## NEW MEXICO HEADS TO TUCSON TO CAP 2018 SEASON

New Mexico beach volleyball is looking to close its 2018 campaign this weekend with some more wins as it heads to back to Tucson to play three matches at the Bear Down Bash hosted by Arizona.

Returning the scene of their season-opening tournament, the Lobos will face off against the 14th-ranked Wildcats, Benedictine at Mesa and Utah at the Arizona Beach Volleyball Courts for their final matches of 2018.

The two members of New Mexico's inaugural freshman class, **Eastyn Baleto** and **Chloe Crappell**, have led New Mexico throughout 2018, helping develop a youthful roster that entered the season with seven newcomers and a significant deficit in experience.

But, behind their senior class that also features **Maddie Irwin**, the Lobos have forged a strong lineup capable of a strong performance this week in Tucson.

The Lobos' hottest pair sits at the top of that lineup, as Irwin & **Erin Martin** stormed to four straight wins last weekend in Kingsville, Texas.

Named to the Javelina Battle on the Beach All-Tournament Team, Irwin & Martin own a share of the team lead in wins this season with a 12-8 record.

Also sharing that lead is UNM's No. 2 tandem of Baleto & **Lauren Twitty**, which sits 12-5 on the season and has won 11 of its last 14 matches.

Baleto & Twitty, were also named to the Javelina Battle on the Beach All-Tournament Team, own an eight-match winning streak this season, which is the third-longest in program history.

Down the lineup, UNM has relied on numerous pairs, but found a recipe for success it honed over its run of success during late March and early April.

Crappell & **Yasmin Tan** have gone 7-8 on the season, but are 7-3 from the No. 3 position.

Additionally, **Carly Beddingfield & Mercedes Pacheco** have also provided key points throughout the season, while **Abbey Willison & Kayla Long** have shown well playing from the No. 5 position.

## 60 AND COUNTING...

Through the first three years of the program, one Lobo has stood above the rest as the winningest player for UNM.

**Eastyn Baleto**, a senior from Seattle, enters the final week of her collegiate beach volleyball career with 64 career wins in the sand, easily tops in the team's record books.

Julia Warren, a three-year alum of the program, is second with 47 wins, while Marisa Doran and Lise Rugland both have 41.

The next closest active player is **Lauren Twitty** with 30 career wins.

Baleto's career record is 64-22 (.744), which stands third-best in program history with a minimum of 20 matches played. Only Doran (41-10, .803), her former partner, and Twitty (30-10, .750) stands ahead of Baleto in regards to career winning percentage.

## THE DIRTY 30

Although only a sophomore, **Lauren Twitty** is making a name for herself in the team record books.

The Broadlands, Virginia, native enters the final week of the 2018 campaign with 30 career wins, just the seventh player in program history to reach that mark.

She is just the third Lobo to amass 30 wins in

two years of playing time, joining the program's wins leader **Eastyn Baleto** and alumna Marisa Doran.

Twitty is also the third-fastest Lobo to reach 30 career wins, taking 39 matches to reach that mark. Doran was the quickest, taking 37 matches, while Baleto took 38 matches to reach 30 wins.

On top of that, Twitty's career record 30-10 (.750), which stands as the second-best in program history with a minimum of 20 matches played. Only Doran (41-10, .803) stands ahead of Twitty in regards to career winning percentage.

### STREAKING

So far this season the Lobos have registered some strong results at the top of their lineup, with their Nos. 1 and 2 pairings both tallying winning streaks over at least four matches over the last few weeks of competition.

At the No. 2 position, **Eastyn Baleto & Lauren Twitty** registered an eight-match winning streak. The tandem swept through the Lobos' home tournament, winning every contest in straight sets, and added a gutsy three-set win at CSU Bakersfield before winning their first matches at the Javelina Battle on the Beach.

The pair's winning streak stands alone as the third-longest in program history and the longest by any pair this season.

This winning streak also gives Baleto six of the 15 longest pairs winning streaks in program history.

### STREAKING, PART II

Also logging a pair of significant winning streaks this season is the tandem of **Maddie Irwin & Erin Martin**, who twice have won four in row to set the program record for most consecutive wins out of the top-seeded position.

The duo started at the Stetson/Hickory Point Lake Bash with wins over UNC Wilmington and the College of Charleston and continued at the team's home tournament with wins over Colorado Mesa and Abilene Christian.

The duo didn't drop a point over those four matches, tying for the ninth-best set-winning streak in program history.

They added another four-match winning streak at the Javelina Battle on the Beach, emerging victorious over the tournament.

### FIVE FOR FIGHTING

Over the course of the four-year history of New Mexico beach volleyball, only two players have managed to play at least one match in every position. Those players: **Chloe Crappell** and **Lauren Twitty**.

