

In Case of Medical Emergency

Bannerwood Sports Park

1790 Richards Road

Bellevue, WA 98005

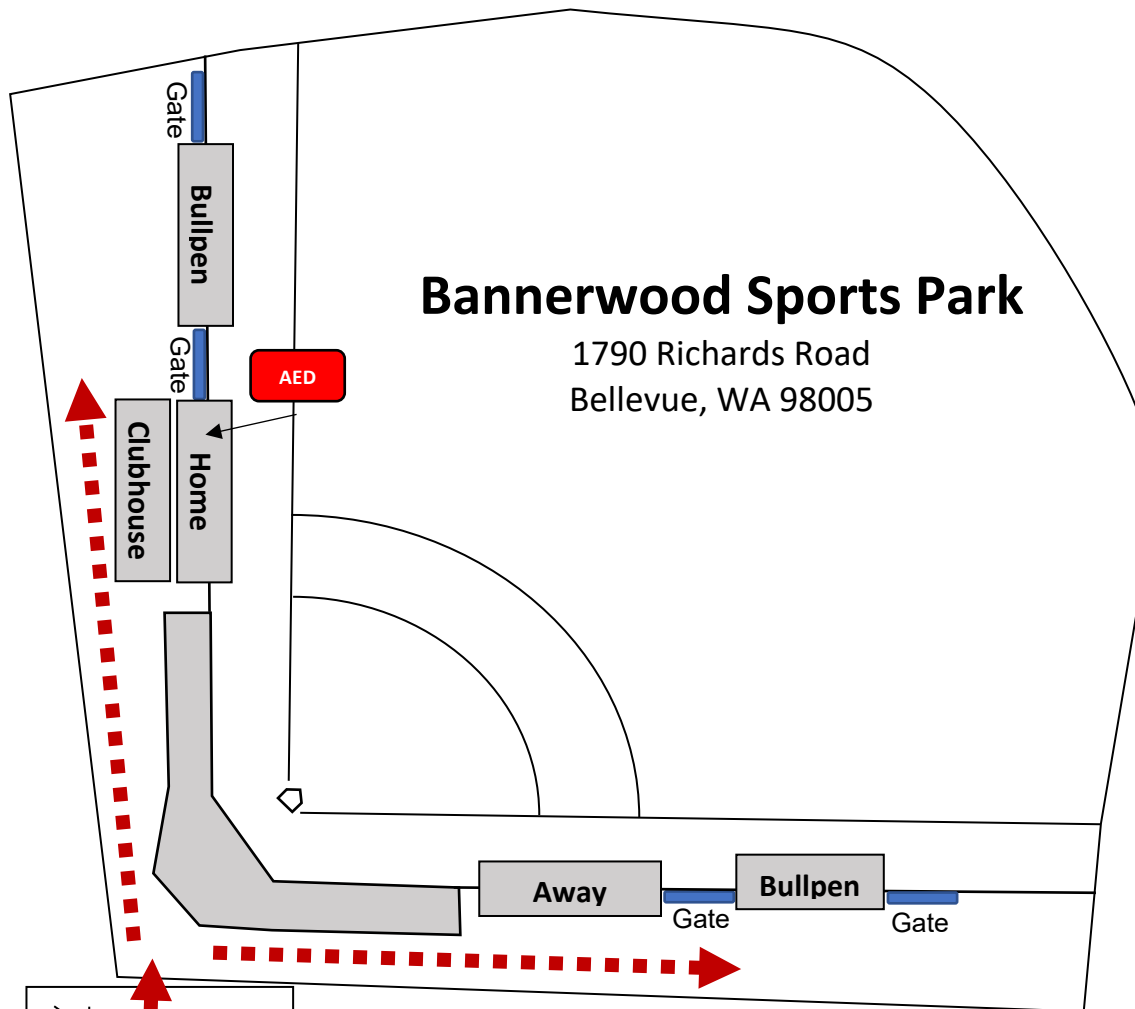

1. **Emergency Personnel:** any one or combination of the following: a certified athletic trainer, athletic training student assistant, strength & conditioning specialist, or coach on site for all practices, contests, strength training and skills sessions. Team physician (as available), certified athletic trainer, student athletic training assistants, and coaches on site for all contests.
2. **Emergency Communication:**
 - Certified athletic trainers will carry a cellular telephone when present at practice and at all competitions.
 - Hosting athletic trainer will meet with visiting athletic trainers prior to the start of first competition to communicate EAP and emergency equipment locations.
 - Call Emergency Medical Services (EMS).
 - **Dial 911 from cell phone.**
Provide your name, call-back number, location, the nature of the emergency, the exact location of the victim, and any other information requested by the dispatcher. Do not hang up until the dispatcher releases the call.
3. **Emergency Equipment:** First aid kit, ice, and a splint kit are available at the 3rd base dugout (home) for all competitions. The athletic trainer should communicate with the other medical personnel in attendance to the location of the nearest AED that will be used for the competition.
4. **Role of First Responder:**
 - Provide immediate care of the injured or ill person.
 - Activation of EMS
 - Emergency equipment retrieval
 - Meet and direct EMS responders to the scene/scene control
 - i. Open appropriate gate
 - ii. Designate an individual to flag down EMS
 - iii. Limit scene to first aid providers and move bystanders away from area
