No		Dump Trucks	These vehicles are not recreational vehicles. They are made for hauling large, heavy objects. They are inappropriate for parking in grass lots. In addition, the explosive capacity and stand-off distances for these vehicles as defined by Department of Homeland Security exceed our risk tolerance.	
No		Converted Ambulances		
No		Box Trucks		
No		Tow Behind Box Trailers		
No		Converted Fire Trucks		
No		Concession Trailer	In Addition to above, these are against university policy.	
No		Tailgating Trailers	Penn State provides parking for cars and recreational vehicles. These do not qualify.	
No		Tow Behind Grills	These present a burn hazard and require substantial clearance.