Crappell, a senior from Albuquerque, and Twitty, a sophomore from The Broadlands, Virginia, have seen action at the 1's, 2's, 3's, 4's and 5's positions for the Lobos.

For Crappell, she's played the bulk of her 44 career matches at the Nos. 2 and 3 courts, going 5-7 and 7-10, respectively. She is also 1-4 at the 1's, and 4-2 at the 4's and 3-1 at the 5's.

For Twitty, the majority of her 40 career matches have come at the No. 5 position, where she's posted a 14-4 record. She's also gone 8-2 at the 2's, 4-3 at the 3's and 3-1 at the 4's.

Twitty achieved the feat of playing all five positions during the Lobos' only homestand of 2018 as she made her only appearance at the 1's, which she won. She is 26-9 in her career.

The only other players who have come close to the platinum sombrero are current teammates **Eastyn Baleto** and **Yasmin Tan** (who are both missing matches the 5's) and alumnae Julia Warren and Lise Rugland, who played in four of the five positions during the first four years of the program.

Tan is the only player in program history to play in at least four positions during a single season.

### TWO PAIRS NAMED ALL-TOURNEY AT JAVELINA BATTLE ON THE BEACH

Two tandems were named to the Javelina Battle on the Beach All-Tournament team after New Mexico posted a 2-2 record at the tournament April 14-15 in Kingsville, Texas.

Earning one of the honors was the duo of **Maddie Irwin & Erin Martin**, who posted a spotless 4-0 record at the event. They dropped just a single set over their four matches playing out of the No. 1 position.

Also claiming recognition was the partnership of **Eastyn Baleto & Lauren Twitty** as they finished with a 3-1 record from the No. 2 court.

They swept through their first three matches of the weekend before falling a tight three-set affair in the weekend finale.

### SUCH NICE NEIGHBORS

New Mexico is a bit of an island in the world of NCAA beach volleyball. The Lobos are the only team in the state of New Mexico to sponsor beach volleyball as an NCAA varsity sport, so with the lack of in-state competition, UNM has to find nearby neighbors for games.

With multiple schools in Arizona sponsoring the sport, the Lobos can travel west for some matches, which means New Mexico has played its fair share of games against those schools.

In fact, of the 87 matches ever played in UNM history, 21 have come against Arizona schools. (That's just under 25 percent at 24.1 percent.)

The Lobos have played Arizona and Arizona State seven times each and Grand Canyon six times. The 21st match came in the team's 2017 opener vs. Benedictine University at Mesa.

UNM will get more opportunities to add to this list during the 2018 season as it plays Arizona twice and Arizona State, Grand Canyon and Benedictine once each.

### HOME AWAY FROM HOME?

As noted above, the Lobos have played schools from Arizona a number of times, with 21 matches against Copper State schools through the first three seasons of the program.

However, New Mexico's affinity for the state of Arizona doesn't stop there.

Over the program's 87-match history, UNM has played 39 of its matches in the state of the Arizona, which is just under half of its total number of matches (right around 44.8 percent).

This season, UNM will again venture west as it's scheduled to play nine of its 22 matches in Arizona.

### HOME COOKING

New Mexico beach volleyball hosted its only home matches of the season to end March, picking up three wins as it welcomed Colorado Mesa, Abilene Christian and Arizona State to Albuquerque.

Despite playing relatively few matches at home, UNM continued its considerable home-court advantage in Albuquerque.

The Lobos have played 16 home matches over the program's first 87 matches, winning 13 for an all-time .813 winning percentage in Albuquerque.

New Mexico had a 12-game winning streak going for the better parts of four seasons as the team didn't lose a home match between its April 18, 2015 contest vs. Colorado State and its March 30, 2018 contest vs. Abilene Christian. Arizona State snapped the streak on March 31, 2018.

### SCOUTING ARIZONA

Old foes meet again as New Mexico and Arizona square off for their eighth meeting all-time. The Wildcats have yet to yield a match to the Lobos and enter this week's match ranked 14th in both the AVCA and DiG Magazine polls.

In all seven of the previous meetings, Arizona was nationally ranked, never falling below 13th.

For this week's contest, the Wildcats enter losers of two in a row. But all of the Wildcats' losses in 2018 have come against ranked teams.

Nonetheless, Steve Walker's team also picked up a pair of ranked wins during their last homestand as Arizona moved to 9-1 in Tucson this season.

UofA is led by the top and the bottom of its lineup, as the team's No. 1 pairing of Natalie Anselmo/Olivia Macdonald is 16-9 and its No. 5 pairing of Brooke Burling/Jonny Baham is 8-2.

### SCOUTING BENEDICTINE AT MESA

An NAIA school from Mesa, Arizona, Benedictine enters the week 9-8. 12 of the Redhawks' 17 matches came against non-Division I competition, and Benedictine only went 7-5 in those matches.

However, BenU Mesa did defeat Abilene Christian in February, and took a point off of Nebraska early in the season.

