Siyeh Frazier | Guard | Sr.

Q: Siyeh, what motivated you to take control of the game like you did? Was it due to it being your last game at the BJC?

A: Yes, I think that's definitely the reason. I mean I'll never play on this court again, so I had to make the most of it.

Q: What has it meant to you to contribute to the Lady Lion legacy throughout your career?

A: I mean, it means a lot. I was able to experience something bigger than myself and learn a lot from it so I'm grateful.
