THE AMERICAN TODAY

On one hand, the American Athletic Conference will once again have a new look for the coming college football season as Army plays its first season in the conference.

On the other hand, the league will otherwise be quite familiar to fans. The American will once again feature 14 teams, but only one head coach who is new to his institution (Tulane's Jon Sumrall).

All 14 teams are in action in Week 1, beginning with Thursday-night home games against FCS opponents for UAB, Tulane and Tulsa on ESPN+.

Three more teams are in action Friday as Army hosts Lehigh on CBS Sports Network in the Black Nights' AAC debut. Florida Atlantic opens at Michigan State on Big Ten Newtwork, while Temple visits No. 16 Oklahoma on ESPN.

The remaining teams in The American begin play Saturday, starting with Navy's matchup against Bucknell on CBS Sports Network.

ESPN+ will have six games with American Athletic Conference teams. UTSA welcomes FBS newcomer Kennesaw State to San Antonio, while Rice faces Sam Houston, which is in its second season as an FBS team. North Texas heads to South Alabama for the first of 11 games for American Athletic Conference teams against Sun Belt opponents.

East Carolina, Memphis and South Florida welcome FCS opponents to their home stadiums as the Pirates host Norfolk State, the Tigers entertain North Alabama and the Bulls take on Bethune-Cookman.

Charlotte caps The American's Week 1 with a key nonconference game against James Madison, an 11-win team from a year ago, on ESPNU.

AMERICAN NOTEBOOK

The American Way

The American Athletic Conference plays its second season as a 14-team conference in 2024 and its first under its current membership. The American welcomed Army as a football-playing member as of July 1, 2024.

Auld Lang Syne

The American Athletic Conference has sent its champion to a New Year's Six bowl game in eight of the conference's first 11 seasons.

The American in CFP/New Year's Six Bowls

2013	UCF 52, Baylor 42 (Fiesta Bowl)
2015	Houston 38, Florida State 24 (Peach Bowl)

Top 10

The American Athletic Conference has had a team finish in the top 10 of the national polls six times in the league's first 11 seasons, most recently in 2022, when Tulane finished at No. 9.

Top 11

The American Athletic Conference was one of six FBS conferences that had two 11-win teams last season (Big Ten, MAC, Pac-12, SEC, Sun Belt).

Top 12

The 2024 season will be the first to include a 12-team College Football Playoff. The top five conference champions will be included in the 12-team field, while seven spots will be filled with at-large teams as chosen by the CFP Selection Committee.

Top 25

American Athletic Conference teams will play a combined 10 nonconference games against teams ranked in the preseason top 25 polls in the 2024 season. That ledger includes games against three of the top six teams and four of the top 10.

Conference Call

In the College Football Playoff era (since 2014), The American has a combined 98-54 record against non-autonomous FBS conferences (a .645 winning percentage).

Variety Show

Since The American began playing a championship game in the 2015 season, eight different teams have played in the game at least once, six schools have hosted the championship game, and seven schools have won the league title.

The New Guy

The American Athletic Conference has only one coach in his first year at his institution in 2024. Tulane's Jon Sumrall joined the Green Wave after spending the last two seasons at Troy, where he won back-to-back Sun Belt titles.

Reversal Of Fortune

South Florida's six-game improvement from 2022 (when the Bulls went 1-11) to 2023 (7-6) marked the second-best turnaround by an NCAA FBS team last season. Northwestern improved by seven wins last year.

Tigers' Tale

Memphis was bowl-eligible for the 10th consecutive season in 2023, joining Alabama, Clemson, Georgia, Ohio State, Oklahoma, Oklahoma State, Iowa and Wisconsin as the only teams nationally to make 10 straight bowl appearances.

Twenty

Memphis has scored at least 20 points in 26 consecutive games, marking the longest active streak among FBS teams.

One And Only

Memphis QB Seth Henigan is the only fourth-year player in FBS who will start at quarterback for the same school in all four years.

Within Reach

Memphis QB Seth Henigan enters the 2024 season needing 3,163 yards to tie The American's career passing yards record, set by East Carolina's Holton Ahlers from 2018-22. Henigan has 10,764 career passing yards, good for fourth on The American's career chart.

Career Passing Yards

1.	13,927	Holton Ahlers, East Carolina (2018-22)
2.	11,996	Clayton Tune, Houston (2019-22)
3.	10,782	Dane Evans, Tulsa (2014-16)
4.	10,764	Seth Henigan, Memphis (2021-)
5.	10,690	Brady White, Memphis (2018-20)

Career Total Offense

1.	15,373	Holton Ahlers, East Carolina (2018-22)
2.	13,247	Clayton Tune, Houston (2019-22)
3.	12,418	Desmond Ridder, Cincinnati (2018-21)
4.	11,802	Quinton Flowers, South Florida (2014-17)
5.	11,472	Seth Henigan, Memphis (2021-)

Good Company

South Florida QB Byrum Brown was one of two FBS players to finish with at least 3,000 passing yards and 800 rushing yards in 2023. The other was Heisman Trophy-winner Jayden Daniels of LSU.

