USE OF AUDIO/VIDEO COVERAGE

Any accredited media entity using "video or audio materials" (film, traditional video or audio, digital video or audio, photos, etc.) from University of Texas Athletics events (games, practices, post-practice/postgame interviews and press conferences) may use that material only for traditional television newscasts, web-based or print coverage (see note below regarding policy on game video on web), or other electronic transmission as approved by The University in writing, with a limitation of up to three (3) minutes in length from any single event. That three (3)-minute package may contain no more than two (2) minutes of game highlights. Its usage must be only as supporting edited video/audio for a reported video/audio story and not simply as a raw video post/rebroadcast/streamed highlights or interview sessions. Accredited media entities may not offer any live video, audio or other coverage of the event (or tape delay rebroadcast coverage in its entirety) without the advance written permission of The University of Texas athletics department. Video is for news usage only and may not be sponsored or sold. This policy includes all games, matches, practices and events involving any of Texas' athletics programs. It includes all media events — press conferences, pre/post-practice interviews and pre/post-game interviews.

NOTE REGARDING USE OF GAME VIDEO: Policy permits entities to use up to two (2) minutes of video on air (whether taken from the network feed or shot themselves) or on the entity's website. Reports and features must be filed postgame and not during the game. If a game/event is contracted to a network television partner, all highlights may remain on a website no longer than 48 hours following the game/event's conclusion. Highlights may not be used via social media platforms except as a link back to the website/URL hosting the highlights.

EXCEPTION: With advance written permission from the UT Athletics department, media entities will be permitted to rebroadcast the Steve Sarkisian weekly Monday press conferences in its entirety. Video from that 20-minute press conference can be used for either over the air rebroadcast or web postings. Live distribution of the weekly Monday press conference is not permitted. If posted on a website, it must be removed 48 hours after the conclusion of the press conference.

LONGHORNS MAKING THEIR MARK

• Currently, the Texas Football program has 42 players on NFL rosters.
• The current crop of Longhorns in the NFL have won a combined four Super Bowl titles, been named to eight All-Pro teams and been selected to appear in seven Pro Bowl games.

STEVE SARKISIAN

HEAD COACH

One of the nation's premier coaches who has steadfastly returned the Texas football program back to prominence, Steve Sarkisian is in his 24th year of coaching and 11th as a head coach. Entering his fourth season at Texas, his Longhorn rebuild has been a patient and deliberate one. Sarkisian's process and efforts included a steady growth of on-field results through player development and recruiting, combined with a strong team culture, both of which has positioned the program for continued long-term success. The Longhorns finished 5-7 in 2021, improved to 8-5 with an Alamo Bowl bid in 2022, before turning in a historic season in 2023 with a 12-2 record, Big 12 Championship, No. 3 final ranking and College Football Playoff semifinal appearance. Sarkisian has also turned in top-5 recruiting classes the past three years. He enters 2024 with a 25-14 record in three seasons at Texas and 71-49 mark in 10 seasons as a head coach, with seven of his teams earning bowl bids.

A former All-American quarterback at BYU whose coaching career includes six years as an offensive coordinator at both the NFL and collegiate levels, Sarkisian was the 2020 Broyles Award winner (best assistant coach in college football) as offensive coordinator at Alabama. The former head coach at USC and Washington, he was named the 31st Head Football Coach at The University of Texas on January 2, 2021.

The 2023 season had Texas Football attain heights not seen on the Forty Acres in over a decade. Sarkisian was named a finalist for the Bear Bryant, George Munger and Eddie Robinson Coach of the Year awards after leading the Longhorns to their first Big 12 Championship since 2009, winning 12 games for the first time since that season and reaching the College Football Playoff for the first time in program history. The 12 wins marked just the fourth time in school history that the Longhorns had 12 or more victories in a season. He was also tabbed the Big 12 Coach of the Year by The Associated Press. Texas earned a No. 3 final ranking in The Associated Press Poll, its highest finish in 15 years since earning the No. 2 spot in 2009. The Longhorns were one of only five Power-5 programs that ranked among the top 15 in scoring offense (35.8 ppg) and scoring defense (18.9 ppg), finishing 15th nationally in both. Sarkisian's versatile and balanced squad ranked ninth nationally in total offense (477.5 ypg), led the Big 12 in total defense (336.7 ypg/34th FBS) and was bolstered by one of the nation's top special team's units. Led by Outland Trophy winner and unanimous first-team All-American defensive tackle T'Vondre Sweat, Texas ranked third nationally in rushing defense (82.4 ypg). The Longhorns' ground game, which was led by Earl Campbell Tyler Rose Award finalist Jonathon Brooks' 1,139 yards in 11 games, and three total backs with 100-yard rushing games, ranked 24th in the FBS (188.4 ypg). Texas averaged 289.1 yards per game passing (17th/FBS). Seven Longhorns earned first-team All-Big 12 honors with Sweat voted the league's defensive player of the year, defensive tackle Byron Murphy II selected defensive lineman of the year, wide receiver Adonai Mitchell chosen offensive newcomer of the year, and linebacker Anthony Hill Jr. tabbed defensive freshman of the year. The Longhorns had 11 players invited to the NFL Combine in February 2024, the most ever in program history.

