Big Three

The American Athletic Conference is one of five FBS conferences with at least three teams ranked in this week's AFCA coaches' poll (Army, Tulane, Memphis). The SEC has eight ranked teams, the Big Ten has five, the Big 12 has four, while The American and the ACC have three each.

They're In

Tulane and Army have clinched appearances in the 2024 American Athletic Conference Championship Game.

Where To?

The American Championship Game venue will be determined this week, when Tulane hosts Memphis (Thanks-giving night) and Army hosts UTSA (Saturday, Nov. 30).

If Tulane wins, then the Green Wave, which is No. 17 in the Nov. 26 College Football Playoff rankings, would host the championship game.

If Tulane loses and Army wins, then Army would host the championship game as the outright American regular-season champion.

If Tulane and Army both lose, then the home team would be determined by an average of computer metrics after the conclusion of all games of Nov. 30.

Appointment Viewing

Thursday's game between Memphis and Tulane is the only game on the national Week 14 docket between two teams with at least nine wins.

Conference Call

Tulane tied the American Athletic Conference record with its 17th consecutive regular-season conference win. The Green Wave ties UCF (2017-19) and Cincinnati (2020-22) for the longest regular-season winning streak in conference history.

The Best Offense ...

Tulane leads the nation with six defensive touchdowns, five pick-sixes and eight non-offensive touchdowns.

Keys To Victory

Tulane head coach Jon Sumrall is 25-0 in his career when his team outrushes its opponent.

Now And Then

Tulane had won 19 American Athletic Conference games in its first eight years in the conference and has 22 wins in The American in the last three seasons.

Margin Call

Tulane's nine wins are by an average of 31.3 points.

All Things Shall Pass

Army saw its 13-game winning streak snapped with last Saturday's loss to Army at Yankee Stadium. Army held the nation's longest active winning streak.

Twenty And Counting

Memphis has scored at least 20 points in 38 consecutive games, marking the longest active streak among FBS teams

This Goes To Eleven

Memphis is bowl eligible for the 11th consecutive season.

One And Only

Memphis QB Seth Henigan is the only active FBS player with four seasons with at least 20 touchdown passes at the same school.

Within Reach

Memphis QB Seth Henigan enters Week 14 needing 173 yards to tie The American's career passing yards record, set by East Carolina's Holton Ahlers from 2018-22. Henigan has 13,754 career passing yards, and 14,274 yards of total offense, both good for second on The American's career chart.

If there is no head-to-head result, and one of the tied teams was ranked in the latest available CFP Selection Committee rankings and doesn't lose in the final weekend of regular-season conference play, it will be declared a championship game participant.

If there is no head-to-head result, and one of the tied teams was ranked in the latest available CFP Selection Committee rankings and loses in the final weekend of regular-season conference play, then a composite average of selected computer metrics (Connolly SP+, SportSource TR116 SOR, ESPN SOR, KPI) will be used to determine the championship game participant.

If there is no head-to-head result, and both tied teams are ranked in the latest available CFP Selection Committee rankings, the higher-ranked tied team that doesn't lose in the final weekend of the conference regular season will be a championship game participant.

If there is no head-to-head result, and neither of the tied ranked teams wins in the final weekend of the conference regular season, a composite average of selected computer metrics (Connolly SP+, SportSource TR116 SOR, ESPN SOR, KPI) after all games concludes the final weekend of the conference regular season will be used to determine the championship game participant.

If there is no head-to-head result, and neither of the tied teams is ranked in the latest available CFP Selection Committee rankings going into the final weekend of the conference regular season, a composite average of selected computer metrics (Connolly SP+, SportSource TR116 SOR, ESPN SOR, KPI) after all teams conclude the final weekend of the conference regular season will be used to determine the championship game participant.

If more than two teams tie for first or second place, the tiebreaker procedures will be applied separately to identify the two participants in the championship game.

If only two teams remain tied after any step in the tiebreaking process, the two-team tie procedures shall be used to break the tie.

