HEAD COACH | NICOLE ORGERON

Nicole Orgeron enters her fourth season as head coach of the Lobo softball program in 2025-26. Hired on June 3, 2022, Orgeron is the sixth head coach in program history.

In addition to head coach duties, Orgeron works with the pitchers and catchers.

The Lobos took significant statistical strides in her first three years in Albuquerque, producing numbers and wins that hadn't been achieved in several years. This past season, the Lobo pitching staff finished with a 3.99 ERA, the lowest since 2005 with eight shutouts, the most since 2004. UNM's staff allowed 385 hits, the fewest since 2011 and 235 runs, the fewest since 2008. The 271 strikeouts were the fifth most in a single season in program history with the 5.63 strikeouts per seven innings the second best in program history.

Previously, Orgeron worked with the infielders in 2025, with UNM committing 48 errors, tying the program record for fewest errors in a season, which was also done in 2007, and had a program-best .966 fielding percentage. The Lobos cut down their errors by 12 from 2024 and improved their fielding percentage by .007. At the plate, UNM's 75 doubles were the most since 2009 and the 204 strikeouts the fewest since 2017. The doubles were also the sixth most in program history, the 160 walks were the ninth most in program history and 205 RBI the 10th most in a single season in program history. The Lobos finished second in the MW in batters struck out and first in batters struck out looking, and at the plate, fourth in doubles and walks. Nationally, the Lobos were 57th in the NCAA in doubles, 18th in sacrifice bunts, 57th in team strikeouts per seven innings and 64th in shutouts.

UNM had three players earn all-conference honors with Ashley Archuleta earning First Team All-Mountain West for the third time, McKenna Guest earning Second Team All-Mountain West and Allie Williams earning All-Mountain West Honorable Mention. During the season, the Lobos picked up five weekly conference awards with one pitcher of the week and four freshman of the week awards.

Archuleta closed her career producing her best offensive numbers as a Lobo with 62 hits, a .411 batting average, .413 on-base percentage and .474 slugging percentage, as well as 13 doubles, five triples, 22 walks and 91 total bases. Her .411 batting average was the best batting average in a season by a Lobo since 2014 and her .500 on-base percentage was tied for the third best in program history. In the circle, Guest was equally as masterful, finishing with 139 strikeouts, a 6.84 strikeouts per seven innings, a 3.15 ERA and finished with 15 wins and five shutouts. Her strikeouts per seven innings were the third most in a single season in program history, her ERA the lowest by a Lobo since 2005, her wins the most by a Lobo since 2008 and her shutouts the most by a Lobo since 2004. She increased her strikeouts by 49 between her freshman and sophomore season, while bringing down her ERA by 1.90, her hits allowed by 15, walks by 14 and runs allowed by 32, throwing nine complete games and over 142 innings both years. Williams was one of three freshmen to earn all-conference honors with her hits in conference tied for 14th among conference players but were the most by a freshman in the conference, and her doubles tied for sixth but were also the most by a freshman this season.

Orgeron also became the first head coach in program history to win the season opener in her first three seasons, with two also coming by run-rule. Further, the 8-0 win over Texas A&M-Corpus Christi to start the 2025 season was the first time since 2017 that the Lobos have opened the season with a shutout.

In the 2024 season, the Lobos won in Boise for the first time since 2016 and won against Boise State for the first time since 2021. In addition, the Lobos' sweep of Utah State was the first sweep of a Mountain West opponent since 2016 and the first sweep of the Aggies since 1989; the Lobos earned their first win over UNLV since 2021 and beat Fresno State twice for the series win after having only nine wins total all-time against the Bulldogs entering the season. Statistically, UNM finished with 60 errors with the last time the team finished with 60 or fewer errors was back in 2014. The Lobos had three players earn Mountain West Freshman of the Week awards (McKenna Guest, DeNae Vasquez-Dickson and Katherine Brunner), the second most among MW schools, with the freshmen finishing among the top of the NCAA in several statistical categories. Through the regular season, Guest's 40 appearances tied for fourth in the NCAA, but most among freshmen, and tied for the third most in a season in program history. In addition, her 24 starts tied for the sixth most by a freshman pitcher in the NCAA and her 147.0 innings tied for the 11th most by a freshman pitcher. For Vasquez-Dickson, her 15 sac bunts were the most by a freshman in the NCAA, led the MW and third in the NCAA.