In 2022, Sarkisian guided Texas to an 8-5 record with all five defeats coming by seven points or fewer, and it is just the second time in the last nine years the Longhorns reached eight wins in the regular season. Meanwhile, this past season's trip to the Valero Alamo Bowl marking the sixth bowl game Sarkisian has led his teams to in nine completed seasons as a head coach. The 2022 Longhorns featured a balanced attack that averaged 34.5 points per game (25th FBS) and allowed just 21.6 points per game (28th FBS). Running back Bijan Robinson won the Doak Walker Award and earned first-team All-America honors after leading the nation in tandem yards during the regular season with 1,894 (1,580 rushing, 314 receiving) and ranking second in total touchdowns (20), while averaging a Big 12-best 131.7 rushing yards and 157.83 all-purpose yards per game. Robinson was also a first-team All-Big 12 selection and was joined in that honor by tight end Ja'Tavion Sanders and linebackers Jaylan Ford and DeMarvion Overshown. A three-time Big 12 Defensive Player of the Week honoree in 2022, Ford was second in the Big 12 in tackles (119; 9.2 tpg). His four interceptions were tied for the UT linebacker record and were the most among FBS linebackers this year. He was also the only Power 5 player with four interceptions and three forced fumbles, and the only FBS player with four interceptions, three forced fumbles and two fumble recoveries. Additionally, wide receiver Xavier Worthy, true freshman offensive lineman Kelvin Banks Jr. and defensive lineman Keondre Coburn earned second-team All-Big 12 accolades, as a total of 20 Longhorns received all-conference recognition. Five Longhorns were selected in the 2023 NFL Draft, highlighted by the first-round selection of Robinson (8th overall) by the Atlanta Falcons. Also selected were Overshown (Dallas Cowboys - 3rd Round), running back Roschon Johnson (Chicago Bears - 4th Round), Coburn (Kansas City Chiefs - 6th Round) and defensive lineman Moro Ojomo (Philadelphia Eagles - 7th Round).

Year one had its ups and downs as the Longhorns dealt with inconsistency, injuries and adversity in a 5-7 campaign. Texas opened and closed the 2021 season with big victories as the Sarkisian era began with a 38-18 victory over No. 23 Louisiana and ended with a 22-17 win over Kansas State. In between, five of the Horns' seven losses came down to the end with Texas falling by eight points or fewer in each of those. The Longhorns' offense averaged nearly 200 yards rushing and 425 total yards while ranking 18th nationally in scoring at 35.2 points per game on the season. Worthy had a record-setting season on his way to Freshman All-America and Big 12 Offensive Freshman of the Year honors. Despite missing the final two games with an injury, Robinson compiled 1,127 rushing yards and 11 touchdowns to go with 26 receptions for 295 yards and four more touchdowns. Kicker Cameron Dicker and offensive lineman Derek Kerstetter joined Worthy and Robinson as four Longhorns who earned first-team All-Big 12 honors. All totaled, 14 Longhorns earned All-Big 12 recognition.

Prior to arriving on the Forty Acres, Sarkisian served as the offensive coordinator and quarterbacks coach at Alabama where he was the architect of 24 straight games in which the Crimson Tide's offense scored 35 or more points, the longest streak in major college football history. Despite coming up just short of that in a 31-14 win over Notre Dame in the College Football Playoff semifinals, the victory propelled Alabama to the National Championship Game where they defeated No. 3 Ohio State, 52-24.

