About The Eric Liddell Community

The Eric Liddell Community is a charity and vibrant community hub located in a historic building in Morningside, Edinburgh. Founded in memory of Olympic gold medallist Eric Liddell, our mission is to bring people together to enhance health and wellbeing and create a community where no one feels lonely or isolated. We provide specialist dementia care, support for unpaid carers, and a wide-ranging programme of community activities and events.

Our Community Hub is central to our mission and contributes vital income which supports our work with people living with dementia and carers. It combines a busy café, a charity shop, an Eric Liddell exhibition and room, office and residential property rental. The hub welcomes thousands of visitors every year and plays a central role in the life of the local community.

About the Job

The Community Hub Operations Manager will lead the day-to-day operation of The Eric Liddell Community Hub, ensuring it remains a welcoming, vibrant, safe and sustainable environment for everyone who uses it. Leading a team of staff and volunteers, the postholder will oversee front desk, cafe and caretaking operations, room rental and facilities management.

The successful postholder will also support the transformation of the Community Hub, helping to strengthen systems, refine roles and responsibilities, optimise the use of space and develop recommendations to maximise the income, impact and sustainability of the Hub.

About You

We are looking for an applicant with experience of the operational management of facilities with an excellent knowledge of health and safety. An experienced people manager, we are looking for someone with a collaborative style of leadership who can lead change. You will balance a

commercial understanding with an ability to work with a variety of stakeholders. You'll be positive and approachable with a 'can do' attitude.

Key Responsibilities

Community Hub Operations

- Lead the day-to-day operation of the Community Hub.
- Support effective coordination between front desk, café, and caretaking teams.
- Capture, monitor and analyse data and identify opportunities for improvement
- Ensure visitors, clients, customers and tenants receive a high level of customer service.
- Network with other community venues and capture innovative practice from across sectors
- Identify and implement opportunities to use digital tools and systems in our building operations

Income Generation and Financial Management

- Maximise sustainable income from the café, room rental, office rental and other uses of the building.
- Build and maintain strong relationships with tenants, negotiating contracts and ensuring they feel valued members of The Eric Liddell Community.
- Review the use of available space across the Hub, developing proposals for underused spaces and identifying opportunities to improve occupancy and long-term sustainability.
- Ensure that building income targets are met, value for money is achieved and invoices are received and paid on time.

Health and Safety and Facilities Management

- Manage supplier procurement, contracts and performance to ensure value for money and high-quality service delivery.
- Oversee repairs and maintenance, including managing building contractor relationships.
- Lead delivery of health & safety, fire safety and compliance responsibilities, ensuring staff and volunteers are appropriately trained and annual inspections are carried out where necessary.
- Ensure the building remains safe, clean, accessible and fit for purpose.
- Manage relationships with our IT and telephony providers, approving tickets and helping to trouble shoot problems for staff, tenants and volunteers.

Team Leadership

- Provide day-to-day leadership and support to front desk, caretaking and café staff.
- Lead the development of a positive volunteer experience within Community Hub operations, ensuring volunteers are effectively recruited, supported, recognised and retained.
- Coordinate the Team to ensure that cover is in place during periods of leave/absence

Strategic Leadership

- Act as a member of the leadership team, upholding our corporate values and leading by example.
- Contribute to organisational planning and continuous improvement.

- Support delivery of the organisation's strategic objectives, and the development of our next strategy.
- Prepare reports and updates for senior leadership and Trustees.
- To lead ELC's carbon neutral journey and sustainability.

Required Knowledge, Skills and Experience

Essential

- Experience managing building operations within a community, hospitality or public-facing environment
- Track record in facilities management and health and safety
- Organised and experienced managing multiple priorities and services simultaneously
- Experience of managing a team of staff
- Excellent communication and relationship management skills
- Proactive and self-motivated, with ability to solve problems and an eye for improving systems
- Ability to balance commercial awareness with social impact
- Confident managing budgets, assessing profitability and maximising value for money
- Experience managing external contractors and suppliers
- Experience implementing operational improvements or change projects

Desirable

- A keen interest in and understanding the work and mission of The Eric Liddell Community
- Qualification in facility management, health and safety and/or food hygiene
- Experience of working or volunteering within the charity or social enterprise sector
- Knowledge of Hallmaster and/or other venue booking systems
- Experience working with volunteers
- Confident user of digital tools including AI
- Experience in preparing/presenting Board and Committee reports for Trustees
- Understanding of environmental sustainability and carbon reduction
