STORY LINES

- This is Duquesne's first full season at UPMC Cooper Fieldhouse. The Dukes scored a 71-63 victory on Feb. 18 over Rhode Island in the team's lone game at the newly-renovated facility last season. Duquesne was forced to play off campus the past three seasons and responded by going a combined 13-9 in "home games" at La Roche University, PPG Paints Arena, UPMC Events Center and Oakland Catholic High School.
 - Since taking over as head coach in 2013-14, **Dan Burt** has led the Dukes to 163 wins. Only Dayton (172) and Fordham (172) have amassed more wins during that span in the Atlantic 10. The Dukes are also one of three A-10 programs to post a winning season in six of the past seven seasons (Dayton, Fordham, & VCU).
 - Since 2013-14, the Dukes have led the Atlantic 10 in scoring offense (2x), scoring margin, field goal percentage (2x), free throw percentage and assists per game (2x). Duquesne has ranked at least fourth in the conference in points per game, field goal percentage and assists per game in all but one season since 2014-15.
 - Head Coach **Dan Burt's** time on The Bluff has brought unmatched success. The Dukes have earned 10 postseason appearances and 10 20-win seasons in 14 seasons in the Steel City. Prior to joining the coaching staff in 2007-08, the Dukes had never earned a trip to the postseason or eclipsed 20 wins in a single season. In 2015-16, Duquesne earned its first bid to the NCAA Tournament as a No. 9 seed and earned dominant 21-point win over No. 8 Seton Hall.
 - Duquesne has posted five 20-win seasons and five trips to the postseason since 2013-14. Burt has coached six of the 11 top scorers in program history and 11 of the 30 1,000-point scorers at Duquesne. Under his tutelage, the Dukes have earned 21 all-conference honors.
 - Duquesne's top-eight scorers all return in 2021-22. The Dukes scored 999 points last season and 845 of those points were scored by players returning to the fold this season, including **Amanda Kalin**.
 - AMANDA KALIN:** Started each of the first six games, before suffering a season-ending injury ... Expected to return to the team later this season ... A REVITALIZED VISUAL IDENTITY

Duquesne unveiled a new visual identity for its 17 athletics programs in 2019. Rooted in the heritage of the University and the city of Pittsburgh, the result is an angular, more aggressive "D" - which takes inspiration from both the Spiritan Congregation flame and the University's iconic Gothic D logo. The modern and dynamic gothic-reimagined D will serve as the primary mark for athletics, while paying homage to Duquesne University's distinction as the only Spiritan institution of higher education in the United States.

PRIMARY MARK

The preferred color code for all versions is the red logo on a navy background. If the logo is being used on white, navy is preferred. If the background is black, white is preferred.

SECONDARY MARK

DUQUESNE

TERTIARY MARK

"This is the ideal time to reimagine our brand identity," said Duquesne Director of Athletics Dave Harper. "Having a strong and recognizable mark is essential as we continue to elevate the profile of Duquesne athletics."

Duquesne partnered with Change Up (formerly Interbrand Retail) - a leading global branding agency - for the re-design project. Change Up, whose clients include Best Buy, T-Mobile, Buffalo Wild Wings, and Macy's among others, has handled rebranding efforts for sports entities ranging from FC Cincinnati (part of a larger, agency-wide team) to the world-renowned Juventus Football Club. The Department of Athletics and Change Up engaged partners on campus as well as current and former members of the athletics community throughout the rebranding initiative which spanned nearly 18 months. Focus groups included past and current student-athletes, coaches, Duquesne students, staff and alumni. The process also included feedback from Duquesne's athletics apparel partner, Nike.

The new "Duquesne Dukes" wordmark features a subtle salute to Pittsburgh with a raised first "U" that not only offers a visual cue to the pronunciation of Duquesne, but also acknowledges the city's trademark bridges with the arch created by the letters DUQ. The wordmark was designed in a new "Bluff" custom typeface. The Bluff typeface, which complements the new monogram, features an aggressive appearance with angled terminals, spiked serifs and includes numerals that will appear on game uniforms.

"It was a priority of ours to incorporate key University and Pittsburgh elements into our new visuals," said Harper. "As much as this new look is essential to rebuilding our image, we must combine academic excellence and competitive success along with our new images to truly elevate our brand across the board."

