Lytle's Accomplishments

Senior outfielder Lytle has racked up an impressive list of awards entering his senior campaign. In his first year with the Roadrunners, Lytle was named 2024 AAC Newcomer of the Year while also being named to the AAC All-Academic Team.

Leading up to the 2025 season, Lytle has been named as the 2025 Preseason Player of the Year, the 2025 D1Baseball AAC Preseason Player of the Year and to the 2025 Perfect Game College Baseball Preseason AAC All-Conference Team. He was also named the 32nd-best outfielder in the nation, according to D1Baseball.

UTSA was able to hit for the home run cycle in the bottom of the second in their game against Tulane on Saturday, Apr. 19. It all started with a three-run home run hit by Norris McClure. Diego Diaz hit the second homer of the inning, this time a grand slam. McClure stepped up to the plate once again and hit the two-run homer. Mason Lytle completed the home run cycle with a solo homer.

Detlefsen, Lytle and Taussig

The Roadrunners' outfield has been dominating thanks to the likes of Drew Detlefsen, Lytle and James Taussig. As a trio, they have a batting average of .346, driving in a total of 188 RBIs, which is 42 percent of UTSA's total RBIs. Lytle, Taussig, and Detlefsen have a total of 29 homers, which is just under half of UTSA's total home runs.

NOTES

Energy Stu

Senior catcher Sticky, whose name is pronounced STEW-key, was the inspiration for a team mantra, Energy Stu. Comes from a phrase shouted to the team to raise the energy at practice.

The Return of Malone

Former pitcher Luke Malone rejoins the Roadrunners in a different capacity as he joined the coaching staff in October 2024 as the Director of Player Development and Analytics.

Malone was a star pitcher for the Roadrunners from 2020 to 2023, earning all-conference accolades in each of his final two seasons. The right-hander finished his career with a 17-9 record, 4.45 ERA, 178 strikeouts and a pair of saves in 63 appearances that totaled 234.2 innings pitched.

2024 AAC All-Freshman Team

The Roadrunners welcome back both Diego Diaz and Orloski, who both made the 2024 AAC All-Freshman Team. Both Diaz and Orloski are already seeing significant action for the Roadrunners.

Diaz has started 13 games for the Roadrunners at second base, playing in a total of 37 games. Orloski has pitched in 21 games for the Roadrunners, tallying 58.2 innings pitched with 61 strikeouts and 24 walks with seven wins and seven saves.

Preseason AAC Rankings

After finishing 17-10 to finish second in the American Athletic Conference in 2024, their first year in the league, the Roadrunners were picked to finish fourth by the league's coaches in 2025.

The Hodge Brothers

UTSA has a pair of brothers on the team, Ty Hodge and Nathan Hodge. The Hodge brothers come from College Station, Texas, but have two different paths in finding their way to UTSA. T. Hodge is a transfer from Houston Christian who spent a year at Texas A&M. N. Hodge is a true freshman.

Home Grown

28 of the 38 players on the roster are from Texas, making up just shy of 75 percent of the roster. These players range from southern Texas, such as Pharr, all the way up to northern Texas, such as Mansfield. Josh Vaughn is the lone Roadrunner who calls San Antonio home.

Overseas Roadrunners

The Roadrunners have two players who come from outside of America, Lorenzo Morresi and Myles. Morresi is from Macerata, Italy. Before coming to UTSA, Morresi spent two seasons in Hobbs, New Mexico, playing at NMJC.

Myles comes from the southern hemisphere, calling Melbourne, Australia, home. Myles spent two seasons in west Texas, as he played for Odessa JC before coming to play for the Roadrunners.

Fresh-faced Freshmen

UTSA has seven true freshmen on the roster and two redshirt freshmen. The two redshirt freshmen are Ryan Jester, who spent last season with the Roadrunners, and Holden Harris, who comes to UTSA after spending the 2024 season at TCU.

2025 UTSA BASEBALL

COACHING STAFF

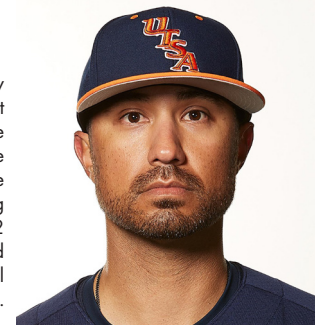

Head Coach Pat Hallmark 6th Season

Pat Hallmark is in his sixth season leading the Roadrunners after being named the fifth head baseball coach in UTSA history on June 16, 2019. During his time leading the program, Hallmark has turned the Roadrunners into annual conference title contenders. UTSA has won at least 30 games in each of the last three seasons, including back-to-back 38-win campaigns in 2022-23, and has been nationally ranked for the first time in program history. The program has produced 22 all-conference selections, two all-region performers, a pair of conference award recipients and an All-American during his tenure. Hallmark guided UTSA to 32 wins in 2024, finishing as the runner-up in the American Athletic Conference regular season race with a 17-10 mark. The Roadrunners registered 10 series victories, including taking two of three games against then-No. 10-ranked East Carolina and NCAA regional finalist Grand Canyon and sweeping NCAA regional qualifier Tulane. Hallmark's squad earned eight all-conference certificates with a program-record four first-team selections, including AAC Newcomer Position Player of the Year and first-team outfielder Mason Lytle.

