

# Tighter Knitted Clothes Scope Overview

# Base Layers

C8001  
91/9 Polyester/Spandex, 225gsm  
Brushed soft inside  
Drytex4001 technology  
Flat lock seam  
Moisture wicking/quick dry+ thermal + light weight

C8002  
91/9 Polyester/Spandex, 225gsm  
Brushed soft inside  
Drytex4001 technology  
Flat lock seam  
Moisture wicking/quick dry+ thermal + light weight

C8003  
91/9 Polyester/Spandex, 225gsm  
Brushed soft inside  
Drytex4001 technology  
Front zipper at placket  
Flat lock seam  
Moisture wicking/quick dry + thermal + light weight

C8004  
91/9 Polyester/Spandex, 225gsm  
Brushed soft inside  
Drytex4001 technology  
Flat lock seam  
Moisture wicking/quick dry+ thermal + light weight

C8005  
90/10 Polyester/Merino Wool, 180gsm  
Brushed soft inside  
ThermoStretch technology  
Flat lock seam  
Moisture wicking/quick dry+ thermal + light weight

C8006  
90/10 Polyester/Merino Wool, 180gsm  
Brushed soft inside  
ThermoStretch technology  
Flat lock seam  
Moisture wicking/quick dry + thermal + light weight

# Compression

C6001  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
sublimation print  
Moisture wicking/quick dry

C6002  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
sublimation print  
Moisture wicking/quick dry

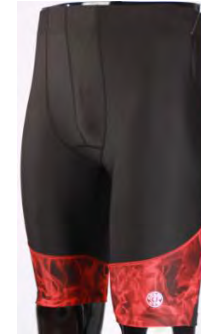

C6003  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
sublimation print  
Moisture wicking/quick dry

C6007  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
Moisture wicking/quick dry

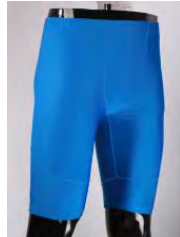

C6004  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
sublimation print  
Moisture wicking/quick dry

C6005  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
sublimation print  
Moisture wicking/quick dry

C6006  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
Moisture wicking/quick dry

C6008  
86/14 Polyester/Spandex, 200gsm  
Tricot construction  
Flat lock seam  
Moisture wicking/quick dry

# Performance sportswear-1

C2001  
100% Polyester, 140gsm  
Coolmesh  
Flat lock seam  
Moisture wicking/quick dry

C2002  
100% Polyester, 140gsm  
Coolmesh  
Flat lock seam  
Moisture wicking/quick dry

C2003  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather grey  
seam sealed zipper  
Flat lock seam  
Moisture wicking/quick dry

C2004  
92/8 polyester/spandex, 165gsm  
FreshMax Technology  
seam sealed zipper  
Flat lock seam  
Moisture wicking/quick dry

C2005  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather grey  
reflective zipper tape  
Flat lock seam  
Moisture wicking/quick dry

C2006  
92/8 polyester/spandex, 165gsm  
FreshMax Technology  
Flat lock seam  
Moisture wicking/quick dry  
+ Anti-bacterial/odor preventing

C2007  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather grey  
emboss print  
Flat lock seam  
Moisture wicking/quick dry

C2008  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
emboss print  
Flat lock seam  
Moisture wicking/quick dry

C2009  
92/8 Polyester/spandex, 165gsm  
FreshMax Technology  
Flat lock seam  
Moisture wicking/quick dry  
+ Anti-bacterial/odor preventing

C2010  
92/8 polyester/spandex, 165gsm  
FreshMax Technology  
Flat lock seam  
Moisture wicking/quick dry  
+ Anti-bacterial/odor preventing

C2011  
92/8 polyester/spandex, 215gsm  
Flat lock seam  
Moisture wicking/quick dry

C2012  
92/8 polyester/spandex, 215gsm  
Flat lock seam  
Moisture wicking/quick dry

C2013  
92/8 polyester/spandex, 215gsm  
Flat lock seam  
Moisture wicking/quick dry

C2014  
88/12 Polyester/Spandex, 240gsm  
Moisture wicking/quick dry

C2015  
92/8 Polyester/Spandex, 215gsm  
Flat locking seam  
reflective tape zipper  
Moisture wicking/quick dry

C2016  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather color  
Flat lock seam  
Moisture wicking/quick dry

# Performance Sportswear-2

C2017  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather color  
Flat lock seam  
Moisture wicking/quick dry

C2018  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather color  
Flat lock seam  
Moisture wicking/quick dry

C2019  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather color  
Flat lock seam  
Moisture wicking/quick dry

C2020  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
heather color  
Flat lock seam  
Moisture wicking/quick dry

C2021  
88/12 polyester/spandex, 240gsm  
Moisture wicking/quick dry

C2022  
95/5 cotton/spandex, 215gsm  
heather color  
Flat lock seam  
reflective tape zipper

C2023  
88/12 Polyester/spandex,  
165gsm  
MP3 hole  
Invisible zipper  
Flat lock seam  
Moisture wicking/quick dry

C2024  
90/10 Polyester/Spandex, 133gsm  
Heat transfer print  
Moisture wicking/quick dry

C2025  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
Flat lock seam  
Moisture wicking/quick dry

C2026  
44/44/12 cationic polyester  
/polyester/spandex, 165gsm  
Flat lock seam  
Moisture wicking/quick dry

C2027  
90/10 Polyester/Spandex, 133g  
Heat transfer print  
Moisture wicking/quick dry

C2029  
90/10 Polyester/Spandex, 133gsm  
Heat transfer print  
Laser cut zipper pocket  
Moisture wicking/quick dry

C2028  
90/10 Polyester/Spandex, 133gsm  
Heat transfer print  
Moisture wicking/quick dry

# KEY POINTS

## FLAT LOCK STITCHING

What is flatlock stitching?

This type of sewing creates a flat seam to the garment and instead of a traditional seam that is raised on the inside, the seam is flat on both sides. The stitching is visible and some of our customers have said it even feels more comfortable.

It is used primarily for performance wear. Below is a photo of flatlock seam.
