BIG TEN. BIG NEWS.

- Big Ten basketball coaches will join their colleagues across the country in participating in the Coaches vs. Cancer Suits & Sneakers Week (Jan. 23-29). This is a nationwide event created to raise funds and awareness about the fight against cancer and promotes the American Cancer Society as a source of inspiration and hope for those facing cancer. Since the CvC program began in 1993, college and high school coaches have raised more than \$140 million in the fight against cancer.
- Four of the 15 players selected to the 2023 Naismith Men's Defensive Player of the Year Watch List reside in the Big Ten. Chase Audige (NU), Zach Edey (PUR), Trayce Jackson-Davis (IND) and Caleb McConnell (RUT) are in contention for the award, annually given to the nation's top defensive player.
- There are just three games on the Big Ten calendar today, but the contests include three of the top four teams in the league standings. Michigan will visit Penn State at 12 noon, with both looking to rebound from mid-week losses (BTN). At 12:15 p.m., Michigan State will look to knock off the top ranked Boilermakers (CBS), while Iowa will look to return to the win column after back to back losses, as it plays host to Rutgers at 2 p.m. (BTN).
- Michigan and Penn State will meet for the second time in 25 days on Sunday, as the Nittany Lions hope to avenge a 79-69 loss they suffered in Ann Arbor. Trailing by 14 points with 8:25 to play, Penn State used an 11-0 spurt to pull within 68-65 on Andrew Funk's three with 4:28 on the clock. The Nittany Lions would get no closer, as they missed their final five field goal attempts, while the Wolverines went 5-6 from the free throw line in the game's final minute. Six Wolverines scored north of eight points in the win, led by Hunter Dickinson's 17 points and six boards, while Jalen Pickett paired 26 points and nine boards in the losing effort.
- Hunter Dickinson leads U-M in scoring (18.3) & rebounding (8.9). This is the third season the junior has led the squad in both categories. Since rebounding statistics began to be tracked in 1958, 12 Wolverines have led the Maize and Blue in both scoring and rebounding in a single season. Last season, Dickinson became the fourth Wolverine to do it more than once, joining LaVell Blanchard (4x), Rudy Tomjanovich (3x) and Roy Tarpley (3x). The center is also the fifth Wolverine to record at least 1,000 points, 500 rebounds, and 100 blocks in a career.
- Jalen Pickett is the only player in the country averaging at least 17 points (17.3) per game, eight rebounds (8.0) per game and six assists (6.9) per game. Only one men's college basketball player in the last 30 years (since 1992-93 season) has finished the season averaging 17/8/6. Memphis' Penny Hardaway finished the 1992-93 season averaging 22.8 points, 8.5 rebounds and 6.4 assists per game in an All-American season. In addition to being the only player in the Big Ten to rank in the top 10 in points, rebounds and assists, Pickett ranks fourth in the nation in assists per game and sixth in assist-to-turnover ratio (3.21).
- Just 13 days after Purdue escaped the Breslin Center with a 64-63 win, Purdue will play host to the Spartans in a contest that marks just the third time in league history that two coaches with at least 400 wins will square off against each other. The Boilermakers and Spartans played an "instant classic" in their last matchup, as neither team led by more than four points over the final 16 minutes. Four of the game's 26 lead changes came in the final two minutes, including three in the final 32 seconds. Fletcher Loyer hit a pair of free throws to give Purdue a 62-61 lead with 32 ticks to play. Following an MSU timeout, Tyson Walker's jumper put the Spartans ahead with 12 seconds to play, but Loyer found Zach Edey for the game-winning lay-up with just three seconds to play. Edey led Purdue with 32 points and 17 rebounds, while Walker closed the night with 30 points.
- The Spartans, who played one of the nation's toughest schedules in the country to open the season, have faced the No. 1 toughest slate of opposing offenses in the country, the 19th-toughest slate of opposing defenses and rank No. 3 overall in strength of schedule, per KenPom.com. The Spartans are No. 8 nationally in the NET Strength of Schedule.
- Purdue can claim America's best resume, leading the country with eight quad-1 wins, five of them against teams ranked in the NCAA Net's top 30 (Gonzaga, Ohio State, West Virginia, Marquette, Duke). Seven of the

Murray is one of 11 players nationally with four or more 30-point performances, including one of three from the Big Ten (Purdue's Edey; Indiana's Jackson-Davis). He is one of four Hawkeyes to score 30+ at least four times in the Fran McCaffery era joining Luka Garza (13), Keegan Murray (5), and Peter Jok (5).
- Purdue made its return to the top of both the AP and USA Today polls this week, marking the Boilermakers' fifth week of the season ranked at No. 1. The Big East and PAC 12 have seven and six entrants, respectively, while the ACC checks in with four.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including a Big Ten-record 48 honorees during the 2021-22 academic year.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2022 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,900 Academic All-Americans, including 48 honorees during the 2021-22 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 28 years, averaging nearly seven per year during that span.

Since the 2005-06 academic year, current Big Ten institutions have claimed 109 team national championships in 26 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history. Big Ten Olympians collected nearly 80 medals in the most recent games in PyeongChang and Beijing.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
