expansive academic center to house academic counselors, tutoring areas and a computer lab, as well as enhanced and renovated football offices, meeting rooms, a new recruiting lounge and the nutrition center/training table. The theater-style team meeting room will span both the first and second floors.

Construction on the project will begin after the conclusion of the 2016 Cowboy football season. It is estimated that the project will take 18-20 months to complete.

The original Curtis and Marian Rochelle Athletics Center was opened in 2001 at a total cost of \$9.4 million. Fundraising for the RAC included a historic \$4.2 million gift from the Rochelles, which was the largest donation in school history at the time. A total of 167 donors contributed to the original RAC.

Mick and Susie McMurry High Altitude Performance Center Benefitting All UW Student-Athletes:

The University of Wyoming held a Grand Opening for the Mick and Susie McMurry High Altitude Performance Center (HAPC) on Aug. 18, 2018. The HAPC is one of the preeminent athletic facilities in the country. It will add 71,000 square feet of new space and will expand the current Curtis and Marian Rochelle Athletics Center to over

HEAD COACH CRAIG BOHL

Craig Bohl will enter his 10th season leading the University of Wyoming Football program in 2023 and with his 10th season will be the longest tenured head football coach in school history. He was previously tied with former Cowboy head coaches John Corbe (1915-23) and Lloyd Eaton (1962-70), who each served nine seasons as head coach of the Cowboys. The 2023 season will be Bohl's as a head coach at the collegiate level. During the past nine seasons under the direction of Bohl, Wyoming Football has enjoyed of excellence that has never been reached in the rich history of Cowboy Football.

Bohl and his coaching staff became the first Wyoming Football staff to lead UW to three straight bowl victories -- the 2017 F Idaho Potato Bowl, the 2019 NOVA Home Loans Arizona Bowl and the 2021 Famous Idaho Potato Bowl.

He and his staff are the only football staff in Wyoming history to lead five different teams to bowl appearances. Wyoming's appearance in the Barstool Sports Arizona Bowl marked the fifth time in seven seasons (2016, '17, '19, '21 and '22) that Bohl has taken the Cowboys to a bowl bid, which is a first in school history. The Cowboys earned bowl eligibility a sixth time in the 2018 season.

In terms of success, the Cowboys have become regular contenders in the race for the Mountain West Conference title. The team concluded the 2022 season in second place in the Mountain Division. UW also finished second in its division in 2017. In 2016, Wyoming won the Mountain Division and hosted the 2016 Mountain West Championship Game by virtue of being the highest ranked team in the conference at the time of the championship game. UW has enjoyed five winning seasons in the seven seasons since winning eight games in 2016, '17 and '19 and recording seven wins in 2021 and '22.

Bohl served as President of the American Football Coaches Association (AFCA) for the 2022 college football season, having been elected as President at the 2022 AFCA Convention. He also served on the AFCA Board of Trustees. Bohl was appointed to the 13-member NCAA Division I Football Competition Committee in January of 2017 and has served on the NCAA Division I Football Oversight Committee.

During Bohl's tenure, Wyoming has had more former Cowboys on NFL rosters than at any other period in Wyoming history. In terms of NFL Draft picks, UW's most recent was linebacker Chad Muma, who was selected as the 6th pick in the 3rd round of the 2022 NFL Draft by the Jacksonville Jaguars. Muma became the eighth Wyoming Cowboy to be selected in the NFL Draft during the first eight seasons Bohl was the head coach at Wyoming. The previous NFL Draft picks during the Bohl era include Mark Nzeocha, LB (Dallas Cowboys, 7th Round, 19th Pick); 2017 Brian Hill, RB (Atlanta Falcons, 5th Round 12th Pick); 2017 Chase Roullier, C (Washington Commanders, Round 15th Pick); 2018 Josh Allen, QB (Buffalo Bills, 1st Round, 7th Pick); 2019 Marcus Epps, S (Minnesota Vikings, 6th Round, 18th Pick); 2020 Logan Wilson, LB (Cincinnati Bengals, 3rd Round, 1st Pick); and 2020 Cassh Maluia, LB (New England Patriots, 6th Round, 25th Pick).

