HEAD COACH | NICOLE DICKSON

Nicole Dickson enters her third season as head coach of the Lobo softball program in 2024-25. Hired on June 3, 2022, Dickson is the sixth head coach in program history.

In addition to head coach duties, Dickson works with the pitchers and infielders

The Lobos took significant statistical strides in her first two years in Albuquerque, producing numbers and wins that hadn't been achieved in several years. This past season, the Lobos won in Boise for the first time since 2016 and won against Boise State for the first time since 2021. In addition, the Lobos' sweep of Utah State was the first sweep of a Mountain West opponent since 2016 and the first sweep of the Aggies since 1989; the Lobos earned their first win over UNLV since 2021 and beat Fresno State twice for the series win after having only nine wins total all-time against the Bulldogs entering the season. Statistically, UNM finished with 60 errors with the last time the team finished with 60 or fewer errors was back in 2014. The Lobos had three players earn Mountain West Freshman of the Week awards (McKenna Guest, DeNae Vasquez-Dickson and Katherine Brunner), the second most among MW schools, with the freshmen finishing among the top of the NCAA in several statistical categories. Through the regular season, Guest's 40 appearances tied for fourth in the NCAA, but most among freshmen, and tied for the third most in a season in program history. In addition, her 24 starts tied for the sixth most by a freshman pitcher in the NCAA and her 147.0 innings tied for the 11th most by a freshman pitcher. For Vasquez-Dickson, her 15 sac bunts were the most by a freshman in the NCAA, led the MW and third in the NCAA.

In the last two years, UNM has had five MW Freshmen of the Week, two MW Players of the Week and two MW Pitchers of the Week.

Further, in the last two years, the Lobos stole 77 bases, the most in a two-year span since 2013-14 (85) and turned a combined 41 double plays, the most in a two-year span since 2015-16 (also 41). In the season opener against Tennessee State, Keyannah Chavez finished with three stolen bases, the most for a Lobo in a single game since 2017, and as a team, the Lobos had six stolen bases, the most in a game since 2018. The Lobos beat that mark on Feb. 16 against Marist, stealing seven bases, the most in a single game for the Lobos since 2010.

In her first season, UNM's .299 batting average was the best since 2015 and tied the best average for the program in the last 11 years. The 399 hits and 231 runs scored were the most since 2015 and 2016, respectively, and the 214 RBI and .368 on-base percentage were the highest since 2015. The team's 14 triples were the most in a single season since 2010 and the Lobos' 40 stolen bases were the most since 2013. Defensively, the Lobos led the MW with 22 double plays, the most turned since 2016 and the four shubuts were the most since 2016.

Additionally, UNM jumped in the NCAA rankings from the year prior in eight categories: batting average (a ranking improvement of 86 spots), triples per game (88 spots), stolen bases per game (87 spots), runs (49 spots), on-base percentage (46 spots), slugging percentage (12 spots), shutouts (16 spots) and double plays turned (141 spots). The Lobos ranked 45th in batting average, 27th in double plays per game, 29th in triples per game, 68th in on-base percentage and 88th in slugging percentage.

It didn't take long to see the potential as with UNM's season-opening win over Nicholls, Dickson became just the second Lobo head coach in program history to win in their coaching debut, doing so with the largest margin of victory (12-3 in five innings). Three games later, Dickson the Lobos made more history, beating No. 19 Oregon State 8-0 in five innings for UNM's first win over a ranked opponent since 2016 and UNM's first run-rule win over a ranked opponent since 2016

During the season, Dickson guided the Lobos to their first series win over Nevada since 2015, UNM's 8-0 win over SJSU on March 25 was the first shutout against the Spartans since May 8, 2015, and the 12 runs scored against CSU on April 16 were the most runs the Lobos have scored against the Rams since April 15, 2016. In the March 19th win at Utah State, the Lobos finished with 18 hits, 15 runs and struck out 14 Aggies, with the 18 hits the most since 2018 and the 15 runs were the most since 2019. The 15 runs were the most against the Aggies since April 26, 2014, and the 14 strikeouts by Amber Linton were the most in a game by a Lobo since 2013.

