# MAXX-M

TRAVELLING AT A NEW LEVEL

MAXX-M is a premium lifestyle magazine that focuses on the best and most luxurious hotels, villas and resorts, high-end restaurants, lavish spas and first-class travel and hospitality around Asia and the Pacific.

Since our inception in 2003, we have consistently and reliably brought to our readers not only the best premium establishments, but also in-depth, comprehensive analysis of the entire spectrum of the hospitality and travel industry. We dissect individual elements of luxury accommodations and upscale restaurants and report what makes a particular establishment special in the eyes of our readers, living

up to our tagline:

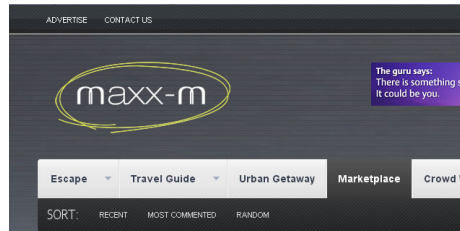

“TRAVELLING AT A NEW LEVEL.”

Our editorial content covers a vast range of topics. Well-Being looks at the latest happenings in beauty, health, fashion and sports related to travel and hospitality; Restaurant Review visits the best restaurants in Asia, including MAXX’s Favourite Place; and The Chef and In the Kitchen highlight the rising stars of the culinary world and take readers for a behind-the-scene look at the wonderful and mysterious world of the kitchen. Profile tells story of

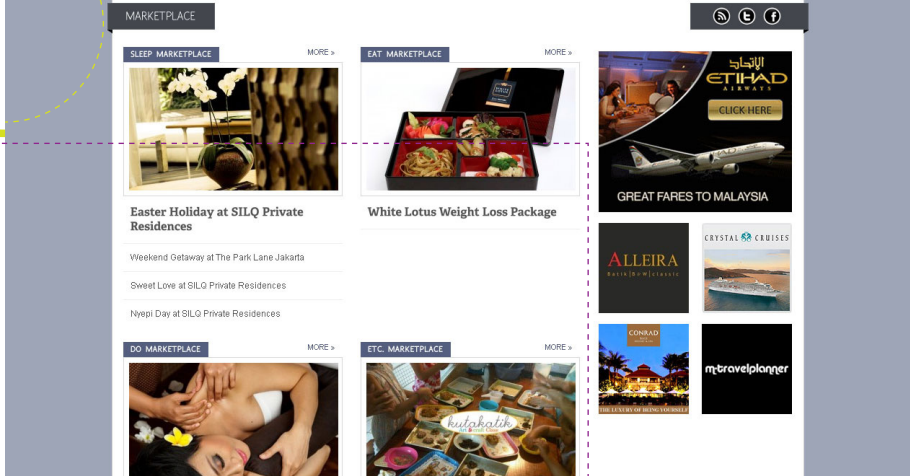

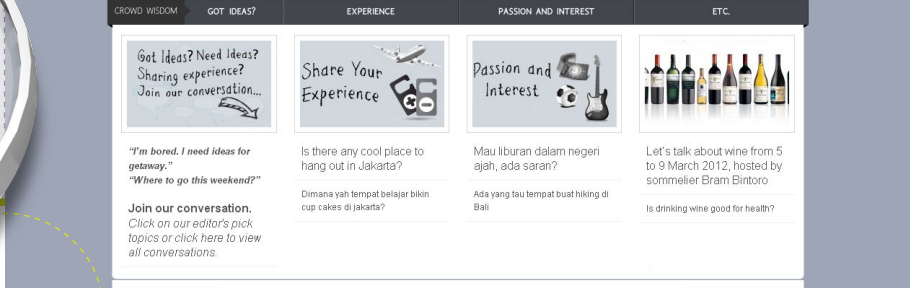

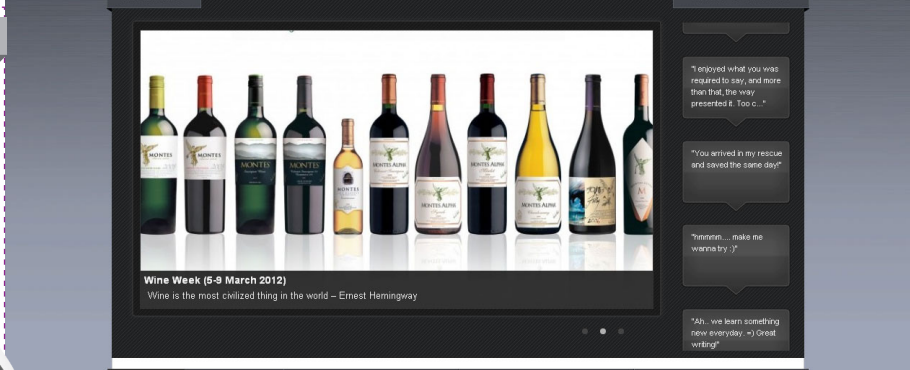

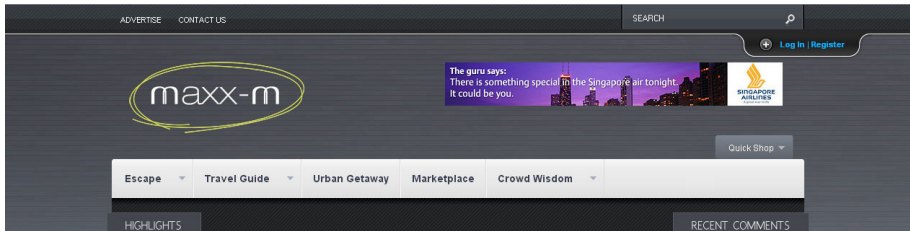

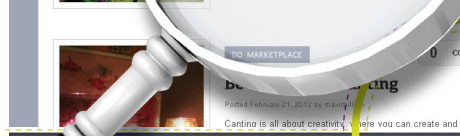

some of the most successful people in the hospitality industry, as well as extraordinary individuals selected for their intimate knowledge of the hospitality industry and luxury travel; and 360-Degrees: Around the Globe highlights premium travel at its best, with a unique new edge. Check-In provides an in-depth glimpse at some of the best luxury accommodations in the world, and, of course, Cover Story explores a unique theme each month.

There is simply no competition when it comes to presenting Hospitality at a New Level, and readers agree that MAXX-M is the undisputed leader in hospitality and travel.