In addition to the traditional red and blue color scheme, a dash of electric blue and silver will be used as accent colors for a more fashion-forward appeal. In a further salute to Duquesne's Pittsburgh roots, hypocycloids - in electric blue only - will also be introduced as a graphic support element.

The new brand identity, which will allow Duquesne's athletics teams to showcase consistent logos, lettering and numerals, is independent of the existing University marks that remain unchanged.

In addition to a new identity system, Duquesne athletics also unveiled a new visual design theme to be featured comprehensively across all print, social, digital and advertising media. The navy-based photography is gritty and moody, to capture the drive and commitment of our athletes. The white-based photography is about creating a dynamic visual that focuses on action and energy. Together, these themes capture the essence of being a student-athlete and serve to elevate DU's visual branding.

This is the first phase of a multi-year process to completely rebrand Duquesne athletics. Additional steps include facility graphics, video and digital elements, in-market merchandising, and reimagining of the Duke mascot.

Dan Burt Head Coach • 9th Season as Duquesne Head Coach • 15th on staff

Dan Burt enters his ninth season at the helm of the Dukes in 2021-22. Since taking over as head coach in 2013-14, Burt has led the Dukes to the third most wins in the Atlantic 10 with 158 victories. Among head coaches that were hired since the 2013-14 season, he ranks fifth nationally in wins.

Burt entered the 2021-22 campaign with a career record of 158-89 and 80-43 record in Atlantic 10 play and is just 19 wins shy of becoming Duquesne's all-time winningest head coach.

Burt, the only coach in the history of Duquesne women's basketball to lead the program to the NCAA tournament, was named head coach of the program on April 27, 2013. In his seven seasons leading the Dukes, he has had unprecedented success in both the Atlantic 10 Conference as well as nationally. It took only 149 games for Burt to claim his 100th career victory, the 15th fastest to that feat in NCAA women's basketball history.

He led Duquesne to its first NCAA Tournament in 2016. The ninth-seeded Dukes downed Seton Hall, 97-76, in the first round before falling to undefeated and eventual national champion UConn.

Burt's time on the Bluff has brought unmatched success. The Dukes have earned 11 postseason appearances and 10 20-win seasons in the 14 seasons in the Steel City. Prior to joining the coaching staff in 2007-08, the Dukes had never earned a trip to the postseason or eclipsed 20 wins in a single season.

During his 14 seasons on the Bluff, including seven as the program's top assistant coach, Burt helped the Dukes to 276 victories and ten postseason appearances. He has recruited and coached 16 players who earned all-conference honors a total of 33 times as well as 12 1,000 point scorers. He has also coached five players that received the Atlantic 10 Conference highest postseason awards – Player of the Year (April Robinson in 2016), Defensive Player of the Year (Kristi Little in 2008 & 2009 and Jocelyn Floyd in 2011), Rookie of the Year (Wumi Agunbiade in 2011) and Sixth Woman of the Year (Deva'Nyar Workman in 2016).

A key component in Burt's coaching philosophy is player and career development. In his time at Duquesne, 18 of Burt's players have gone on to play professionally overseas and 100% have earned their degrees.

In June 2013, Burt was selected as one of 30 head coaches across the nation to participate in the Center For Coaching Excellence by the Women's Basketball Coaches Association (WBCA). The event introduces coaches to various aspects of leadership and provide a deeper understanding and appreciation of the importance of ethics and integrity in college women's basketball through a rigorous curriculum presented in a seminar-style environment. The exclusive invitation-only elite leadership program was held at Columbia University in New York City.

Burt has also facilitated roundtable discussions at the WBCA National Coaches Convention. He was one of 15 assistant coaches selected from around the country to lead the discussions in 1999, 2002, 2003, 2004, 2006, 2011 and 2013. He also coordinated a roundtable meeting for the entire athletic department at UNC Wilmington during 2003-04 that focused on recruiting for all sports at the school.

In 2002, Burt worked with YES - Youth Education through Sports - Basketball Clinic as part of the Final Four Festivities in San Antonio, Texas. He reprised the role at the 2014 Final Four in Nashville, Tenn. YES is the NCAA's premier outreach to youth across the country, connecting young athletes with collegiate coaches and student-athletes to provide fundamental instruction in sports, conditioning and life skills at select collegiate championships.

Burt graduated from Trinity High School in Washington, Pa. prior to earning a bachelor's degree in physical education from West Liberty State College in 1993. While a Hilltopper, Burt was a scholar-athlete award winner as a member of the men's basketball team.
