## So You're Saying There's A Chance

The annual Army-Navy game in the second Saturday in December will not count as a conference game, but should the two academies finish atop the American Athletic Conference standings, they would meet in the AAC Championship Game Dec. 6, then play America's Game the following week in Landover, Maryland. There is a 1.1% chance [1-in-91] of any two specific teams' meeting in The American Championship Game.

## Tidal Wave

## 2024 MAJOR RULES CHANGES

### Coach-To-Player Communications

Coach to player communications through the helmet is permissive in 2024 for the Football Bowl Subdivision (FBS) based on the following guidelines:

- Only one player may be on the field per team at a time with radio receiving capability and the player must be identified by an unbranded green dot on the back midline of the helmet.
- Coach-to-player communications will be cut off when the play clock reaches 15 seconds or at the snap, whichever comes first. When the play clock resets to 25/40, the communications will be turned back on.
- If more than one green dot helmet is detected on the field by the game officials, the result is a live ball 5-yard equipment violation penalty, and this penalty initiates a conference review.
- On free kick plays, the coach-to-player communications will not be in effect. There is no limitation to the number of green dot helmets for either team during free kick plays.
- A conference may develop a policy to provide guidance in handling situations dealing with communications failure.
- FCS teams playing an FBS team may utilize coach-to-player communications in that game.

### Tablets For In-Game Video

Standard Tablets for in-game video only is permissive in 2024 for all football playing subdivisions and are subject to the following guidelines:

- Tablets shall be restricted to "in-game video" (current game) and may not include analytics, data or data-access capability or any other communications access. No other video is allowed (e.g., scouting video, practice video, etc.).
- Tablets may be used in the coach's box, sideline, and locker room and may not be interconnected to other devices to project larger/additional images.
- Video may include coach's sideline, coach's endzone, and a program feed per play from the current game only and may also display "game circumstances," including down/distance/time/quarter/play-number/score.
- A team may have up to 18 standard tablets active, and all team personnel may view the tablets.
- If any team personnel engages an official with a tablet to show or review video, an automatic Un-sportsmanlike Conduct foul will result

### Two-Minute Timeout

When the game clock is running and the ball is not live, the Referee shall stop the clock with exactly two minutes remaining in the second and fourth quarters for a Two-Minute Timeout. If the ball is live when the game clock reaches two minutes in the second and fourth quarters, the play will continue, and the Referee shall stop the clock when the ball is subsequently declared dead for a Two Minute Timeout.

The radio / TV broadcast partner will hold back at least one media timeout to coincide with the Two-Minute Timeout. If there is no media timeout partner in the game, the timeout shall be one minute plus the five-second referee notification and the 25-second play clock interval.

The play clock will be set at 25 seconds and the clock will start on the snap.

# COLLEGE FOOTBALL PLAYOFF

## The Bracket

The format of the College Football Playoff is built on a 12-team bracket. The 12 participating teams are the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams. The four highest-ranked conference champions will be seeded 1-4 and will receive first-round byes. The remaining teams, including the fifth conference champion, will be seeded 5-12 based on their final ranking.

- The 12 participating teams will be the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams.
- The ranking of the teams will continue to be done by a selection committee.
- The four highest-ranked conference champions will be seeded one through four and will receive a first-round bye. The fifth conference champion will be seeded where it was ranked or at No. 12 if it is outside the top 12 rankings. Non-conference champions ranked in the top four will be seeded beginning at No. 5. Because of this, the seeding, 1 through 12, could look different than the final rankings.
- The eight teams seeded No. 5-12 will play in a first round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8).
- The selection committee will assign the four highest-ranked conference champions to Playoff Quarterfinals hosted by bowls. This will be done in consideration of historic bowl relationships, then in consideration of rankings. For example, if the Sugar Bowl hosts a Playoff Quarterfinal and the SEC champion is ranked No. 1 and the Big 12 champion is ranked No. 3, the SEC champion would be assigned to the Sugar Bowl and the Big 12 champion would be assigned elsewhere.
- With the four highest-ranked conference champions assigned to bowls, their four Playoff Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.).
- The College Football Playoff bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The highest seed will receive preferential placement for the Playoff Semifinal bowl assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

# BOWL PARTNERSHIPS

## The American Bowl Lineup

American Athletic Conference teams are guaranteed at least seven bowl appearances in 2024 as part of the conference's postseason lineup, which began in the 2020 season and is in place through 2025.

The American Athletic Conference champion would play in the College Football Playoff if it is ranked among the five highest-ranked conference champions by the CFP selection committee.

As part of the current bowl cycle, The American will annually send teams to the Go Bowling Military Bowl in Annapolis, Maryland, and the Wasabi Fenway Bowl in Boston, facing opponents from the Atlantic Coast Conference in those matchups. In 2024, The American will send a team to the Lockheed Martin Armed Forces Bowl.

In the 2024 season, The American will additionally fill four spots from a group of eight bowls: the Birmingham Bowl, the StaffDNA Cure Bowl, the Union Home Mortgage Gasparilla Bowl, the Boca Raton Bowl, the Scooter's Coffee Frisco Bowl, the SERVPRO First Responder Bowl, the Isleta New Mexico Bowl and the Myrtle Beach Bowl.

Aside from the eight primary bowl affiliations in place for the 2024, The American has secondary agreements with the AutoZone Liberty Bowl and the Quick Lane Bowl.