Among the conference, UNM had players in the top four in the MW in batting average (Rachael Hathoot second at .396 and Peyton Robinson fourth at .380), two players in the top 5 in the MW in hits (Robinson fourth at 60 and Hathoot fifth at 59), two players in the top 2 in triples (Hathoot first at seven and Ashley Archuleta tied for second at 5) and had two MW Player of the Week, one Pitcher of the Week and two Freshman of the Week honors.

UNM produced two All-Mountain West First Team members in Archuleta and Hathoot, who each had their best seasons in a Lobo uniform.

Hathoot produced her best season as a Lobo with 59 hits, nine doubles, seven triples, 31 RBI, 91 total bases, 12 walks, 38 runs scored, a. 396 batting average, .452 on-base percentage and .611 slugging percentage and her seven triples tied for the third most in a single season in program history, last done in 1998. Her 59 hits were more than her freshman and sophomore seasons combined, as were her total bases. Further, she had a career-best 15-game hit streak and career-best 20-game streak of reaching base, while also leading the team with 18 multiple hit games, five games with three hits and had seven multiple RBI games with a career-high five RBI against NMSU. Among the MW, the Lobo led the MW in triples and assists (114), was second in fielding double plays, second in batting average, fifth in hits, eighth in slugging percentage and total bases and ninth in on-base percentage. Archuleta finished with 43 hits, four doubles, five triples (tied for the ninth most in a single season in program history) and three home runs, 25 RBI and 66 total bases, had a .508 slugging percentage, .331 batting average and .401 on-base percentage. She finished with she best season as a Lobo in terms of home runs, triples, batting average, slugging percentage and stolen bases.

In the circle, Amber Linton recorded a MW-best 164 strikeouts and set a program record in strikeouts per game at 7.24, besting her own program record of 6.97 she set in 2022. Her 14 complete games doubled her total from the previous year and she also registered 15 games with five or more strikeouts and three games with 10-plus strikeouts, an improvement over last season as well.

Nationally, Hathoot finished 53rd in the NCAA in batting average, fifth in triples and seventh in triples per game, Archuleta finished 28th in triples and 30th in triples per game, Robinson finished 30th in sacrifice bunts and Linton finished 58th in strikeouts.

At the conclusion of the 2024 season, the Lobos added another All-Mountain West First Team selection in Hathoot, with Hathoot becoming just the third two-time first team recipient in program history and one of 13 Lobos all-time to earn multiple MW all-conference postseason awards. On the season, Hathoot carried a career-best 27-game streak of reaching base and a 17-game hitting streak with a career-best 20 multiple hit games. Additionally, she led the Lobos with an overall batting average of .382, 66 hits and 37 runs scored with her 66 hits the most for a Lobo since Mariah Rimmer's 67 in 2016 and the 8th-most hits in a single season in program history

In Dickson's first two years, the Lobos also cultivated a standard of success in the classroom, producing the two highest GPAs in program history during the 2023-24 academic year after establishing a program record of 3.59 in the fall and besting that with a 3.63 in the spring Additionally, the Lobos added a 3.58 GPA in the fall of 2024, the third-highest GPA in program history, signifying the last three semesters having been the three highest in program history. In

total, Dickson's last four semesters have produced four of the top-5 highest GPAs in the last 10 years (not including COVID year). In the last five semesters under Dickson, the team GPA has improved from 3.47 to 3.63. The Lobos had a program-record 16 on the Spring 2023 Academic All-Mountain West Team and a program-record 12 named a MW Scholar-Athlete, which improved to a MW- and program-best 20 MW Scholar-Athletes in 2024 and 14 on the Spring 2024 Academic All-Mountain West Team.

"I am excited to have Nicole join the Lobo Family," said Vice President/Director of Athletics Eddie Nuñez at the time of her hire. "She has been highly successful at multiple levels and she has a history of building programs. Her vision for what Lobo Softball can be, and how to build it, is what we need to bring our program to a championship level."