In 2020, Alabama's offense ranked second in the nation in scoring and led all Power 5 schools with 48.5 points per game, which set a school record and included five 50-point games against Southeastern Conference competition. The Crimson Tide became the first team in league history to record five such games in a single season in conference play. The Tide followed that by posting 52 points against Florida in the 2020 SEC Championship to earn the No. 1 seed in the College Football Playoff. They later matched that total in the National Championship Game.

Alabama led the nation in third-down conversion percentage (58.9), team passing efficiency (198.99) and completion percentage (76.2), led by Heisman Trophy finalist and Davey O'Brien Award winner Mac Jones, who posted the top individual ratings in passing efficiency (203.1) and completion percentage (77.4), as well. The receiving end of the nation's No. 3 passing offense (358.2 ypg) featured the Heisman Trophy winner in DeVonta Smith, who led the nation in receiving yards (1,856) and receiving touchdowns (23), and was second in receiving yards per game (142.8 ypg) despite missing the second half of the National Championship Game due to injury. Along with the Heisman Trophy, Smith claimed the Walter Camp Football Foundation Player of the Year Award, the Maxwell Award and the Biletnikoff Award.

The offense also boasted the nation's leader in rushing touchdowns in Doak Walker Award winner RB Najee Harris with 26, while Harris was third in rushing yards (1,466) and 13th in rushing yards per game (112.8 ypg). Harris finished fifth in the voting for the Heisman Trophy to make Alabama the second team ever to place three players in the top five of the same Heisman vote, joining 1946 Army with Glenn Davis, Doc Blanchard and Arnold Tucker.

Blocking for that group was an offensive line that won the Joe Moore Award and was anchored by two first-team All-Americans in Outland Trophy winner LT Alex Leatherwood and

Rimington Trophy winner C Landon Dickerson. Jones, Smith and Harris have all received first-team All-America honors, as well. As a team, Alabama ranked fourth in the nation in total offense at 541.6 yards per game to break the school record.

The 2019 Alabama offense averaged a school-record 47.2 points per game, which ranked second nationally, while averaging 510.8 yards per game, which was sixth nationally and is currently second on school record. Quarterbacks Tua Tagovailoa and Mac Jones combined to throw for 4,449 yards and 49 touchdowns which equated to a school-record 342.2 passing yards per game that ranked third nationally. Alabama's 199.61 passing efficiency rating was not only a school record, but the second-best mark in NCAA history. Smith ranked fifth nationally with 14 receiving touchdowns and 11th with 1,256 receiving yards. The receiving corps also featured Jerry Jeudy, who was 25th (10) and 20th (1,163) in those categories, respectively. Harris was also in the top 25 in rushing touchdowns (21st/13) and rushing yards (1,224). Jeudy and Leatherwood both earned first-team All-America honors, while Smith and OT Jedrick Willis were tabbed second-team All-America. Four members of the Crimson Tide offense went on to be drafted in the first 15 picks of the first round, including Tagovailoa (No. 5/Miami), Willis (No. 10/Cleveland Browns), WR Henry Ruggs III (No. 12 Oakland Raiders) and Jeudy (No. 15/Denver Broncos).

The past two seasons marked Sarkisian's second stint at Alabama after serving as an analyst for most of the 2016 season before being promoted to offensive coordinator for the 2017 College Football Playoff National Championship Game.

Prior to his return to Alabama, Sarkisian was the offensive coordinator for the Atlanta Falcons. During his two years coordinating the Falcons' attack, Sarkisian built one of the most dangerous offenses in the NFL. The 2018 unit finished in the top 10 in the NFL in passing yards (fourth – 4,653 yards), total yards (sixth – 6,226 yards) and scoring (10th – 25.9 ppg). Quarterback Matt Ryan was third in the NFL in passing yards (4,924 yards) while tossing 35 touchdowns. Wide receiver Julio Jones caught 113 passes for 1,677 yards and eight touchdowns, and Calvin Ridley added 64 catches for 821 yards and a team-high 10 scores. Jones led the league in receiving yards in 2018, while Ridley paced all rookies in receiving yards and touchdowns.

In 2017, two pieces of the Falcons offense, Jones and center Alex Mack, were selected to the Pro Bowl. Atlanta led the NFL in third-down percentage in Sarkisian's first season, while finishing eighth in the league in passing offense (249.4) and third in yards per play (5.93).

Sarkisian not only boasts play-calling experience at the highest levels of football, but seven years as an FBS head coach. He guided the Southern California program in 2014-15, and the Washington Huskies from 2009-13. He posted a head coaching record of 46-35 over those seven seasons while leading his teams to five bowl appearances.

