

2016 Clinic Registration New Mexico Softball 2016 Lobo Clinics

The University of New Mexico softball staff will be hosting an assortment of clinics this coming September. All sessions will take place on Saturday, September 24th and Sunday, September 25th. Topics to be covered include 2 pitching sessions, hitting, infield and outfield defensive skills. Participants can sign up by session. All Sessions will be held at the Lobo Softball Field.

All participants will work closely with the New Mexico coaching staff as well as members of the 2016-2017 Lobo softball team.

Saturday's pitching session will cover the basics of the pitching motion to throw with more effectiveness and velocity. Sunday's pitching clinic will be the more advanced session and focus on the mechanics of throwing different pitches. All clinics, with the exception of Sunday's pitching clinic, are available for any and all entrants 10 years and up. We ask that you be 12 years old and up to participate in Sunday's advanced pitching and all skills clinic.

****Pitchers MUST bring their own catcher or parent to catch****