Wyoming has had at least one player selected in six of the last eight NFL Drafts (2015, '17, '18, '19, '20 and '22) and twice had two players taken in the same draft (2017 and 2020). Three of Bohl's Cowboys have been part of Super Bowl Teams (Epps, Philadelphia Eagles' Super Bowl LVII team; Wilson, Cincinnati Bengals' Super Bowl LVI team; and Tyler Hall, CB, L.A. Rams' Super Bowl LVI Champions).

The success that Cowboy Football has enjoyed and the excitement generated around the program under Bohl's direction is just what UW Athletics Director Tom Burman had hoped for when he hired Bohl on Dec. 8, 2013.

When Bohl was hired as head football coach at Wyoming, he was open in saying that he wanted to bring Cowboy Football back to a place of national prominence.

The excitement surrounding Wyoming Football included the extensive coverage of former Cowboy quarterback Josh Allen, who was selected as the No. 7 overall pick in the 2018 NFL Draft by the Buffalo Bills. That marked the highest selection by a Wyoming Cowboy in the history of the program and was the second highest selection of a Mountain West player since Utah's Alex Smith was selected No. 1 in 2005 by the San Francisco 49ers. Leading up to Allen being drafted, Wyoming's Pro Day was covered live by both ESPN and the NFL Network. Beginning with the 2017 football season through the 2018 NFL Draft, media coverage of Wyoming Football for that time period was estimated by Joyce Julius & Associates at over \$159 million.

Cowboy linebackers Wilson (in 2019) and Muma (in 2021) were each one of only six national finalists for the 2019 and 2021 Butkus Awards, respectively. The Butkus Award honors the nation's top collegiate linebacker. Wilson earned multiple All-America honors, including being named a First Team All-American by Pro Football Focus, Second Team by USA Today and Third Team by the Associated Press. Muma was named a Second Team All-American by both the Walter Camp Football Foundation and Football Focus, while earning Third Team All-America honors from the Associated Press.

In 2018, Wyoming had two finalists for national awards for the first time in program history. Place-kicker Cooper Rothe was one of three national finalists for the Groza Collegiate Place-Kicker Award, that honors the nation's top collegiate place-kicker each year. Free safety Marcus Epps was one of only three national finalists for the Burlsworth Trophy, which is awarded to the most outstanding football player in America who began his career as a walk-on. Epps went on to be drafted by the Minnesota Vikings in the sixth round of the 2019 NFL Draft.

A total of four Cowboys have earned All-America honors during Bohl's tenure. Two Cowboys earned All-America honors in 2016 in running back Brian Hill (Third Team by College Sports Madness), and center Chase Roullier (Second Team by USA Today). They joined linebackers Wilson in 2019 and Muma in 2021 in being selected All-Americans.

During Bohl's tenure as Wyoming's head coach, he has had a freshman earn Freshman All-America honors from the Football Writers Association of America (FWA) five times. The most recent Cowboy freshman to receive the honor was place-kicker John Hoyland in 2020. The other four Freshmen coached by Bohl to be named Freshman All-Americans by the FWAA were: safety Andrew Wingard (2015), linebacker Logan Wilson (2016), center Keegan Cryder (2018) and defensive end Solomon Byrd (2020). College Football News (CFN) named offensive guard Emmanuel Pregoner a Second Team Freshman All-American in 2022 and defensive end Braden Siders joined him in CFN Honorable Mention selection.

The Wyoming Cowboys entered the 2022 college football season as the fourth youngest team in the country. But given that, the Cowboys went on to record a record, finish second in the Mountain West Conference Mountain Division and earn a spot in the Barstool Sports Arizona Bowl. Along the way the '22 Cowboys defeated Air Force, Colorado State, Hawai'i, Utah State and American Athletic Conference member Tulsa.