Prior to arriving at UNM, Dickson spent six seasons as the head coach at Stephen F. Austin, with the Ladyjacks surpassing 30 wins in four of five seasons and were on pace for another stellar result in the shortened 2020 season with a 19-4 record. Through her six seasons, Dickson compiled a 169-123 record and was named the 2021 Southland Conference Coach of the Year.

Under her leadership, SFA had 20 all-conference selections, as well as two hitter of the year and pitcher of the year selections, a player of the year and a freshman of the year.

"I am grateful for the opportunity to join UNM Athletics," Dickson stated upon her selection as the new Lobo head coach. "I really value, and aligned with, the core values and vision for the program. Both Eddie Nuñez and Deputy A.D. for External Affairs Dave Williams are all in, and are willing to support the student-athletes to have a quality experience and want to see softball be successful. I loved the community and coaches and the beautiful campus sells itself.

"I am excited to work with the student-athletes and develop a competitive, hard-working culture focused on getting better every day. The goal is to compete for championships and represent the campus and community positively on and off the field."

In her last season at SFA, the Ladyjacks went 18-6 in conference play and 31-27 overall, winning the Southwest Division and advancing to the WAC Tournament final as the No.2 seed. The Ladyjacks had three players make the All-WAC team with Kassidy Wilbur claiming Pitcher of the Year. Wilbur struck out a conference-best 219 batters, holding the opposition to a .211 batting average while recording a WAC-high 37 appearances and tying the WAC lead in wins with 19. In her 18 complete games, she recorded a conference-high six shutouts.

Prior to that, the Ladyjacks won their second Southland Conference regular season title in 2021 with a 35-12 overall and 25-2 conference record, resulting in Dickson being selected Coach of the Year.

As a result of Dickson's and the Ladyjacks' success, three players were named to the 2021 NFCA All-Region Division I teams, with two first team selections and a third team selection. In addition, under her guidance, SFA had seven named to the all-conference teams that included the Southland Conference's Pitcher of the Year, Hitter of the Year and Player of the Year, Wilbur was also named Southland Conference Pitcher and Player of the Year in the league, the first time a Ladyjack has collected both honors simultaneously, as well as named a JWOS All-American Second Team.

Further, in 2021, the program set three program records. SFA's 25 league wins and just two conference losses were a program best, with the team setting another program record with 18 consecutive wins.

In the shortened 2020 season, Dickson and the Ladyjacks went 19-4 and set a program record with a then-13 consecutive wins with a NCAA Division I best nine true road wins. In the 2019, SFA went 36-23, compiling wins over Power Five programs Illinois, Mississippi State, Indiana and Baylor.

Before taking the helm at SFA, Dickson gained experience as the head coach at Tyler Junior College (2013-16) and a spent a year as the head coach at Paris Junior College (2012-13). Dickson got her start in coaching as a graduate assistant at Hardin-Simmons in 2008 before getting her first coaching job as an assistant coach at Howard College in 2010.

Dickson earned a B.S. in health and physical education from Eastern New Mexico in 2008 and earned a master's in sports management and kinesiology from Hardin-Simmons in 2009.

ASSISTANT COACH | MORGAN SPEARMAN

Morgan Spearman enters her third season as an assistant coach with the Lobos in 2024-25 after joining the program in June 2022. Spearman's primary responsibilities are overseeing the hitting and working with the outfielders.

The Lobos took significant statistical strides in the first two years, producing numbers and wins that hadn't been achieved in several years. This past season, the Lobos won in Boise for the first time since 2016 and won against Boise State for the first time since 2021. In addition, the Lobos' sweep of Utah State was the first sweep of a Mountain West opponent since 2016 and the first sweep of the Aggies since 1989; the Lobos earned their first win over UNLV since 2021 and beat Fresno State twice for the series win after having only nine wins total all-time against the Bulldogs entering the season. The Lobos had three players earn Mountain West Freshman of the Week awards (McKenna Guest, DeNae Vasquez-Dickson and Katherine Brunner), the second most among MW schools, with Vasquez-Dickson's 15 sac bunts the most by a freshman in the NCAA, led the MW and third in the NCAA.