UNM is 1-0 all-time vs. the Redhawks, having earned a road sweep in their 2017 season opener.

### SCOUTING UTAH

Utah heads to Tucson with a 2-8 record this season, having started their 2018 campaign two weeks ago on April 7. Over that span, the Utes' only two wins came against CSU Bakersfield and Long Beach City College.

That notwithstanding, Utah has played well against a relatively challenging schedule that has featured six matches against ranked teams. UU almost beat Loyola Marymount two weeks.

Adora Anae/Dani Barton own the team's best record, posting a 5-5 ledger from the No. 1 position. However, that's the only partnership with more than three wins.

Of the pairs that have played all 10 matches, Tawnee Luafalemana/Melissa Powell are 2-8 from the 2's and Bri Doehrmann/Kenzie Koerber are 0-10 from the 3's and 4's.

This is the first meeting all-time between New Mexico and Utah, which is in its second season playing beach volleyball.

### BEACH VOLLEYBALL CONTINUES ACADEMIC SUCCESS IN FALL 2017

After posting another strong campaign in the sand last spring, the University of New Mexico beach volleyball team posted a superb semester in the classroom last fall.

The Lobos registered a team GPA of 3.84 for the Fall 2017 semester, the second-highest team GPA in the seven-semester history of the program. The Lobos' Fall 2017 GPA trails only their Spring 2017 GPA of 3.85.

This past semester was the sixth semester that the team registered a mark of at least 3.4.

The beach team combined with the rest of the women's sports at UNM for a 3.57 GPA. It's the 21st straight semester of at least a 3.3 GPA and the ninth straight semester with at least a 3.5 recorded by the combined women's teams, as well.

### BEACH VOLLEYBALL EARNS AVCA TEAM ACADEMIC AWARD IN 2017

New Mexico beach volleyball was honored by the American Volleyball Coaches Association (AVCA) on Monday, July 24, as the Lobos earned the AVCA Team Academic Award for the 2016-17 academic year.

The team recorded team GPAs of 3.46 in both the Fall 2016 and Spring 2017 semesters.

The award, which was initiated in the 1992-93 academic year, honors collegiate and high school volleyball teams that displayed excellence in the classroom during the school year by maintaining

at least a 3.30 cumulative team GPA on a 4.0 scale.

19 collegiate beach teams were recognized for the 2016-17 academic year.

This honor was the first such selection for the program, which wrapped up its third season of competition last spring. The Lobos logged back-to-back program records in GPA during the 2016-17 academic semesters.

### A PRIMER ON BEACH VOLLEYBALL

Beach volleyball and court volleyball share many of the same basic rules. Each side gets three hits, there's rally scoring, and a team earns a point when the ball hits the ground or goes out of bounds. But there are some key differences between the two sports:

- Beach volleyball is a partner sport played during the spring. Court volleyball is a six-player sport played during the fall.
- Beach volleyball plays the best of three sets, with the first two sets played to 21 points, and a tiebreaker set played to 15 points, if necessary. A set must be won by at least two points.
- Open-handed tipping is prohibited in beach volleyball and the block touch counts as one of three permitted contacts.
- Coaches may only speak or give any kind of input to their players during timeouts or between sets.
- Beach volleyball players switch sides of the court every seven points during a 21-point set and every five points during a 15-point set.
- Beach volleyball is usually contested in dual matches, where the winning team is the school that wins three of five individual matches versus its opponent. Similar in format to tennis, each of those individual matches consist of a doubles — a pair of teammates ranked by ability — that are matched against their corresponding doubles from the opposing team.

### BEACH VOLLEYBALL ENTERS 3RD SEASON AS 90TH NCAA CHAMPIONSHIP

Before the 2016 season, the NCAA approved beach volleyball as the 90th NCAA Championship at the 2015 NCAA Convention, which allowed the sport to advance from the emerging sports for women list to a full-fledged NCAA championship.

The NCAA Beach Volleyball Committee also determined the sport will be officially referred to as "beach volleyball". When the sport was placed on the list of emerging sports for women in 2009, it was called sand volleyball. But because the sport is known as beach volleyball at all other levels of play throughout the world, the committee made its decision to refer to the sport as beach volleyball.

The third-annual NCAA Beach Volleyball Championships will take place May 4-6, 2018 at the Beach at Gulf Shores in Gulf Shore,

Alabama. The championship will have an eight-team bracket that will be played in a double-elimination format.

USC has won the first two NCAA National Championships, 3-0 over Florida State in 2016 and 3-2 over Pepperdine in 2017.

Beach volleyball is the fastest-growing NCAA sport with 55 Division I colleges and universities sponsoring. NCAA rules require 40 sponsoring schools to request an NCAA championship. Data shows that on average, 60 percent of participants at a sponsoring school participate only in beach volleyball instead of playing both beach and indoor volleyball.