The 2021 season saw the Cowboys score its most points ever in a bowl game in a dominant 52-38 win over Kent State. The Cowboy rushing attack once again among the best in the nation at No. 20, and the Wyoming pass defense ranked No. 12 in the country in fewest passing yards allowed.

In 2016, Bohl's team defeated two Top 25 ranked opponents, was named the National Team of the Week by the Football Writers Association of America (FWA) one of those wins and received votes itself in the national polls. Wyoming also captured the Mountain Division title of the Mountain West Conference, earned the right to host the 2016 MW Football Championship Game as the highest ranked team in the conference and was invited to the San Diego County Credit Union Poinsettia Bowl. His Cowboys ended the year with an 8-6 record and featured one of the NCAA's top scoring offenses, averaging 35.9 points per game to rank No. 25 in the nation. was recognized for his turnaround of Cowboy Football by being named the 2016 Mountain West Conference Coach of the Year in voting by conference head coaches and media.

Bohl came to Wyoming after building a national power at North Dakota State as a head coach for 11 seasons from 2003-13. His teams won three consecutive Championships at the NCAA Football Championship Subdivision (FCS) level in 2011, '12 and '13. NDSU became only the second FCS school in NCAA history to win three consecutive national football titles, tied the FCS record for consecutive wins (24 from 2011-13) and became the first undefeated FCS National Champion since 1996.

In 2012 and '13, Bohl received both The Sports Network Eddie Robinson FCS National Coach of the Year Award and the American Football Coaches Association FCS National Coach of the Year Award. He became the first coach in the first 27 years of the Eddie Robinson Award to win it in consecutive seasons. In 2013, he also received the Liberty Mutual FCS Coach of the Year Award, which is presented in partnership with the National Football Foundation and College Football Hall of Fame. His other National Coach of the Year honor came in 2006, when he was recognized by the Football Gazette as the FCS National Coach of the Year and the Northwest Regional Coach of the Year.

In addition to his 20 years of experience as a head coach, Bohl has 19 years of experience as a full-time assistant coach at the collegiate level and three seasons as a graduate assistant. His last eight years as an assistant coach were spent at his alma mater Nebraska. He was the linebackers coach under head coach Tom Osborne for two of those seasons and was part of the 1995 and '97 Nebraska National Championship teams.

Born July 27, 1958, Bohl will be 65 years old when the 2023 season kicks off. He earned his bachelor's degree in business administration from Nebraska in 1982. Bohl's family includes wife Leia, and children Mallory and Morgan, Aaron and Elijah.

About New Mexico: New Mexico is off to an average start this season. The Lobos have traded losses for wins, which has resulted in a 2-2 record through four games. They are fresh off an overtime road victory at UMass, which made them 1-1 in road games in 2023.

The offense is led by quarterback Dylan Hopkins who has passed for 827 yards on 57 of 97 accuracy and six touchdowns. He's also rushed it 18 times for 80 yards and a score. Jacorey Croskey-Merritt leads the ground attack, accumulating 328 yards and seven touchdowns. Duece Jones has reeled in six catches totaling 159 yards with one score.

The defense is paced by safety Tavian Combs who has piled up 33 tackles this season. He's added two tackles for loss, one pass break-up, one quarterback hurry, one forced fumble and a blocked kick.

Head Coach Danny Gonzales: Danny Gonzales, a native of Albuquerque who played football at Valley High School before playing for UNM and then serving as an assistant coach, has come home.

Gonzales, who has taken part in bowl games in 14 of the past 17 seasons, enters his fourth season as the head coach of The University of New Mexico. Gonzales was hired on December 17, 2019. The announcement was made by Director of Athletics Eddie Nuñez at halftime of a Lobo men's basketball game, and then he was formally introduced at a press conference the next day in The Pit.

The Lobo head coach is certainly familiar with UNM, as a player, staff member and as a Lobo assistant coach, as well as through his time coaching against UNM. He joined his mentor and former coach Rocky Long as Lobo football players returning to coach their alma mater. In a 2006 article in the Albuquerque Journal, Long predicted that Gonzales would one day be the head coach of the Lobos.