Assistant Coach Ryan Aguayo 6th Season

Ryan Aguayo is in his sixth season as UTSA's assistant coach, recruiting and offensive coordinator in 2023. He joined the staff in July of 2019. In 2024, the Roadrunners finished second in their first season in the American Athletic Conference. Continuing the success at the plate, the Aguayo helped lead six batters to bat above .300 and played an integral role in Freshman Diego Diaz's success as he went on to be named to the AAC All-Freshman Team. In 2023, Aguayo helped lead the Roadrunners to finish second in Conference USA. That year, Aguayo saw six hitters bat above .300. Also that year, the Roadrunners set a program record in on-base percentage with a .408 and a program high .976 fielding percentage. Aguayo has had a major impact through his first five seasons, helping shepherd UTSA through a COVID-19 shortened season in 2020 and spearheading a rapidly rising offensive attack in 2021 and 2022 that ranked as some of the nation's best, breaking multiple school records. In 2022, Aguayo oversaw a Roadrunner lineup that had eight players above the at-bat threshold have .300+ batting averages. UTSA's offense produced 467 runs on the year, tying the school record for most in a single season set back in 2008. The Roadrunner offense also produced 440 RBI, setting a new school record.

Assistant Coach Zach Butler 5th Season

Zach Butler is in his fifth season as UTSA's assistant and pitching coach in 2023. After eight years on the staff at Nicholls, Butler, regarded as an elite pitching coach in the South, was announced by head coach Pat Hallmark on Jan. 21, 2021. Under Butler, the 2024 Roadrunners continued to succeed as they managed to toss 32 wins and 16 saves. The UTSA pitching staff managed to strike out 466 batters, holding them to a .279 batting average. Helped lead Robert Orloski to being named to the AAC All-Freshman Team. In 2023, the pitching staff shined as they marked a program record of 17 saves and a program low of 26 wild pitches. The Roadrunners held a 5.07 ERA on the year, holding their opponents to a batting average of .276. Under Butler, the 2022 Roadrunner pitching staff shattered the school record for most strikeouts in a season, posting 519 and breaking the previous record of 454. Amongst C-USA teams, Butler's pitchers allowed the third fewest hits, second fewest doubles and fourth fewest triples of any staff. UTSA's 519 punchouts were the third most in the conference.

Assistant Coach Michael Cavazos 1st Season

A native of San Antonio, Michael Cavazos was hired as an assistant baseball coach in August 2024. Cavazos came to the Roadrunners following a two-year stint as assistant coach and recruiting coordinator at St. Mary's. He helped the Rattlers to 45 wins, including 41 in the Lone Star Conference, over his two seasons on the staff. The San Antonio Lee High School product helped coach players to a combined six all-conference selections, and a pair to all-region accolades — including Clay Bradford by three different organizations — while Ryan McGowen was a South Central Region All-Defensive Team selection. Prior to his time at St. Mary's, Cavazos spent the 2022 season as an assistant coach at Lindenwood in St. Charles, Missouri. Lindenwood finished with 27 wins, including a 16-12 record in their final campaign in the Great Lakes Valley Conference before making the transition to NCAA Division I. A pair of Lions earned all-conference honors while the team received the 2021-22 American Baseball Coaches Association Team Academic Excellence Award. Cavazos was an assistant coach from 2019 through 2021 at Southeast Missouri State (SEMO). He worked with the hitters and outfielders, served as camp director and oversaw baseball operations, helping the Redhawks win the Ohio Valley Conference Championship and advance to the program's first NCAA Regional since 2016. During his time on the staff, the Redhawks boasted a pair of All-Americans, three all-conference honorees and a Freshman All-American.

Director of Player Development/Analytics Luke Malone 1st Season

Former UTSA pitcher Luke Malone was named the program's Director of Player Development and Analytics in October 2024. Malone was a star pitcher for the Roadrunners from 2020 to 2023, earning all-conference accolades in each of his final two seasons. The right-hander finished his career with a 17-9 record, 4.45 ERA, 178 strikeouts and a pair of saves in 63 appearances that totaled 234.2 innings pitched. In 2023, Malone earned second-team All-Conference USA accolades after posting six wins and 77 strikeouts in 16 appearances. In 2022, the Round Rock, Texas, native was a first-team all-conference selection after going 9-3 with two saves across 19 appearances, including 11 starts. He led the league in wins and posted a 2.67 ERA with 62 strikeouts against only 14 walks in 87.2 innings of work. He also landed on the Conference USA All-Tournament Team after helping lead the Roadrunners to the championship game, beginning with a record-setting appearance in the opening game where he came on in relief after the first two batters reached and scattered six hits over nine frames to set a tournament record for most relief innings pitched. Malone currently pitches for the Boise Hawks of the Pioneer Baseball League, an MLB Partner League. He has earned eight wins and struck out 108 batters in 41 appearances over the past two seasons. As a starter in 2024, he finished in the top five in the league in ERA and was a midseason all-star selection after starting his pro career as a reliever the year prior.