During his time as head coach at USC, Sarkisian led the Trojans to a 12-6 overall record including a second-place finish in the Pac-12's Southern Division in 2014. His 2014 offense ranked in the top 25 nationally in passing efficiency (fourth – 165.35), passing offense (15th – 296.6 ypg), third down conversions (19th – 46.6 percent) and scoring offense (22nd – 35.8 ppg). The Trojans finished 9-4 overall, including wins in four of their last five games, and capped the year with a Holiday Bowl win over Nebraska.

In 2014, Sarkisian produced a pair of first-team All-Americans in DE Leonard Williams and WR Nelson Agholor, a sophomore All-American first teamer in S/LB Su'a Cravens, a quartet of Freshman All-American first teamers in CB/WR Adoree' Jackson, who was the Pac-12 Freshman Defensive Player of the Year, along with OL Toa Lobendahn, WR JuJu Smith and OG Viane Talamaivao. Quarterback Cody Kessler had the most efficient passing season in USC history (69.7 completion percentage, 39 passing TDs, five interceptions), Agholor had 104 receptions, which was third-best in USC history, and Allen rushed for 1,489 yards, the most by a Trojan since 2005. USC's offense ranked in the national Top 25 in passing efficiency, passing offense, third down conversions and scoring offense, while the defense was in the nation's Top 20 in turnover margin, red zone defense and third down conversion defense. Six Trojans were drafted by the NFL, including a pair of first rounders in Williams and Agholor, along with four players he coached at Washington, including three in the first round in DT Danny Shelton, CB Marcus Peters and LB Shaq Thompson.

At Washington, Sarkisian inherited a program in 2009 that had won just 12 games during the previous five seasons, including a winless season the year prior. Despite that challenge, he guided the Huskies to bowl games in his last four seasons. His eight victories in 2013 were the most at UW since 2000 and the Huskies finished ranked No. 25 in the Associated Press poll. His overall Washington record was 34-29, and his tenure in Seattle resulted in eight wins over Associated Press Top 25 teams (No. 3 USC, No. 19 California in 2009; No. 18 USC, No. 18 Nebraska and No. 24 Oregon State in 2010; No. 7 Oregon State and No. 8 Stanford in 2012; No. 13 Boise State in 2013).

Among the UW players Sarkisian coached were nine additional NFL draftees, including QB Jake Locker, CB Desmond Trufant, LBs Donald Butler and All-American Mason Foster, DE Daniel Te'o-Nesheim and RB Bishop Sankey, plus All-Pac-12 RB Chris Polk.

Sarkisian arrived at Southern Cal as an assistant in 2001 and took over as the quarterbacks coach in 2002, where he tutored quarterback Carson Palmer to the Heisman Trophy and the No. 1 overall pick in the 2003 NFL Draft. After spending the 2004 season as the quarterbacks coach for the Oakland Raiders, Sarkisian returned to the Trojan staff in February of 2005 as the assistant head coach and quarterbacks coach for four seasons (2005-08). He added the offensive coordinator role to his duties in 2007 and 2008 at USC.

At USC, Sarkisian coached Heisman Trophy-winning quarterbacks in Palmer and Leinart, along with NFL signal-callers Mark Sanchez, John David Booty and Matt Cassel. The Trojans went 23-3 during his tenure as the offensive coordinator.

Prior to his start in coaching as quarterbacks coach at El Camino College in 2000, Sarkisian starred at the quarterback position at the prep, collegiate and pro levels. He spent time with the Saskatchewan Roughriders of the Canadian Football League for three seasons (1997-99) following his collegiate career at BYU.

While with the Cougars from 1995-96, he completed 549-of-824 passes (66.6 percent) for 7,755 yards and 55 touchdowns. His 162.0 career passing efficiency rating was third on the all-time NCAA list when he finished playing. As a senior in 1996, he led the nation in passing efficiency (173.6, the fourth-best mark in NCAA history at the time), leading the Cougars to the WAC championship and a win in the 1997 Cotton Bowl. He was the WAC Offensive Player of the Year in 1996 and earned second team All-America honors.

Sarkisian earned his bachelor's degree in sociology from BYU in 1997 after getting his associate's degree in general studies from El Camino College in 1994.

He has two daughters, Ashley and Taylor, and a son, Brady.