Pokes' Overtime History: Wyoming has played 20 overtime games in its history. The most recent overtime game the Cowboys against Texas tech on Sept. 2. The Cowboys downed the Red Raiders 35-33 in double overtime. Wyoming has played five overtime games at home in War Memorial Stadium. Three of Wyoming's 19 overtime games have been played on neutral sites. The other 11 overtime games have been played on the road.

RECAP: The Wyoming Cowboys sealed one of the most thrilling wins in program history Saturday night in Laramie as they scored the winning two-point conversion in the second overtime to defeat Texas Tech, which entered the game ranked No. 24 in the nation in the Coaches Poll.

"That's a cowboy-tough win," UW head coach Craig Bohl said postgame. "Andrew Peasley, he's as tough as boot leather. Hats off to Texas Tech. Coach McGuire is doing a great job. He's a perfect fit. Both he and I knew it would be a tight ballgame. I'm really proud of our football team. I think our maturity showed because we did not start fast. Every checkpoint I talked about in the pregame meal about what we needed to do, it's 17-0 and I thought, "Did these guys even listen to that?" There was certainly an amount of frustration, but the players worked through those mistakes and good things started to happen. Texas Tech is ranked, and they deserved to be ranked. We beat a good football team tonight. We have passionate fans. They were on pins and needles because they bleed brown and gold. It was neat to see our players enjoy all the fans on the field."

The Cowboys scored their winning touchdown in the second overtime on a fourth and seven from the Texas Tech 11-yard line. Cowboy quarterback Andrew Peasley faced a blitzing Red Raider but calmly found tight end John Michael Gyllenborg across the middle for the touchdown to tie the game at 33-33. The Cowboy defense had already denied Texas Tech on their two-point conversion in the second overtime. The Cowboys then turned to sophomore running back Sam Scott. Peasley handed off to Scott who burst through the line and into the end zone to give the Cowboys their 35-33 victory.

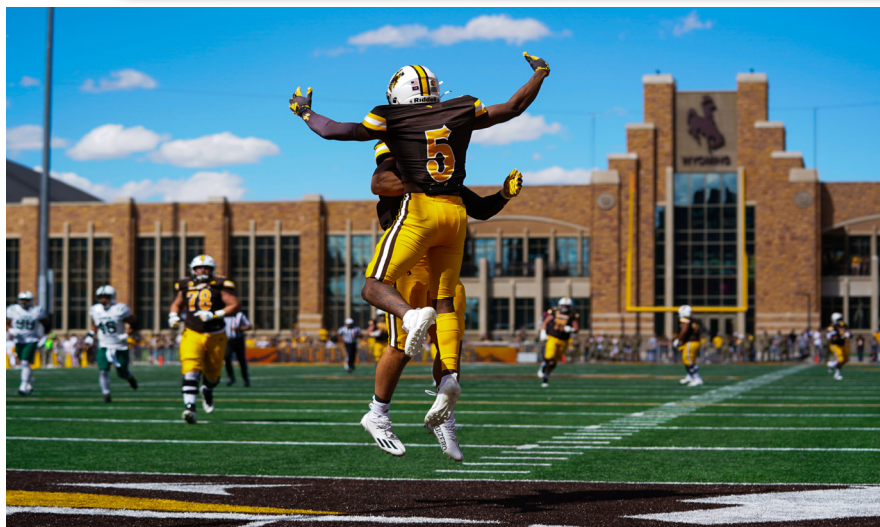

It was the first win for the Pokes over a Top 25 team since the 2016 season. In 2016, Wyoming defeated San Diego State on Nov. 19 in Laramie by a score of 34-33. The Aztecs were ranked 24th in the Associated Press poll and 25th in the Coaches poll at the time. Earlier in the 2016 season, the Cowboys defeated Boise State on Oct. 29 by a 30-28 score. The Broncos were ranked 13th in both national polls at the time.