2025 UTSA BASEBALL

CLIPPINGS

"That's just what the Roadrunners did on Friday night, taking down the Pirates 8-5 to secure the outright AAC regular-season championship with five games left to play. UTSA then put an exclamation mark on the accomplishment by clinching the road series at perennial powerhouse ECU with a 7-6 win in the first game of Saturday's doubleheader. That was UTSA's 39th win of the season, tying the program record (set in 1994 and matched in 2008). Though the Pirates came from behind to salvage the finale later that day, this was a big statement weekend for the Roadrunners, given ECU's stature in this league — and in college baseball as a whole.

The torch has officially been passed — for one year, at least. In 2025, UTSA is the undisputed class of the American Athletic Conference, with a 20-4 record in the league and a five-game lead over second-place Charlotte heading into the final regular-season weekend.

"We've got a good team," said UTSA coach Patrick Hallmark. "We're not hitting like we can, but we've got a good team."

It's a testament to how good the UTSA offense has been this year that Hallmark seemed nonplussed about the current state of the offense, even though the Roadrunners scored eight, seven and seven runs in the three games of a big series win on the road. This is a very balanced, complete ballclub, but its greatest strength remains its offense, which ranks sixth in the nation in batting (.324), eighth in OBP (.433), 11th in scoring (9.0 runs per game) and 16th in doubles (114). I'm a sucker for an offense that wears you out with line drives and tough outs from top to bottom, and that's this team in a nutshell." - Aaron Fitt (D1Baseball)

"The torch has been passed to UTSA and the Roadrunners have enjoyed a dominant season from the very beginning through the beginning of May. They already have clinched the regular season championship with two series remaining in the regular season with a resounding 18-3 league record. They're also 37-10 overall and their 21st-best RPI points to a team that will be participating in the postseason, regardless of what happens in the American Athletic Conference Tournament, for the first time since 2013.

In Pat Hallmark's sixth season as the team's head coach, UTSA has won each of its seven conference series so far, sweeping four of its league opponents. The offense has an OPS of .950, the pitching staff has a 4.99 cumulative ERA and the defense boasts a .978 fielding percentage, meaning this is a team that has excelled in all three phases of the game." Patrick Ebert (D1Baseball)

"UTSA coach Pat Hallmark said Friday night that he thinks the team has the potential to reach College World Series in Omaha, Neb. His statement came after a reporter asked if he thought that his program had reached a ceiling on what he believed it could achieve when he took the job back in 2020.

What the team has accomplished to this point in the season isn't the ceiling, he said.

"This team can go to Omaha," Hallmark added.

He said the Roadrunners will need to "keep being competitive hitters" and to identify maybe a few more reliable pitchers on the roster to help them maneuver through the AAC postseason and the first two weekends of the NCAA tournament." -Jerry Briggs

Stepping to the plate for his first at-bat in what could have been his final college season, Norris McClure swung at a curveball and felt a bone break in his bottom hand.

McClure said he'd "never been injured a day in my life" before suffering the hamate fracture — a common stress injury for baseball players resulting from the repeated grind of the bat knob impacting the wrist.

He had planned on finishing out his fourth year at Division II Spring Hill College in Alabama and attempting to break into professional baseball with a degree in hand, but the injury setback opened a new range of possibilities.

After undergoing surgery, McClure knew he had time to find closure at Spring Hill and begin looking for a new home in Division I.

"Whenever it happened, I was like, 'All right, this is my chance,'" McClure said. "I've been waiting for some kind of opportunity like this. It was obviously very, very hard, going through a season and not playing. That was a weird experience, but I was excited."

Seeking the best combination of playing time and high-level competition, McClure landed at UTSA, slotting into the Roadrunners' lineup from opening day and manning third base for most of the season.

He started strong and never missed a beat, entering Friday with a 17-game hitting streak and a .347 batting average that ranks third on the team.

McClure's arrival has been a key component of a historic season, as UTSA notched a record-setting 40th win by rallying from seven runs down to beat Rice 15-7 on Thursday at Roadrunner Field. UTSA enters the weekend ranked No. 20 nationally in RPI, better than all but two other schools in the Group of Five.

