**KIRIN KUMAR**

Head Coach

1st Season at Ohio State

AT MIAMI (OHIO)

A two-time MAC Coach of the Year with the RedHawks, Kumar was 174-56-1 (.755) during her time in Oxford and won three MAC Tournament championships, four MAC regular season titles and led her team to the NCAA Tournament in each of the last four seasons. The RedHawks were 107-16 (.870) against MAC competition and also picked up non-conference wins over Tennessee, Georgia Tech (twice), South Carolina, Louisville (twice), Kentucky, California (three times) and Michigan.

At Miami, Kumar coached 32 All-MAC honorees, 23 all-region awards, six All-America honorees, three MAC Freshman of the Year award winners and two MAC Player of the Year and one MAC Pitcher of the Year. Her teams also excelled in the classroom, capturing 33 Academic All-MAC accolades since 2021.

Kumar's 2024 team was powered by one of the most potent offenses in NCAA history. Miami hit 160 home runs – second-most in a single season in NCAA history – and scored 507 runs. The RedHawks led the nation in home runs, home runs per game (2.76), slugging percentage (.724) and scoring offense (8.7 runs per game) while finishing third in batting average (.348) and fourth in on-base percentage (.451).

Miami concluded the 2024 campaign with a program-record 49 wins and was ranked in the national polls for the first time in school history. Individually, Miami had eight NFCA All-Region honorees and two All-America selections. Karli Spaid, who led the nation with 36 home runs, fell just one home run shy of matching the NCAA record for home runs in a season.

NOTEABLE NUMBERS

160: The 160 home runs that Kumar's team at Miami hit in 2024 was the second-most in a single season in NCAA history.

103: Miami's Karli Spaid, who Kumar coached for her entire four-year career at Miami, ranks second in NCAA history with 103 career home runs and went on to become the first Miami player ever to be drafted to play professional softball.

507: Kumar's 2024 Miami squad led the nation with 507 runs scored. The RedHawks also led the nation in home runs, home runs per game (2.76), slugging percentage (.724) and scoring offense (8.7 runs per game) while finishing third in batting average (.348) and fourth in on-base percentage (.451).

7: In four years as Miami's head coach, Kumar's teams won a total of seven championships: four MAC regular season crowns (2021-24) and three MAC Tournament titles (2022-24). There was no MAC Tournament in 2021 due to COVID-19.

23: Kumar coached 23 All-Region selection at Miami, 32 All-MAC honorees and six All-Americans. She also helped produce three MAC Freshman of the Year award winners, two MAC Players of the Year and one MAC Pitcher of the Year. Her teams also excelled in the classroom, capturing 33 Academic All-MAC accolades since 2021.

PRIOR TO MIAMI

Prior to taking over the Miami program, Kumar had assistant coaching stops at six different schools from 2006-2020. From 2019 through an abbreviated 2020 season, she was at Virginia Tech, where in 2019 she helped the Hokies earn an ACC regular-season title and Coastal Division crown. Working with the infielders, Kumar tutored two all-conference players, an ACC Freshman of the Year honoree and three NFCA all-region (Mid-Atlantic) selections. Under her tutelage, the Hokies had the fourth-best fielding percentage (.969) and committed only 47 errors, the fewest in school history.

Kumar came to Blacksburg following a two-year stint at NC State, assisting with hitting while also running the team's defense. She's also worked as an assistant in two different stints at Tulsa (2015-16 and 2006-10) as well as North Carolina (2011), Western Kentucky (2012-13) and Tennessee Tech (2014).

The Santa Ana, Calif. native played collegiately at Georgia Tech and was a four-year letterwinner for the Yellow Jackets. Kumar saw action in 251 games, which was the second most in program history when she graduated. She was a part of Georgia Tech's first two ACC championships and advanced to the NCAA Tournament all four years.

Kumar earned her bachelor's degree in business management with a minor in finance from Georgia Tech in 2005.
