\* American Conference Game

### BULLS LOOK TO REBOUND IN TEST AT THE ALAMODOME

South Florida hits the road for the third time on the season and will look for its first-ever win at UTSA. The Bulls lost, 49-21, in their only other trip to San Antonio in 2023. UTSA is one of three conference locations the Bulls have not won (Rice, Temple).

• **Weekday Games:** The Bulls have won their last five regular season weekday games (4-0 in 2025), including a 55-23 victory over UTSA on Thursday, Nov. 6 last season in Tampa, their last such appearance. This will mark the third meeting between USF and UTSA - all have taken place on a weekday (1 Friday, 2 Thursdays). USF is 26-34 in weekday games and 9-14 on Thursdays.  
• **ESPN:** The Bulls will play in front of a national audience on ESPN. The last time USF won a road game on ESPN was nine years ago nearly to the day - a 25-24 win at Tulsa on Oct. 12, 2018. The Bulls are 14-33 on ESPN, but 117-77 in night games.  
• **Alamodome:** UTSA is 25-1 in conference games at the Alamodome since 2020 (including three seasons in C-USA and now their fourth in The American). Their 25-game home conference win streak was snapped in the last regular season game of the 2025 season as Army threw a TD pass with under three minutes to play to claim a 27-24 victory. Thursday's game will be UTSA's first conference home game since that loss. UTSA is 35-5 (.875) in the Alamodome since 2020. Head coach Jeff Traylor is 35-6 in the Alamodome in his seventh season leading UTSA.

• **What A Day For Tampa Bay:** For the first time ever, USF football will share the calendar with Tampa Bay's three major pro teams. Thursday, Oct. 8 will see: USF football at UTSA; Tampa Bay Buccaneers at Dallas Cowboys; ALDS Game 4 (if necessary) New York Yankees at Tampa Bay Rays and the Minnesota Wild at the Tampa Bay Lightning.

### THE RETURN OF DOMINANT DEFENSE

The South Florida program was built on dominant defenses in the program's first 13 seasons under Jim Leavitt, a former defensive coordinator, as the Bulls gave up an average of just 20.2 ppg and 306 ypg over that span. Bulls' current defense coordinator Josh Aldridge has led the defense to a dramatic improvement and ranking among the top units nationally.

- Allowed just 9 total explosive plays to last three FBS opponents • 7 straight quarters without allowing a TD (broken vs. Temple).
- On 5 of Temple's 9 possessions, USF forced a 3-and-out, with 9 combined yards allowed on those 5 possessions.
- Enter Week 6 No. 19 nationally in scoring defense (14.6 ppg), No. 39 in total defense (312.4) and No. 17 in TFL (7.4).
- That is a major upgrade over 2025, which saw USF rank No. 53 in scoring (23.4) and No. 83 in total defense (386.5).
- Even more impressive is the dramatic improvement over the Bulls' average defensive rankings over the past eight seasons (2018-25), which saw USF average national ranking of No. 100 in scoring defense and No. 104 in total defense.
- The Bulls are on pace for their best defensive performance since the 2017 season - which saw USF go 10-2 and finish ranked No. 21 in the AP Poll. That year USF stood No. 41 in scoring defense (23.5) and No. 37 in total defense (359.8).

## LAST TIME OUT

### HOME WIN STREAK ENDS AT NINE IN LOSS TO TEMPLE

South Florida entered Saturday clash with Temple one of 22 unbeaten teams in FBS football and the only one in The American. Another strong defensive effort and second half rally put the Bulls in position to keep the win streak going, but a late Temple touchdown sent the Bulls to their first loss of the season, 17-13. The loss snapped the second-longest home win streak in program history at nine games. For the second straight week, the Bulls found themselves trailing at the half after struggling to get the offense going. The defense kept the game close, giving up just 113 yards in the first half - 55 of those on Temple's final drive of the half for a touchdown - but the offense generated just five first downs and 108 yards. Several of the Bulls five first half penalties helped to derail drives and USF trailed 10-3 going into the final 30 minutes. The Bulls came out sharper in the second half and scored on their first two possessions to take a 13-10 lead. But that was all for the offense, and the defense cracked late in the fourth quarter, giving up a 96-yard touchdown drive with 3:08 to play that ultimately won the game for Temple with.

