

## Post-Game Quotes 11/17/17

Head Coach Paul Weir:

"Their dominance of the offensive glass set a tone, gave them a lot of energy, and we just couldn't overcome it."

"You've got to give New Mexico State a lot of credit, they just never allowed us to ever implement and do what we wanted to do - it just took the wind out of our sails."

"I think your first road game of the season is always a good measuring stick, to see where you're at, and now we have to learn and grow from it and just get better."

"I wish it was a better game than it was, unfortunately it wasn't as competitive as I would have hoped for all the people that came out and watched. Thank you to the Lobo fans that came out and watched. I apologize for what you saw tonight, we have to get back to work and improve our product, the product wasn't very good tonight."

"I thought the fans were terrific, I didn't feel mistreated in any way and even if I was, that's their right to do it. I thought it was a great game as far as the fans go, they supported their team, the home team played very well - I have nothing even remotely bad to say."