In her first year working with the hitters, Spearman guided the Lobos to results that hadn't been achieved in several years. UNM's .299 batting average was the best since 2015 and tied the best average for the program in the last 11 years. The 399 hits and 231 runs scored were the most since 2015 and 2016, respectively, and the 214 RBI and .368 on-base percentage were the highest since 2015. The team's 14 triples were the most in a single season since 2010 and the Lobos made improvements in batting average, on-base percentage, runs scored, hits, and slugging percentage.

Additionally, UNM jumped in the NCAA rankings offensively from a season ago in: batting average (a ranking improvement of 86 spots), triples per game (88 spots), stolen bases per game (87 spots), runs (49 spots), on-base percentage (46 spots), slugging percentage (12 spots). The Lobos ranked 45th in batting average, 29th in triples per game, 68th in on-base percentage and 88th in slugging percentage.

Among the conference, UNM had players in the top four in the MW in batting average (Rachael Hathoot second at .396 and Peyton Robinson fourth at .380), two players in the top 5 in MW in hits (Robinson fourth at 60 and Hathoot fifth at 59) and two players in the top 2 in triples (Hathoot first at seven and Ashley Archuleta tied for second at 5).

Hathoot produced her best season as a Lobo with 59 hits, nine doubles, seven triples, 31 RBI, 91 total bases, 12 walks, 38 runs scored, a .396 batting average, .452 on-base percentage and .611 slugging percentage and her seven triples tied for the third most in a single season in program history, last done in 1998. Her 59 hits were more than her freshman and sophomore seasons combined, as were her total bases. Archuleta finished with 43 hits, four doubles, five triples (tied for the ninth most in a single season in program history) and three home runs, 25 RBI and 66 total bases, had a .508 slugging percentage, .331 batting average and .401 on-base percentage. She finished her best season as a Lobo in terms of home runs, triples, batting average, slugging percentage and stolen bases.

Nationally, Hathoot finished 53rd in the NCAA in batting average, fifth in triples and seventh in triples per game, Archuleta finished 28th in triples and 30th in triples per game and Robinson finished 30th in sacrifice bunts.

Hathoot improved on that in the most recent season, carrying a career-best 27-game streak of reaching base and a 17-game hitting streak with a career-best 20 multiple hit games. Additionally, she led the Lobos with an overall batting average of .382, 66 hits and 37 runs scored with her 66 hits the most for a Lobo since Mariah Rimmer's 67 in 2016 and the 8th-most hits in a single season in program history.

"We have worked together for five years now and balance each other well," stated Dickson at the time of Spearman joining the coaching staff. "Her strengths include player development and teaching the game, with an incredible work ethic and task efficiency, and preparation with scouting and practice plans. I'm excited to have her join UNM Softball."

"First off, I want to thank Coach Dickson for this opportunity to come to The University of New Mexico with her," commented Spearman. "Working alongside Coach Dickson these last five years has been nothing but enjoyment. What I love most about working with her is the winning mindset and culture she brings.

"I am looking forward to getting on campus and starting to work with this program and awesome administration. Lastly, thank you Eddie Nuñez and David Williams for this opportunity as well. Go Lobos."

Working with Dickson, Spearman was instrumental to the Ladyjacks' success in winning the Southland Conference in 2021 and the WAC Southwest Division in 2022 and in accumulating 30-plus wins in four of the past five seasons. Working with the hitters, Spearman developed the 2021 Southland Hitter of the Year along with three named to the All-Southland First Team, two placed on the All-Southland Second Team and one on the All-Southland Third Team in 2021. This past year, Spearman helped two players earn All-WAC Second Team honors.

