vs. Maryland –February 16, 2020**

Siyeh Frazier | Guard | Sr.

Q: Could you talk a little bit about just the emotions of it being senior day and what it was like to go through the pregame ceremony? And did the emotions from that, did you think that they played any part in the way that you were able to perform in the first half?

A: Yes, I believe so. I think that it is a really special thing to be honored by your teammates and by a coach and, I mean, I definitely feel like I used it to fuel me to play for myself and for my team.

Q: Siyeh, the third quarter again didn't go your way, something that has kind of been a theme this year, what do you have to do to try to make that third quarter better just even a little bit to keep yourselves in games?

A: I think personally just staying more composed at the beginning of the half and just following the game plan that coach set out for us and just sticking to it.