#### NOTABLES

- South Florida was missing six starters in the game, three on each side of the ball, including top two tacklers Ayden Jackson and Sam Robinson, starting offensive lineman Thomas Shrader and Michael Wooten, receiver Arhmad Branch and cornerback Jair Murphy.
- Running back D.J. Crowther, coming off back-to-back 100-yard games, was held to 68 yards on 23 carries and a touchdown.
- Bulls' linebacker Pup Howard led the Bulls with a career-best nine tackles. C.J. Hicks added seven stops and a big fumble recovery in the Bulls' endzone that ended a Temple scoring threat.

The reaction from around the college football was equally enthusiastic as the longtime Buckeye assistant and former NFL receiver was long among the hot assistant coaches in the nation.

**BE DIFFERENT**

Hartline said it during his introductory news conference. The phrase now resides on the mesh fence covering at USF's practice fields. He believes in the power of those words. Be Different.

*"That has always been a big part of my football career and a big part of my life. Whether it was winning a starting job, getting ready for the NFL Draft, the hiring process, recruiting, trying to find my wife ... I've always wanted to be different and separate myself from my peers. Separating yourself is really what football is all about. Every player on our roster dreams of playing in the NFL, right? Well, there's no better way of getting to the NFL than being different than your peers. Finding a way to stand out. Doing the things that others aren't willing to do. It's really about being the best version of yourself and finding a group of individuals who want to separate themselves. You do that and you get a team that stands out."* - Brian Hartline

## BULLS WIN THRILLING CONFERENCE-OPENER AT ARMY

South Florida came from 10 points down with 4:59 to play at Army (with ESPN analytics giving Army an 89% chance of winning with 4:59 to play and a 99.9% chance with a minute left) to start the American Conference season 1-0.

• The only other time South Florida won a game in that situation was at Nevada on Sept. 8, 2012, when he Bulls trailed by 11 points with less than three minutes to play.

• It was just the fifth time in program history USF won a road game after erasing a double-digit deficit in the fourth quarter.

• Army held a home record of 45-17 (.725) under head coach Jeff Monken entering the game and had lost a game when holding a 10-point lead in the 4th quarter just once (vs. Tarleton State, 2025, 20T) previously under Monken.

• Every American Conference Champion but one (Tulane 2022, didn't face one) since 2015 won a game against a service academy on the year.

• QB Michael Van Buren accounted for all four of South Florida's touchdowns, with a pair on the ground and in the air. He tallied 284 total yards with no turnovers. He went 5-for-5 for 42 yards and ran in a 24-yard touchdown to cut the Army lead to 24-21 with 3:13 to play. The Bulls got the ball back with 1:46 to play on their own 19. He completed five passsesb for 81 yards including a 38-yard TD to Josh Porter with 19 seconds to play on 4th-and-6 for the game winner.

• Brian Hartline joined Charlie Strong as the only USF head coaches to win in their road debut.

• It will mark the earliest ever conference start for the USF program and the first-ever meeting with Army in the American Conference. The teams were in Conference USA together in 2003-04. The Bulls moved to the Big East in 2005.

## OFFENSIVE OUTBURST

The Bulls produced 611 yards of offense in their 59-17 win over Delaware State.

• The 611 yards rank tied for the 11th-best total in program history, the most since 715 yards vs. Tulsa in 2024.

• The Bulls seven rushing TD on the night rank as the second-most all-time behind only the eight recorded in USF's very first

game vs. Kentucky Wesleyan in 1997.

• RB D.J. Crowther became the first Bull to run for three TD in a game since Jaren Mangham vs. FAMU in 2021. He posted his fourth career 100-yard game, running eight times for 101 yards (12.6 ypc). He added two catches for 40 yards to produce 141 all-purpose yards on the night and earned American Conference Offensive Player of the Week honors.

• Quarterback Michael Van Buren completed 23-of-32 (70%) for 300 yards and a touchdown.

## HARTLINE & 110 COMBINED NEW PLAYERS & STAFF SEE BULLS DEBUT

Head Coach Brian Hartline - who was hired on Dec. 3, 2025 after nine highly-successful seasons on the coaching staff at his alma mater Ohio State - became the fifth head coach to win in their Bulls debut.