During her time at SFA, the Ladyjacks had two hitter of the year selections.

Previous to serving as the assistant coach at SFA, Spearman was an assistant coach at Eastern New Mexico from 2016-17 and was a graduate assistant at her alma mater, Angelo State, from 2014-16.

Spearman played collegiately at Angelo State from 2011-14, earning All-America honors in 2013 and 2014. Further, she was named to the first team all-region and a NFCA Third Team All-American in 2013 and in 2014, was named to the NFCA All-America First Team and named the Division II Softball Player of the Year Honda Cup Award winner. An outfielder, Spearman was the Lone Star Conference Player of the Year in 2014, and broke Angelo State and Lone Star Conference single-season records her senior season after hitting .506.

ASSISTANT COACH | SOPHIE HANNABAS

Sophie Hannabas enters her second season at New Mexico after joining the program in July 2023. In her role, Hannabas works with the pitchers and as the team sports coordinator, handling director of operations duties.

Prior to coming to UNM, Hannabas played collegiately at Stephen F. Austin and Southeastern Louisiana, appearing in 41 games with 20 starts in two years at SFA and in 56 games with 26 starts in three years at Southeastern Louisiana.

During her three years at Southeastern Louisiana, she threw a combined 147.4 innings with 69 strikeouts, a .323 opposing batting average, and allowed eight home runs while throwing one no-hitter. Academically, Hannabas was named to the 2020 Spring Southland Conference Commissioner's Honor Roll and 2019 Spring Southland Conference Commissioner's Honor Roll, and on the field, was named Louisiana Pitcher of the Week in 2019.

In 2021, she transferred to SFA to play under head coach Nicole Dickson, and through her two seasons with the Lumberjacks, combined for 101.3 innings with 63 strikeouts, a .331 opposing batting average, and allowed 10 home runs, with SFA winning the WAC Conference in 2022.

Hannabas graduated from Stephen F. Austin in 2023 with a Bachelor of Business Administration in finance.

ASSISTANT COACH | MACKENZIE BENNETT

Mackenzie Bennett begins her first season at New Mexico after joining the coaching staff in July 2024 and will work with the catchers and serve as a secondary hitting coach in her role with the Lobos.

Bennett joins the Lobos after spending the past season as a graduate assistant at Stephen F. Austin, where she worked with the catchers, following her collegiate career at SFA. The new assistant coach has ties to the entire UNM coaching staff as Bennett played for head coach Nicole Dickson and assistant coach Morgan Spearman at SFA from 2019-22 and played with assistant coach Sophie Hannabas in 2022 and 2023.

During her five years with the Lumberjacks, Bennett played in 164 games with 136 starts and finished with 139 hits, 31 doubles, two triples and 25 home runs, along with 101 RBI and hit .330, with a .591 slugging percentage and .387 on-base percentage. Of her 164 games, she recorded multiple hits in 42 of the games and multiple RBI in 33 and twice carried a 10-game hitting streak (in 2021 and 2022) as well as a 17-game streak of reaching base in 2021.

In her final season, she led the team at the plate behind a .367 batting average, 14 doubles and 49 RBI and was second on the team with 12 home runs and a .686 slugging percentage.

Bennett received several accolades at SFA, named to the All-Southland First Team in 2021 and the All-WAC First Team in 2023 in addition to being named to the Southland All-Tournament Team in 2021 and the WAC All-Tournament Team in 2022. She was twice named hitter of the week (Southland in 2022 and WAC in 2023) and was selected as the team MVP following the 2023 season. The Lumberjacks won the regular season twice during her time in Nacogdoches, first in the Southland in 2021 and won the Southwest division of the WAC in 2022.

Bennett earned her B.S. in kinesiology and went on to earn her MIS in interdisciplinary studies from Stephen F. Austin.