The conference records of the tied teams are compared in a mini round-robin format. If within the mini round-robin, any of the tied teams did not play each other, the group of teams shall remain tied unless one team defeated all other tied teams.

If the highest-ranked of the tied teams in the latest available CFP Selection Committee rankings doesn't lose in the final weekend of regular-season conference play, it will be declared a championship game participant.

If the highest-ranked of the tied teams in the latest available CFP Selection Committee rankings loses in the final weekend of regular-season conference play, then a composite average of selected computer metrics (Connolly SP+, SportSource TR116 SOR, ESPN SOR, KPI) will be used to determine the championship game participants.

COLLEGE FOOTBALL PLAYOFF

The Bracket

The format of the College Football Playoff is built on a 12-team bracket. The 12 participating teams are the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams. The four highest-ranked conference champions will be seeded 1-4 and will receive first-round byes. The remaining teams, including the fifth conference champion, will be seeded 5-12 based on their final ranking.

- The 12 participating teams will be the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams.
- The ranking of the teams will continue to be done by a selection committee.
- The four highest-ranked conference champions will be seeded one through four and will receive a first-round bye. The fifth conference champion will be seeded where it was ranked or at No. 12 if it is outside the top 12 rankings. Non-conference champions ranked in the top four will be seeded beginning at No. 5. Because of this, the seeding, 1 through 12, could look different than the final rankings.
- The eight teams seeded No. 5-12 will play in a first round with the higher seeds hosting the lower seeds either on campus or at other sites designated by the higher-seeded institution (No. 12 at No. 5, No. 11 at No. 6, No. 10 at No. 7 and No. 9 at No. 8.).
- The selection committee will assign the four highest-ranked conference champions to Playoff Quarterfinals hosted by bowls. This will be done in consideration of historic bowl relationships, then in consideration of rankings. For example, if the Sugar Bowl hosts a Playoff Quarterfinal and the SEC champion is ranked No. 1 and the Big 12 champion is ranked No. 3, the SEC champion would be assigned to the Sugar Bowl and the Big 12 champion would be assigned elsewhere.
- With the four highest-ranked conference champions assigned to bowls, their four Playoff Quarterfinal opponents will be dictated by the bracket (i.e., No. 1 vs. No. 8/9 winner, No. 4 vs. No. 5/12 winner, No. 2 vs. 7/10 winner; No. 3 vs. 6/11 winner.).
- The College Football Playoff bracket will follow the selection committee's rankings, with no modifications made to avoid rematches between teams that may have played during the regular season or are from the same conference.
- The bracket will remain in effect throughout the playoff (i.e., no re-seeding).
- The highest seed will receive preferential placement for the Playoff Semifinal bowl assignment.
- All 11 games will be under the CFP umbrella with the administrative policies determined by the CFP.

BOWL PARTNERSHIPS

The American Bowl Lineup

American Athletic Conference teams are guaranteed at least seven bowl appearances in 2024 as part of the conference's postseason lineup, which began in the 2020 season and is in place through 2025.

The American Athletic Conference champion would play in the College Football Playoff if it is ranked among the five highest-ranked conference champions by the CFP selection committee.

As part of the current bowl cycle, The American will annually send teams to the Go Bowling Military Bowl in Annapolis, Maryland, and the Wasabi Fenway Bowl in Boston, facing opponents from the Atlantic Coast Conference in those matchups. In 2024, The American will send a team to the Lockheed Martin Armed Forces Bowl and the Radiance Technologies Independence Bowl.

In the 2024 season, The American will additionally fill four spots from a group of eight bowls: the Birmingham Bowl, the StaffDNA Cure Bowl, the Union Home Mortgage Gasparilla Bowl, the Boca Raton Bowl, the Scooter's Coffee Frisco Bowl, the SERVPRO First Responder Bowl, the Isleta New Mexico Bowl and the Myrtle Beach Bowl.

Aside from the eight primary bowl affiliations in place for the 2024, The American has secondary agreements with the AutoZone Liberty Bowl and the Quick Lane Bowl.