• Hartline welcomed 62 new players to the Bulls roster and enters the season with over 110 combined new players and staff members in the football program.

• **Players:** USF welcomed 45 players through the transfer portal and signed 17 in the Class of 2026, giving USF 62 new players. 18 transfers stated the opening game, 16 joined the program in 2026.

• **Coaches/Staff:** With the hiring of Brian Hartline, the Bulls also welcomed 50 new football staff members - including coaches and support staff. Hartline retained two position coaches (Chad Creamer & James Rowe) and several staff members.

## REUBEN NAMED TO ALLSTATE GOOD WORKS TEAM AND A WUERFFEL TROPHY SEMIFINALIST

South Florida graduate wide receiver Mudia Reuben has been named to the Allstate AFCA Good Works Team - one of just 11 FBS football players to be named to the team - and a finalist for the Wuerffel Trophy, the premier major college football award emphasizing community service.

• Reuben is the first South Florida Football player to be named to the Allstate AFCA Good Works Team, which annually recognizes 11 members of FBS and FCS level college football teams for their outstanding community service contributions.

• Reuben's outstanding contributions include the development and funding of a project to build water wells for Nigerian communities in need of access to water. Reuben, a first generation American whose family is from Nigeria, has built six such wells to date, often reducing a daily journey to source water from as much as a four-mile trip to just steps.

## USF HEAD COACH DEBUTS

Brian Hartline became just the second Bulls head coach to win their road debut (at Army), the fifth to win their conference debut and the fifth to win in their first game as head coach.

### Wins in Debut:

1997 - Jim Leavitt - W, 80-3 vs. Kentucky Wesleyan, Home  
2010 - Skip Holtz, W, 59-14 vs. Stony Brook, Home  
2017 - Charlie Strong, W, 42-22, at San Jose State

## CAPTAINS NAMED

USF selected six captains for the 2026 season. The group consists of three players from each side of the ball, five newcomers and one returning starter.

- Linebacker Grayson "Pup" Howard was the leading vote-getter amongst his teammates, and he's joined this fall by quarterback Michael Van Buren Jr., offensive lineman Caleb Cook, offensive lineman Thomas Shrader, defensive lineman Major Dillard and edge C.J. Hicks.

- Van Buren Jr., Cook, Hicks, Howard and Dillard all joined the Bulls this offseason. Shrader started 13 games last season at left guard after joining the program after spending the 2024 season at Appalachian State.

## BLUE COLLAR BACKGROUND

South Florida is a long way from the Gulf South Conference.

Or the Pioneer League.

Or getting up early to do the laundry, then line the practice fields.

Or holding mid-week car washes to raise money for equipment.

Or sharing an apartment, maybe sleeping on the couch.

Offensive line coach Mike Sollenne and tight ends coach Sean Binckes played together at Long Island University Post, then began coaching at Nassau Community College.

"We had an equipment truck that we loaded up with all the equipment," Binckes said. "From day to day, we drove that truck from the back of the building to the middle of campus, where we practiced on the quad."

- Sollenne and Binckes each spent a few seasons at Ohio State as graduate assistants, where they developed a relationship with Hartline.

Cornerback coach James Rowe began at NAIA Bethel University in Tennessee before working up to NCAA Division III Jacksonville University, then NCAA Division II Valdosta State. Special teams coordinator/outside linebackers coach Chad Creamer was a defensive coordinator at the NCAA Division III (Capital University) and NCAA Division II (Shorter University) levels.

Defensive coordinator Josh Aldridge, who grew up on an 80-acre cotton farm, played at Harding University, an NCAA Division II program in the Great American Conference. He began coaching at West Georgia, then shifted to Lenoir-Rhyne.

"I'm a D-2 (Division II) guy for life," Aldridge said. "There's a culture of selflessness. If something needs fixing, you take care of it. You're not looking for credit or attention. You don't want to let your brother down. It's very powerful."

Safeties Coach Danny Verpaele played at USF from 2004-08 when the program transitioned to the Big East Conference and earned the Associated Press poll's No. 2 ranking in 2007. But Danny was around USF football in its infancy through his older brother Kevin, who played for the Bulls from 2000-03. Under Coach Jim Leavitt, the Bulls' program was shaped by its modest beginnings.