🕸 2025 LOBO SOFTBALL FIELD 🕸

THE UNIVERSITY OF NEW MEXICO

Founded in 1889 as New Mexico's flagship institution, The University of New Mexico now occupies nearly 800 acres near old Route 66 in the heart of Albuquerque, a metropolitan area of more than 500,000 people. From the magnificent mesas to the west, past the banks of the historic Rio Grande to the Sandia Mountains to the east, Albuquerque is a blend of culture and cuisine, styles and stories, people, pursuits and panoramas. Offering a distinctive campus environment with a Pueblo Revival architectural theme, the campus buildings echo nearby Pueblo Indian villages. The nationally recognized campus arboretum and the popular duck pond offer an outstanding botanical experience in the midst of one of New Mexico's great public open spaces.

The People

As a Hispanic-Serving Institution, the University represents a cross-section of cultures and backgrounds. In fall of 2017, 25,015 students, attended main campus with another 7,609 students at branch campuses and education centers.

UNM boasts an outstanding faculty that includes a Nobel Laureate, two MacArthur Fellows, 35 Fulbright scholars and several members of national academies. Faculty publish in many professional journals including Scientific American, The New England Journal of Medicine and Nature. UNM professors have been quoted in Newsweek, Los Angeles Times, Business Week, People Magazine, Parade Magazine, U.S. News and World Report, and The New Yorker, among others. They have shared their expertise on CNN, the Today Show, Good Morning America, Nova National Geographic and other news shows.

UNM employs more than 20,000 people statewide, including employees of University Hospital. It has more than 159,000 active alumni, with Lobos in every state and more than 1,400 alumni outside the U.S. More than half of UNM's alumni choose to remain in New Mexico.

The Places

The University has branch campuses in Gallup, Los Alamos, Taos and Valencia County, plus UNM West, an extension campus in Rio Rancho. UNM offers bachelor and graduate degree completion programs throughout the state via Extended Learning and has education centers located at the four branch campus locations as well as in Santa Fe, Farmington, and at Kirtland Air Force Base. UNM's libraries, museums, galleries and performance spaces are a rich cultural resources for the state. Home to the Lobos and contenders in the Mountain West, UNM athletics draws fans from all over. Dreamstyle Arena is one of college basketball's most famous and recognizable buildings. In fact, The Pit was ranked 8th by USA Today as one of the best arenas to watch college basketball.

The Programs

UNM is a place where cutting-edge research and creative endeavors flourish. UNM research injects millions of dollars into New Mexico's economy, funds new advancements in healthcare, and augments teaching – giving students valuable hands-on training in state-of-the art laboratories.

The Health Sciences Center is the state's largest integrated health care treatment, research and education organization. U.S. News and World Report's 2015 edition of "America's Best Graduate Schools" ranks the UNM

School of Medicine 40th in primary care and 83rd in research, while specific areas also rank again among the top 10 - rural medicine, second, and family medicine, ninth. Additionally, in health disciplines, UNM's nursing/midwifery program is ranked fifth. UNM School of Law is ranked 72th, while ranking ninth in clinical training. UNM College of Fine Arts is ranked 53rd, with its photography program ranked fifth in the nation. The engineering program is ranked 87th nationally, with electrical engineering coming in at 53rd, and Chemical Engineering ranking at 58th.

UNM is the only Hispanic-Serving Institution in the U.S. that is also classified a Carnegie Research University with Very High Activity. Recently, Hispanic Business Magazine ranked four University schools among the top 10. The list included: UNM School of Law, seventh; UNM Anderson School of Management, fourth; UNM School of Medicine, seventh; and the UNM School of Engineering, sixth.

Among the University's outstanding research units are the Center for Advanced Research Computing, Cancer Center, New Mexico Engineering Research Institute, Center for High Technology Materials, Design Planning Assistance Center, and the Mind Research Network.

UNM Traditions-The Lobo Nickname

A number of legends have arisen over the years as to how The University of New Mexico got "Lobo" as its official nickname. When the university began playing football in 1892, the team was simply referred to as "The University Boys" or "Varsities" to distinguish themselves from the prep school kids.