Year Zero

UAB QB Jacob Zeno ranked second nationally and set the American Athletic Conference single-season record by completing 73.6% of his passes in 2023 (279 of 379). Zeno trailed only Oregon's Bo Nix nationally (77.4%).

A Lot To A Little

UTSA is a combined 31-9 in the last three seasons.

Blitz!

UTSA was second among FBS programs in sacks in 2023. The Roadrunners averaged 3.5 sacks per game, trailing only Penn State's 3.8 sacks per game.

Perfect Fit

Tulane has gone 23-5 in the last two seasons. New Green Wave head coach Jon Sumrall went 23-4 in two years at Troy.

Jersey Swap

If QB E.J. Warner starts for Rice this season, he would be the first player to start at quarterback for two American Athletic Conference schools in a career. Warner was a two-year starter at Temple before transferring to Rice.

Parliamentary Affairs

UTSA plays four of its 12 regular-season games against teams nicknamed 'Owls' (Florida Atlantic, Rice and Temple from The American and Kennesaw State in nonconference play). Army plays The American's three Owl-monikered teams in succession from Sept. 7 to Sept. 26.

Market Share

Under its reconfigured membership, American Athletic Conference schools are located in five of the nation's top 10 Nielsen media markets. The American has a presence in 12 of the top 50 markets, while all 14 football-playing schools are situated among the top 103 markets.

Black Friday

One late-season American Athletic Conference game will move to Friday, Nov. 29, for national television opportunities on either ABC or ESPN. The Black Friday selections will come from UAB-Charlotte, Navy-East Carolina, or South Florida-Rice. The selection will be made by Oct. 7.

Championship Week

The 2024 American Athletic Conference Football Championship is scheduled for Friday, Dec. 6, and will be televised in prime time on ABC.

2024 MAJOR RULES CHANGES

Coach-To-Player Communications

Coach to player communications through the helmet is permissive in 2024 for the Football Bowl Subdivision (FBS) based on the following guidelines:

- Only one player may be on the field per team at a time with radio receiving capability and the player must be identified by an unbranded green dot on the back midline of the helmet.
- Coach-to-player communications will be cut off when the play clock reaches 15 seconds or at the snap, whichever comes first. When the play clock resets to 25/40, the communications will be turned back on.
- If more than one green dot helmet is detected on the field by the game officials, the result is a live ball 5-yard equipment violation penalty, and this penalty initiates a conference review.
- On free kick plays, the coach-to-player communications will not be in effect. There is no limitation to the number of green dot helmets for either team during free kick plays.
- A conference may develop a policy to provide guidance in handling situations dealing with communications failure.
- FCS teams playing an FBS team may utilize coach-to-player communications in that game.

Tablets For In-Game Video

Standard Tablets for in-game video only is permissive in 2024 for all football playing subdivisions and are subject to the following guidelines:

- Tablets shall be restricted to "in-game video" (current game) and may not include analytics, data or data-access capability or any other communications access. No other video is allowed (e.g., scouting video, practice video, etc.).
- Tablets may be used in the coach's box, sideline, and locker room and may not be interconnected to other devices to project larger/additional images.
- Video may include coach's sideline, coach's endzone, and a program feed per play from the current game only and may also display "game circumstances," including down/distance/time/quarter/play-number/score.
- A team may have up to 18 standard tablets active, and all team personnel may view the tablets.
- If any team personnel engages an official with a tablet to show or review video, an automatic Unsportsmanlike Conduct foul will result

Two-Minute Timeout

When the game clock is running and the ball is not live, the Referee shall stop the clock with exactly two minutes remaining in the second and fourth quarters for a Two-Minute Timeout. If the ball is live when the game clock reaches two minutes in the second and fourth quarters, the play will continue, and the Referee shall stop the clock when the ball is subsequently declared dead for a Two Minute Timeout.

The radio / TV broadcast partner will hold back at least one media timeout to coincide with the Two-Minute Timeout. If there is no media timeout partner in the game, the timeout shall be one minute plus the five-second referee notification and the 25-second play clock interval.

The play clock will be set at 25 seconds and the clock will start on the snap.

Notes

Bethune-Cookman went 3-8 last season and was 2-6 in the SWAC, though the Wildcats closed the season by winning two of their last three games ... The Wildcats' last game against an American Athletic Conference team was a 56-14 setback to Memphis in last year's season-opener ... Saturday's game at South Florida is one of two contests against FBS opponents for Bethune-Cookman, which visits Western Michigan Sept. 14 ... The Wildcats should get a boost from the return of QB Luke Sprague, who passed for 544 yards and four touchdowns before his season was cut short due to injury ... LB Dearnis Thomas was a preseason All-SWAC second team choice after he had 12.5 tackles for loss in 2023 ... Bethune-Cookman was picked to finish fifth in the SWAC's East Division in the conference's preseason poll.