"This is the type of team we have," Bohl said. "And that started back after the bowl game. You don't come up with these kind of wins without great chemistry because what occurs when you don't have great maturity or great chemistry and you're down like that, I've seen some ugly things get said on the sidelines and finger points. Guys were certainly upset, but they were encouraging one another."

Saturday's win was the fourth time that Wyoming has defeated a team from an autonomous five conference in Laramie since 2004. UW also defeated Ole Miss in Laramie in 2004 (37-32), beat Virginia (23-3) in 2007 and defeated Missouri (37-31) in 2019. Like Saturday's win over Texas Tech, the wins over Virginia and Missouri came in Wyoming's season openers those seasons.

RECAP: The Wyoming Cowboys (2-0 overall) used three scores from the air in a 31-17 win over Portland State (0-2 overall) on Saturday afternoon in War Memorial Stadium. The Wyoming defense also recorded nine tackles for loss including four sacks on their way to the victory.

"I'm pleased that we won the game," UW head coach Craig Bohl said. "I knew we had much more of challenge than people on the outside felt. We certainly did some good things, but there are some things we can learn from. It'll be a great opportunity for us to fix some things. We are 2-0. Portland State fought and I knew they would. I've been an FCS coach and those guys, they got good players. Coach Barnum does a good job, and we are pleased we won."

Wide receiver Ayir Asante added a pair of touchdowns, the first of his career with the Brown and Gold in the victory. He had 78 yards receiving on the two catches including one for 64 yards, the longest since the 2018 season. Quarterback Andrew Peasley was 11-of-16 passing with a career-high three touchdown passes and one interception. Wide receiver Wyatt Wieland led the team with three catches for 50 yards and a score. Running back Sam Scott added a career-high 70 yards rushing on 11 carries. John Hoyland tied a career-high with a 56-yard field goal in the contest and from that spot this season.

"I think (Asante) can have a big impact," Bohl said, "He's really smooth. He catches the ball well. He has really good speed. He's one of the fastest players on the team. John Hoyland is coming up big again and again. Two 56-yarders is really impressive."

The Wyoming defense was paced by Nickel Wrook Brown and linebacker Easton Gibbs with eight tackles. Safeties Wyatt Ekeler and Isaac White added seven tackles with Ekeler adding an interception for the second of his career. The interior of the defensive line had a strong day with Jordan Bertagnole adding seven tackles with a sack and Cole Godbout adding seix tackles with 2.5 tackles for loss and 1.5 sacks, giving him 24 tackles for loss for his career, which moved him into a tie for ninth in school history with Ward Dobbs.

The Wyoming offense recorded 371 yards of total offense on the day with 201 passing and 170 on the ground. Portland State had 344 yards of total offense with 254 passing and 90 on the ground. The Cowboy offense averaged 12.6 yards per passing completion with the Vikings adding 6.5 per catch.

RECAP: The Wyoming Cowboys gave everything the fourth-ranked Texas Longhorns could handle but fell just short by a score of 31-10 on Saturday evening in Darrell K Royal Stadium in Austin, Texas. The Pokes and Longhorns were tied going into the fourth as Wyoming held Texas to only 316 yards of total offense, nearly 150 less than their win at Alabama last week.

"Hats off to Texas," head coach Craig Bohl said. "Our plan was to take them into the fourth quarter and hopefully come up with a couple plays. I think we certainly did that, but on the flip side, they came up with some plays. I thought our guys came into an imposing environment, and the moment was not too big. I thought our coaches came up with a good game plan to make them do some things they didn't want to do."

The Pokes were paced by running back Harrison Waylee, who had 110 yards in his first 100-yard rushing game for the Cowboys. It is the ninth of his career after recording eight at Northern Illinois. He recorded a 62-yard touchdown in the contest. Quarterback Evan Svoboda made his first career start, going 17-of-28 passing for 136 yards. Wide receiver Wyatt Wieland recorded a career-high eight catches for 62 yards.

The UW defense was led by linebacker Easton Gibbs with 10 tackles. Safety Wyatt Ekeler added nine tackles. Defensive end Sebastian Harsh added a career-high seven tackles with his first career sack. He had two tackles for loss in the contest.

