A LETTER FROM LISA CAMPOS

ROADRUNNERS FAMILY:

Entering the 2024-25 academic year, we knew that it would be a season like no other in college athletics. We are experiencing an accelerated shift in the landscape in which we operate, but it is a change that is full of excitement and opportunity.

The American Conference has been on the forefront of directly supporting student-athletes, which we are now permitted to do through revenue sharing as part of the House v. NCAA decision. We are joining with our conference peers to provide at least \$10 million in revenue sharing to our student-athletes over the next three years. Your support has allowed us to continue transforming lives as San Antonio's nationally recognized NCAA Division I athletics program.

Our second year in The American was another historic one for the Roadrunners, which has helped us continue to provide countless new opportunities for our student-athletes and elevate the national brand of our university. UTSA's integration with UT Health San Antonio will bring together two R1 institutions to create UT San Antonio, the third-largest research university in the state of Texas.

This past year, our women's basketball and baseball programs won American Conference regular-season championships, while both recording the most wins in a single season in school history. Our baseball team claimed the NCAA Austin Regional and advanced to the NCAA Super Regional, marking the first top-10 NCAA finish ever for any sport program at UTSA. Our football program claimed its second consecutive bowl victory while making its school-record fifth straight bowl game appearance and also earned the first win against a top-25 opponent in school history.

For the fourth time in five years, UTSA Athletics notched a departmental record for NCAA Graduation Success Rate, this time achieving a record 90 percent mark.

Across all of our nearly 400 student-athletes, the Roadrunners averaged a departmental GPA of better than 3.0 and 206 of our student-athletes were named to The American All-Academic Team. Baseball's James Taussig was recognized as the American Male Scholar-Athlete of the Year, while Danijal Muminovic was the American's Men's Tennis Scholar-Athlete of the Year. Track & Field standout Ida Breigan was recognized by College Sports Communicators as an Academic All-American. I could not be more proud of their accomplishments.

Many of you were with us this past December when we broke ground on our Basketball and Volleyball Training Facility, a state-of-the-art \$38 million facility that will provide our student-athletes in those three sports a top-notch development and training experience when it opens next fall. Our commitment to first-class facilities will continue, as we next look to make enhancements for the baseball and softball programs.

Roadrunner Nation once again set the standard while cheering on our great teams in 2024-25. The women's basketball and baseball programs set new single-game home attendance records, while volleyball and women's basketball also broke their single-season attendance marks. For the second consecutive season, soccer led The American in average home attendance.

College athletics may look a little different as we continue to evolve but remain assured that our core mission is the same. We are dedicated to developing champions in the classroom, in competition and in life, while serving as an integral part of the undergraduate student experience, enhancing the visibility of the university and engaging the San Antonio community.

On behalf of our students, coaches and staff, thank you for the impact that you make on our program and this university. We could not do it without you!

LISA CAMPOS, ED.D.

IN FEBRUARY 2024, VICE PRESIDENT FOR INTERCOLLEGIATE ATHLETICS LISA CAMPOS ANNOUNCED THAT, THANKS TO INCREDIBLE INSTITUTIONAL SUPPORT, FUNDRAISING EFFORTS AND NEWLY IDENTIFIED FINANCIAL OPPORTUNITIES, UTSA ATHLETICS WILL BE INVESTING AN ESTIMATED \$57MILLION INTO FACILITIES AND CAPITAL PROJECTS FOR UTSA ATHLETICS.

THIS INCLUDES A NEW, STATE-OF-THE-ART BASKETBALL AND VOLLEYBALL TRAINING FACILITY THAT WILL PROVIDE UTSA STUDENT-ATHLETES WITH 24-HOUR ACCESS TO A TOP-TIER TRAINING CENTER. IT WILL OPEN IN FALL 2026.

BRINGING THIS AMBITIOUS VISION TO REALITY WILL BE A COLLECTIVE EFFORT AND THE SUPPORT OF EVERYONE IN THE ROADRUNNERS FAMILY WILL BE PARAMOUNT. THIS \$57 MILLION WILL HELP SPARK THE START OF NEEDED FACILITY PROJECTS, BUT IT IS JUST THE START. WE WILL NEED PHILANTHROPIC SUPPORT TO FULLY REALIZE THE CAPITAL IMPROVEMENTS.

LET'S GO 2-1-0 DAY

Annually on February 10, UTSA Athletics celebrates Let's Go 2-1-0 Day to commemorate the successes of the Roadrunners' athletics programs and the strong bond that exists within the City of San Antonio, which is located largely in the 210 area code.

Let's Go 2-1-0 ("two-one-oh") is the rallying cry that fills the stands and symbolizes the strong bond between San Antonio and the UTSA Roadrunners, San Antonio's nationally recognized NCAA Division I FBS athletics program.

In 2023, the City of San Antonio and the Bexar County Commissioners Court proclaimed Feb. 10 as UTSA 210 Day. In 2024, the State of Texas Senate and House of Representatives issued a resolution proclaiming February 10 as UTSA 210 Day

The major focus of the 2025 celebration was a day of service, including student-athletes and staff volunteering at the Whataburger Resource Room / Roadrunner Food Pantry, student-athletes creating dog toys for donation to shelter dogs, SAAC members assembling personal care bags for Haven for Hope and a partnership with South Texas Blood & Tissue to organize a blood drive on campus.