Notes

South Florida enjoyed one of the best turnarounds in college football last season after the Bulls went 7-6 in Alex Golesh's first season in Tampa ... South Florida improved by six wins from its 2022 record, trailing only Northwestern's seven-win improvement nationally ... The Bulls put an exclamation point on last season with a 45-0 win against Syracuse in the Boca Raton Bowl ... South Florida returns 19 starters and 45 letterwinners from last year ... QB Byrum Brown was one of two players nationally to pass for 3,000 yards (3,292) and rush for 800 (809) last season (Heisman Trophy-winner Jayden Daniels of LSU was the other) ... WR Sean Atkins set school records with 92 receptions, 1,054 receiving yards and seven touchdown catches on his way to second-team all-conference honors ... The Bulls play three of their next four on the road.

THE GAME

Saturday's game will be the third meeting between Charlotte and James Madison ... The series began with a 34-7 win by James Madison in Harrisonburg, Virginia, in the 2013 season – the first road game in Charlotte's program history – and continued with the Dukes' 48-40 victory in Charlotte in 2014.

Notes

James Madison, which had been one of the nation's top FCS programs, has adjusted well at the FBS level to the tune of a 19-4 combined record in two years in the Sun Belt Conference ... The Dukes began last season with 10 consecutive wins and were ranked as high as No. 18 in the nation before dropping two of their final three games ... New head coach Bob Chesney has been a winner at each of his first three stops ... Chesney most recently took Holy Cross to five consecutive Patriot League titles in six seasons with the Crusaders ... Chesney additionally served as head coach in Division II (going 44-16 at Assumption) and Division III (going 23-9 at Salve Regina) ... RB Ado Adeyi is no stranger to The American after he rushed for 1,017 yards at North Texas last season.

Information Contact

Notes

Charlotte enters its second season under head coach Biff Poggi looking to bounce back from a 3-9 season ... Charlotte begins just its 12th season of varsity football and its 10th at the FBS level ... The 49ers return 12 starters and 36 letterwinners from last season ... Poggi expects to have at least 45 new players on this year's roster, including 20 transfers on defense ... Among the newcomers is QB Max Brown, a transfer from Florida who played in six games last season, including his first career start in the game against Florida State ... Brown, who did not play in the Gators' game against Charlotte, looks to stabilize the 49ers behind center after Charlotte had five quarterbacks get significant playing time last year ... DB Dontae Balfour earned third-team all-conference honors last year after he registered a team-high 11 pass breakups.

COLLEGE FOOTBALL PLAYOFF

The Bracket

The format of the College Football Playoff is built on a 12-team bracket. The 12 participating teams are the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams. The four highest-ranked conference champions will be seeded 1-4 and will receive first-round byes. The remaining teams, including the fifth conference champion, will be seeded 5-12 based on their final ranking.

- The 12 participating teams will be the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams.
- The ranking of the teams will continue to be done by a selection committee.
- The four highest-ranked conference champions will be seeded one through four and will receive a first-round bye. The fifth conference champion will be seeded where it was ranked or at No. 12 if it is outside the top 12 rankings. Non-conference champions ranked in the top four will be seeded beginning at No. 5. Because of this, the seeding, 1 through 12, could look different than the final rankings.
- The eight teams seeded No. 5-12 will play in a first round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8).
- The selection committee will assign the four highest-ranked conference champions to Playoff Quarterfinals hosted by bowls. This will be done in consideration of historic bowl relationships, then in consideration of rankings. For example, if the Sugar Bowl hosts a Playoff Quarterfinal and the SEC champion is ranked No. 1 and the Big 12 champion is ranked No. 3, the SEC champion would be assigned to the Sugar Bowl and the Big 12 champion would be assigned elsewhere.
- With the four highest-ranked conference champions assigned to bowls, their four Playoff Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.).
- The College Football Playoff bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The highest seed will receive preferential placement for the Playoff Semifinal bowl assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

BOWL PARTNERSHIPS

The American Bowl Lineup

American Athletic Conference teams are guaranteed at least seven bowl appearances in 2024 as part of the conference's postseason lineup, which began in the 2020 season and is in place through 2025.

The American Athletic Conference champion would play in the College Football Playoff if it is ranked among the five highest-ranked conference champions by the CFP selection committee.

As part of the current bowl cycle, The American will annually send teams to the Go Bowling Military Bowl in Annapolis, Maryland, and the Wasabi Fenway Bowl in Boston, facing opponents from the Atlantic Coast Conference in those matchups. In 2024, The American will send a team to the Lockheed Martin Armed Forces Bowl.

In the 2024 season, The American will additionally fill four spots from a group of eight bowls: the Birmingham Bowl, the StaffDNA Cure Bowl, the Union Home Mortgage Gasparilla Bowl, the Boca Raton Bowl, the Scooter's Coffee Frisco Bowl, the SERVPRO First Responder Bowl, the Isleta New Mexico Bowl and the Myrtle Beach Bowl.

Aside from the eight primary bowl affiliations in place for the 2024, The American has secondary agreements with the AutoZone Liberty Bowl and the Quick Lane Bowl.