The Pokes held the Longhorns to only 316 yards of total offense, and they passed for only 131 yards. The Pokes threw for 136 yards and rushed for 155 in the contest.

The Cowboys got off to a banner start with Waylee taking it to the house from 62 yards on the opening drive. It was just his second carry with the Brown and Gold. The Longhorns responded with a 37-yard field goal from Bert Auburn to make it 7-3 Pokes with 9:46 left in the first quarter.

Texas took a 10-7 lead on Wyoming in the opening minutes of the second quarter on a one-yard pass from quarterback Quinn Ewers to Byron Murphy.

The Cowboys would get a stop on the first drive of the second half for the Longhorns thanks to a sack from Sebastian Harsh. The Pokes used a 17-play, 77-yard drive ending in a John Hoyland 37-yard field goal to tie the contest at 10-10 in the closing minutes of the third quarter.

Texas responded with a scoring drive ending in a 44-yard touchdown pass from Ewers to wide receiver Xavier Worthy to take a 17-10 lead in the opening minute of the fourth quarter.

The Longhorns were led by Ewers throwing for 131 yards with two touchdowns. Jonathon Brooks rushed for 164 yards in the contest.

RECAP: The Wyoming Cowboys once again showed how much heart they have as they came back from a 12-point deficit (19-7) early in the fourth quarter to rally for a 22-19 victory over Appalachian State. The Cowboys improved to 3-1 on the season with the win.

At the 11:42 mark of the fourth quarter, Appalachian State cornerback Tyrek Funderburk intercepted a Wyoming pass and returned it 18 yards to give the Mountaineers a 19-7 lead and things looked bleak for Wyoming. But the Cowboy players' resolve would show on the very next play from scrimmage. Starting their next possession at their own 25-yard line, Cowboy quarterback Andrew Peasley handed the ball off to running back Harrison Waylee, who broke through the left side of the Wyoming offensive line and went 75 yards untouched to put the Pokes right back in the game at 19-14 with 11:31 remaining in the game.

Appalachian State then took the ball on its next possession and possessed the ball for 18 plays and nine minutes and 32 seconds driving down to the Wyoming 29-yard line where the Mountaineers set up for a 47-yard field goal to try to extend their lead. But with only 2:02 remaining the Cowboys once again showed their resolve. The defense forced pressure up the middle on the FG attempt as defensive end DeVonne Harris blocked the kick and UW cornerback Jakorey Hawkins picked up the blocked kick and returned it 62 yards for an amazing touchdown to give Wyoming a 20-19 lead. The Cowboys then set up for a two-point conversion to try and stretch the lead to three points. Peasley would connect with tight end John Michael Gyllenberg on a short pass and Gyllenberg forced his way into the end zone for a 22-19 Wyoming advantage. It was the first time in the history of Wyoming Football that the Cowboys scored a touchdown off a blocked field goal.

After the two-point conversion, only 1:52 remained. Appalachian State needed a field goal to tie the game. The Mountaineers would pick up four first downs and drive from their own 31-yard line down to the Wyoming 20 when they attempted one more pass on a first down play. But under pressure from Cowboy defensive tackle Jordan Bertagnole, App State quarterback Joey Aguilar threw over the middle where UW nickel back Wrook Brown intercepted the pass at the Wyoming six-yard line with only 12 seconds remaining to seal the 22-19 win.

"Just when I think I've seen it all in 40 years, I have not seen it all," said Wyoming head coach Craig Bohl. "Obviously, we are really excited about the win and the resolve of our players and the belief. That's outstanding. We need to build off this."

"Appalachian State is a really good football program and a really good team. We did not play up to our capabilities, particularly on offense, for the majority of the game."

"This team believes in one another. They're poised. They keep playing hard. I've seen other teams start to fracture, and that was not the case here. We beat a really good football team in an unconventional way, and we are going to take it. We are celebrating the win. We have a lot of work to do, but I'm going to enjoy tonight."