"All we're trying to do is just win," McClure said. "Right now, I'm surrounded by such a good ballclub. We've put in a lot of work, and I just want to do my best to represent them well, represent us well, and just keep going. Keep winning ballgames."

McClure notched multiple hits in his opening five games at UTSA, boasting a .560 batting average through the Roadrunners' first two series.

Though the Division I move brought a jump in competition, McClure said he wasn't facing much pressure, feeling he had "been there and

CLIPPINGS

done that" as he entered his fifth year in college.

UTSA coach Pat Hallmark recruited McClure only off video without ever seeing him play live, but the early success was not a surprise once the Roadrunners staff saw what he was capable of through the fall.

Even with a powerful 6-foot-3, 200-pound frame, McClure displayed the speed to beat out infield hits. He's notched eight stolen bases this year, sitting tied for second on the team.

"What we liked the most about him was his athleticism," Hallmark said. "There's always a worry going from Division II to Division I. The talent is obviously better in Division I. So, you just don't know how those stats will translate. But Norris is a really good athlete, so we were excited to give him a chance."

Even landing a Division II opportunity was a process for McClure, who ended his time at Lakeshore High in Mandeville, La., without a college scholarship. With the COVID pandemic impacting the recruiting process during his senior spring in 2020, McClure was still looking for a home late into July, when a coach from Spring Hill noticed him during a game with a summer team in Mobile, Ala.

McClure figured he'd land in junior college before the Spring Hill offer led to a change in direction, and he said he signed with the program in early August.

After cracking the all-conference first team as a sophomore, McClure started to explore his options, spending 10 days in the transfer portal. He had plenty of suitors for a lateral move to another Division II program and received some interest from New Orleans in his home state, but McClure said he felt "comfortable" and secure in his role at Spring Hill.

"I could've gone to some place like that, but I felt like it wasn't the right time," McClure said. "And I guess it wasn't, looking back at it, now that we're here."

The Roadrunners were picked to finish fourth in the American Athletic Conference but instead cruised to their first conference championship since 2008, earning the No. 1 seed for the league tournament next week in Clearwater, Fla. UTSA is seeking the program's first trip to an NCAA regional since 2013.

With his degree from Spring Hill already secured, McClure said his time with the Roadrunners has been more focused and professional than his Division II days — just "baseball, baseball, baseball."

"Here, everybody is just really locked in. That's the most difference, I feel like," McClure said. "I'm just glad I found such a special place." -Greg Luca (San Antonio-Express News)

UTSA knocked off No. 8 Texas, 8-7 in 12 innings, snapping the Longhorns' 17-game winning streak. Caden Miller set the tone with

a leadoff homer and later tied the game with another solo shot in the seventh. The Roadrunners erased an early 6-2 deficit, capitalizing on a Texas error and wild pitch, including the go-ahead run scoring on a throwing error in the seventh. Rylan Galvan tied it for Texas with a solo homer in the eighth to force extras. Both bullpens traded zeros until the 12th, before Andrew Stucky came through with a clutch two-out solo homer in the 12th for UTSA. The Roadrunners bullpen was lights out, as five arms combined for nine innings and allowed just two runs, highlighted by scoreless work from Zach Royse, Robert Orloski, and Braylon Owens down the stretch." Jared Morris (D1 Baseball)

When UTSA baseball coach Patrick Hallmark learned during the preseason that the Roadrunners were picked to finish fourth in the American Athletic Conference, he wasn't sure what to think.

He wanted to believe UTSA had the talent to win the league, but with so many new pieces set to step into prominent roles, he needed to see live games before offering a true assessment.

He knew the Roadrunners lacked the pitching depth of a Power Four team, but the lineup featured the type of fast, powerful athletes that "you don't see a lot at a mid-major," Hallmark said.

He started to realize UTSA's potential near the halfway point of the season, when the Roadrunners knocked off elite programs Texas and Texas A&M during a two-week span.

"I became a real believer and eyes opened once you start beating A&M and Texas," Hallmark said. "At that point, I thought we had a shot."

The Roadrunners began to roll and never faltered, charging to a 37-10 record that puts the team No. 20 nationally in RPI, sitting just two wins shy of the school record with seven games to play in the regular season.

UTSA also posted an 18-3 mark in the AAC, clinching at least a share of the program's first conference championship since 2008 by building a six-game cushion at the top of the standings with two series remaining.

Outfielder James Taussig said he can feel momentum building around the program as people "start hopping on this UTSA wagon." But while he praised the league title as a "great accomplishment," Taussig said the Roadrunners remain focused on securing the team's first trip to an NCAA regional since 2013, harboring dreams of marching to the College World Series and competing at an elite level for years to come.

"This is the first box you have to check to get to what our ultimate goal is, which is playing deep into the postseason, and hopefully pushing toward Omaha," Taussig said." -Greg Luca (San Antonio-Express News)
