HALL OF FAME

The EIVA announced in February that it will not honor a Hall of Fame Class for 2021 & 2022.

However the league would still like to recognize the 2020 class, which did not receive its usual recognition at league postseason events at the 2020 tournament due to their cancellation. The 2020 class of Andy Fishburn, Jason Kepner, and Shaun Powell will be properly recognized at the 2022 tournament.

ANDY FISHBURN, Yale

Fishburn played two seasons at Yale in 1974-75 when the Bulldogs first earned varsity status on their way to the 1975 national semifinals. He had a decorated professional beach volleyball career which included 21 tournament titles and two world championships in 1980 & 1984.

JASON KEPNER, Penn State

Kepner was a freshman member of Penn State's 1994 national championship team and ended his Nittany Lion career a second-team All-American in 1997. He is the all-time winningest coach for the College of Charleston women's program and earned his 300th career win March 28.

SHAUN POWELL, George Mason

Powell was a standout athlete at George Mason who has his name etched in the Patriot record books in several spots. He was the EIVA Player of the Year and an AVCA First-Team All-American in 2006 and went on to play professionally in Denmark and Germany. He is now the technical director for the Titans Volleyball Association in his native