In the last three years, UNM has had nine MW Freshmen of the Week, two MW Players of the Week and three MW Pitchers of the Week. In addition, UNM has produced four First Team All-Mountain West recipients, one Second Team All-Mountain West recipient and one All-Mountain West Honorable Mention.

Further, in her first two years, the Lobos stole 77 bases, the most in a two-year span since 2013-14 (85) and turned a combined 41 double plays, the most in a two-year span since 2015-16 (also 41). In the season opener against Tennessee State, Keyannah Chavez finished with three stolen bases, the most for a Lobo in a single game since 2017, and as a team, the Lobos had six stolen bases, the most in a game since 2018. The Lobos beat that mark on Feb. 16 against Marist, stealing seven bases, the most in a single game for the Lobos since 2010.

In her first season, UNM's .299 batting average was the best since 2015 and tied the best average for the program in the last 11 years. The 399 hits and 231 runs scored were the most since 2015 and 2016, respectively, and the 214 RBI and .368 on-base percentage were the highest since 2015. The team's 14 triples were the most in a single season since 2010 and the Lobos' 40 stolen bases were the most since 2013. Defensively, the Lobos led the MW with 22 double plays, the most turned since 2015 and the four shutouts were the most since 2013.

Additionally, UNM jumped in the NCAA rankings from the year prior in eight categories: batting average (a ranking improvement of 86 spots), triples per game (88 spots), stolen bases per game (87 spots), runs (49 spots), on-base percentage (46 spots), slugging percentage (12 spots), shutouts (16 spots) and double plays turned (141 spots). The Lobos ranked 45th in batting average, 27th in double plays per game, 29th in triples per game, 68th in on-base percentage and 88th in slugging percentage.

It didn't take long to see the potential as with UNM's season-opening win over Nicholls, Orgeron became just the second Lobo head coach in program history to win in their coaching debut, doing so with the largest margin of victory (12-3 in five innings). Three games later, Orgeron and the Lobos made more history, beating No. 19 Oregon State 8-0 in five innings for UNM's first win over a ranked opponent since 2016 and UNM's first run-rule win over a ranked opponent since 2012.

During the season, Orgeron guided the Lobos to their first series win over Nevada since 2015, UNM's 8-0 win over SJSU on March 25 was the first shutout against the Spartans since May 8, 2015, and the 12 runs scored against CSU on April 16 were the most runs the Lobos have scored against the Rams since April 15, 2016. In the March 19th win at Utah State, the Lobos finished with 18 hits, 15 runs and struck out 14 Aggies, with the 18 hits the most since 2018 and the 15 runs were the most since 2019. The 15 runs were the most against the Aggies since April 26, 2014, and the 14 strikeouts by Amber Linton were the most in a game by a Lobo since 2013.

Among the conference, UNM had players in the top four in the MW in batting average (Rachael Hathoot second at .396 and Peyton Robinson fourth at .380), two players in the top 5 in the MW in hits (Robinson fourth at 60 and Hathoot fifth at 59), two players in the top 2 in triples (Hathoot first at seven and Ashley Archuleta tied for second at 5) and had two MW Player of the Week,

one Pitcher of the Week and two Freshman of the Week honors.

UNM produced two All-Mountain West First Team members in Archuleta and Hathoot, who each had their best seasons in a Lobo uniform.