The student body, at least as early as 1917, began to seriously explore the possibilities for both a mascot and a new name for the student newspaper, which was then called simply the "U.N.M. Weekly." Several names for the paper were suggested, including The Rattler, the Sand Devil, the Ki-yo-te and the Cherry and Silver. However, there was no single name that struck a responsive chord among the students and when school opened in the Fall of 1920 the U.N.M. Weekly was still there.

On Sept. 22, 1920, sophomore George S. Bryan, editor of the U.N.M. Weekly and student manager of the football team, was present at a Student Council meeting for the purpose of suggesting that the University teams be given a mascot name as at that time many universities had mascot names for their teams. Bryan suggested Lobo, the Spanish word for wolf, as the nickname. The name was enthusiastically received. The Oct. 1 issue of the student paper said, "The Lobo is respected for his cunning, feared for his prowess, and is the leader of the pack. It is the ideal name for the

Varsity boys who go forth to battle for the glory of the school. All together now; fifteen rahs for the LOBOS."

From that beginning, the Lobo nickname has remained with The University of New Mexico for over almost 100 years.

UNM Traditions - The Lobo Mascot

After "Lobo" was adopted as the school's nickname in 1920, it was not long thereafter that a real Lobo became the mascot.

Bruno Dieckmann, class of 1902, and by 1920 a successful Albuquerque insurance and real estate agent, acquired the first Lobo for the University at his own expense. At the time he was treasurer of the Athletic Association and "one of the most admired men in town"

Elsie Ruth Chant, class of 1923, recalled, "All of the girls on campus wanted to be seen with him. He was an accomplished concert violinist as well as being a successful businessman, and he was rich. He drove a Stutz Bearcat convertible around town and all of the girls would compete to get rides with him. Sometimes he had five or six girls in the car, and when he finally got married, he left broken hearts all over campus. Anyway, he either caught it himself or he paid to have a wolf captured in the Mount Taylor area. The wolf was brought into the school and a student by the name of Bowman would take it on a leash to the football practice area."

Apparently, a government trapper named Jim Young caught a wolf pup on the Floyd Lee Ranch near Mount Taylor in western part of the state. The cub became the responsibility of the cheerleaders and it appeared in harness at every football game. However, in the late 20s, a child teased the wolf and the child was bitten at one of the games. UNM officials were forced to dispose of the wolf, as one historian put it, "for fear other ill-bred brats might become tempted to play with the wolf and bring a damage suit."

A live wolf was not a part of the scene for over 90 years, but recently, Zoerro the Wolf from the Wild Spirit Wolf Sanctuary has been at events for photo opportunities and to educate UNM fans on the wolves and to "educate the public about wolves, wolfdogs, and other related species, our eco-system and how we all play a part in it, and the excellent, ethical care and treatment of all animals domestic and wild." In the early 1960s a human mascot named "Lobo Louie" was created. A second mascot, "Lobo Lucy" was created in the early 1980s. Both are now members of the school's cheerleading squad.

UNM Traditions - Cherry and Silver

The most common origin of New Mexico's school colors dates back nearly 100 years. Apparently, the school colors in the early 1890s were black and gold. Ms. Harriet Jenness, a faculty member who taught drawing, delsarte (drama), penmanship, and music, suggested a change in school colors because black and gold did not give a true feeling of New Mexico. She suggested the crimson evening glow of the majestic Sandia mountains to the east. The silver came from when students and faculty took picnics in the Sandias and noted the Rio Grande looked like a silver ribbon winding through the valley below. Her ideas were enthusiastically adopted by the faculty and staff. The crimson was later changed to cherry, the color of a Sandia sunset. Miss Jenness died in 1895, two years before the colors were adopted as "official." From 1973-79, turquoise was integrated into the official school colors, at least, for the athletics teams. The football team wore turquoise jerseys at home during those years. Cherry and silver returned as the predominant colors in 1980, and teams will now wear turquoise as an alternate or throwback jersey.

UNM Traditions - The Alma Mater

The Alma Mater (in Latin means "Nourishing" or "Dear Mother") was a source of contention at UNM in 1947. The original Alma Mater was set to the tune of "Annie Lyle," which was an unpopular tune with the student body for a long period of time. The student body voted in a general election to change the Alma Mater and found Glee Club Director Craig Summers to oblige. Actually Mr. Summers and his father wrote the present Alma Mater three years before and called it "The New Mexico Hymn."

New Mexico, New Mexico
We sing to honor thee.
This golden haze of college days
Will live in memory.
This praise we sing will ever ring
With truth and loyalty New Mexico, your fame we know Will
last eternally.

UNM Traditions - The Fight Song

The UNM fight Song was written in 1930. The music to the Fight Song was written by Dean Lena Clauve, who served the University for 32 years as a professor of music education and as the Dean of Women. Dr. George St. Clair, professor in the English Department, wrote the lyrics.

Hail to thee, New Mexico,
Thy loyal sons are we. Marching down the field we go,
Fighting for thee.
RAH! RAH! RAH!
Now we pledge our faith to thee,
Never shall we fail.
Fighting ever, yielding never.
HAIL! HAIL! HAIL!

CENTER FOR STUDENT-ATHLETE SUCCESS

MISSION

The Lobo Center for Student-Athlete Success, in conjunction with the University of New Mexico, provides support services for prospective, current, as well as former student-athletes in an effort to increase academic and personal success. Student-athletes are encouraged to develop personal responsibility, intelligent decision making, and leadership skills through the provision of educational experiences both inside and outside of the classroom. The Lobo Center also celebrates the academic and civic achievements by our student-athletes.

SERVICES OFFERED

Study Hall

The study halls are sport specific and designed to accommodate each athletic team in a structured and professional academic setting. The atmosphere is intended to foster an environment that is conducive to learning and group facilitation.

Each team study hall is staffed and monitored by at least one study hall monitor. The study hall monitors are proficient in a myriad of subjects and provide assistance to the student-athletes when needed

Athletic Computer Labs

The athletic computer lab is an academic aid to student-athletes, and its primary purpose is to facilitate the scholastic pursuits of student athletes at the University of New Mexico.

Laptop Computers

Laptop computers are available to all student-athletes on a first

come, first serve basis. The laptops are for student-athletes to use when they are on the road traveling for competition. Learning Strategist

The Center also has an in-house Learning Strategist devoted to providing support to student-athletes who have been diagnosed with a learning disability as well as those who need additional instruction in specific content areas and general study skills. The Learning Strategist also provides workshops that address study skills and time management. Individual appointments can be made as needed as well as class specific reviews can be coordinated.

Books on Loan

A benefit of being a student-athlete on scholarship is an in-house bookroom where student-athletes can get their textbooks for their classes. Our bookroom administrator can look up student's class schedules to determine the necessary textbooks, which eliminates the time-consuming tasks of going to the bookstore to research the books for each class and then standing in long lines to purchase them!

Academic Monitoring

Student-athlete progress is monitored by the Student Support Staff, housed in the Lobo Center. Three times a semester instructors will provide feedback on student-athletes academic progress. Progress forms are sent at the 4th, 8th, and 12th week during the academic semester. The information provided in these forms are forwarded to coaches and used to help student-athletes with their academic progression.

Academic Advisement

Each student-athlete at UNM is required to meet with their athletic academic advisor at least once a semester for class registration advisement. Once a major is declared, the student athlete is required to meet their assigned major advisor at least once per semester and then return a completed pre-enrollment form to their assigned athletic advisor. An athletic academic advisor is always available to answer any and all questions.

University 101

University 101 is a three (3) credit hour course that is designed to help freshmen student-athletes successfully transition into life and learning at the university. This course provides freshman student-athletes with a special orientation to the university community, the UNM athletics program, and the NCAA rules and regulations. Although the course does not fulfill core curriculum requirements, it is applicable towards elective credit. Furthermore, it is required for all incoming freshmen scholarship student-athletes.