Hathoot produced her best season in her previous three years as a Lobo with 59 hits, nine doubles, seven triples, 31 RBI, 91 total bases, 12 walks, 38 runs scored, a .396 batting average, .452 on-base percentage and .611 slugging percentage and her seven triples tied for the third most in a single season in program history, last done in 1998. Her 59 hits were more than her freshman and sophomore seasons combined, as were her total bases. Further, she had a career-best 15-game hit streak and career-best 20-game streak of reaching base, while also leading the team with 18 multiple hit games, five games with three hits and had seven multiple RBI games with a career-high five RBI against NMSU. Among the MW, the Lobo led the MW in triples and assists (114), was second in fielding double plays, second in batting average, fifth in hits, eighth in slugging percentage and total bases and ninth in on-base percentage. Archuleta finished with 43 hits, four doubles, five triples (tied for the ninth most in a single season in program history) and three home runs, 25 RBI and 66 total bases, had a .508 slugging percentage, .331 batting average and .401 on-base percentage. She finished her best season as a Lobo in terms of home runs, triples, batting average, slugging percentage and total bases.

In the circle, Amber Linton recorded a MW-best 164 strikeouts and set a program record in strikeouts per game at 7.24, besting her own program record of 6.97 she set in 2022. Her 14 complete games doubled her total from the previous year and she also registered 15 games with five or more strikeouts and three games with 10-plus strikeouts, an improvement over last season as well.

Nationally, Hathoot finished 53rd in the NCAA in batting average, fifth in triples and seventh in triples per game, Archuleta finished 28th in triples and 30th in triples per game, Robinson finished 30th in sacrifice bunts and Linton finished 58th in strikeouts.

At the conclusion of the 2024 season, the Lobos added another All-Mountain West First Team selection in Hathoot, with Hathoot becoming just the third two-time first team recipient in program history and one of 13 Lobos all-time to earn multiple MW all-conference postseason awards. On the season, Hathoot carried a career-best 27-game streak of reaching base and a 17-game hitting streak with a career-best 20 multiple hit games. Additionally, she led the Lobos with an overall batting average of .382, 66 hits and 37 runs scored with her 66 hits the most for a Lobo since Mariah Rimmer's 67 in 2016 and the 8th-most hits in a single season in program history.

In Orgeron's three years, the Lobos also cultivated a standard of success in the classroom, producing the two highest GPAs in program history during the 2023-24 academic year after establishing a program record of 3.59 in the fall and besting that with a 3.63 in the spring. Additionally, the Lobos added a 3.58 GPA in the fall of 2024 for the third-highest GPA in program history, and a new program record of a 3.70 GPA in spring 2025, signifying the last four semesters having been the four highest in program history. In the last six semesters under Orgeron, the team GPA has improved from 3.47 to 3.70, with the Lobos posting the best academic year in program history with a 3.64 in the 2024-25 academic year. The Lobos had a program-record 16 on the Spring 2023 Academic All-Mountain West Team and a program-record 12 named a MW Scholar-Athlete, which improved to a MW- and program-best 20 MW Scholar-Athletes in 2024 and 14 on the Spring 2024 Academic All-Mountain West Team.

The Lobos have also made a commitment to giving back to the community, earning the Lobo Spirit of Service award in 2025 after serving the most hours of community service in the athletic department with a total of 573 hours.

Prior to arriving at UNM, Orgeron spent six seasons as the head coach at Stephen F. Austin, with the Ladyjacks surpassing 30 wins in four of five seasons and were on pace for another stellar result in the shortened 2020 season with a 19-4 record. Through her six seasons, Orgeron compiled a 169-123 record and was named the 2021 Southland Conference Coach of the Year.

Before taking the helm at SFA, Orgeron gained experience as the head coach at Tyler Junior College (2013-16) and a spent a year as the head coach at Paris Junior College (2012-13). Orgeron got her start in coaching as a graduate assistant at Hardin-Simmons in 2008 before getting her first coaching job as an assistant coach at Howard College in 2010.

Orgeron earned a B.S. in health and physical education from Eastern New Mexico in 2008 and earned a master's in sports management and kinesiology from Hardin-Simmons in 2009.

Orgeron and her partner Christine Orgeron have two dogs, Tyler and Charlie, and a cat, Jacks.