Verpaele knows the stories well. When Leavitt was hired, the USF football "facility" was a single trailer. There was a small hole in the floor. Leavitt shrugged and moved his desk on top of the hole. In time, deals were cut to acquire a second trailer, then a third (with a shower) and a fourth. The football trailer complex was dubbed the "Ponderosa."

USF's first football staff meeting was held underneath a palm tree. Position meetings were conducted in academic classrooms or sometimes in a Fontana Hall bedroom.

- Verpaele comes to USF from Army, but also has a deep coaching background in the ranks of FCS (Kennesaw State), NCAA Division II (Valdosta State) and NCAA Division III (Jacksonville).

## NOW THAT'S OFFENSIVE

USF has put up at least 550 total yards of offense six times since the start of the 2025 season.

**FBS, Most Games with 550+ Total Yards Of Offense – Since 2025**

|               |   |
|---------------|---|
| South Florida | 6 |
| North Texas   | 6 |
| Texas Tech    | 5 |
| 6 Teams Tied  | 4 |

- This is the fourth straight season the Bulls have had a game with at least 550 total yards yards, tied for the longest streak in program history (2015-18).

- vs. Delaware State, Michael Van Buren Jr. had 300 passing yards and Luke Kromenhoek scored two rushing scores. They are the first QB duo in USF history and the second QB duo in American Conference history to reach those marks in the same game (Florida Atlantic on October 14, 2023 against USF).

- Joshua Porter and Bryson Rodgers both had at least seven receptions and 85 receiving yards in the win over Delaware State. The only other USF duo to reach those marks in the same game was Sean Atkins and Keshawn Singleton on November 30, 2024.

## UPTOWN LANDING UNDERWAY

The University of South Florida broke ground in September on Uptown Landing, a nearly \$500 million mixed-use development that will create a new destination for students, community members, alumni and Bulls fans.

- Located within walking distance of USF's new on-campus stadium, the development will bring people together on gamedays and for other big events throughout the year.

- Uptown Landing marks a bold new chapter for the university, creating a vibrant neighborhood to live, work, learn and play, while also providing a hub for the Tampa Bay community and conference attendees from across the world to gather, connect and experience USF in an entirely different way.

- The first phase of the project, approximately 30 acres, is located north of Fletcher Avenue and east of North 46th Street. Uptown Landing will feature 700 new beds for student housing, four-six restaurants, retail spaces, a hotel and conference center, along with a major academic research building. Known as the Translational Research Institute, the facility will provide capacity for about 100 National Institutes of Health-funded investigators and approximately 1,000 additional researchers.

## LET'S GET PHYSICAL

It doesn't take long to figure out the preferred method of offensive football for Coach Brian Hartline's University of South Florida Bulls.

### "Plain and simple, we want to be physical,"

- offensive coordinator Tim Beck said.

"One of the things that attracted me to Coach Hartline, this offense and this system was getting back to that old-school football," running backs coach Elijah Brooks said. "Being physical, coming downhill, power, counter, ISO. We're in a day and age where the game is spread out a lot more. This is refreshing for a running back coach."

Jason Running Back Jason Collins

"Running the football is what we're going to do," offensive line coach Mike Sollene said. "That's how you establish the tone. That's how you control the football game."

## NOTABLE

• Michael Van Buren Jr. and Luke Kromenhoek are one of five FBS QB teammate duos to each have multiple touchdowns this season (Air Force, LSU, Navy, NC State). The only other seasons all-time that USF had such a duo were 2024, 2022 and 2015.

• Arhmad Branch is the first player all-time to have at least five catches in each of his first two career games with the Bulls. The only USF players to do that in the team's first three games of a campaign are Sean Atkins (2023) and Xavier Weaver (2022).

• Joshua Porter's 38-yard game-winning TD grab at Army was the second-longest TD catch on fourth down by any USF player in the last 10 seasons.

• South Florida's retooled offensive line at Army — with veteran Thomas Shrader moving from guard to center, then Coastal Carolina transfer Julius Tate being inserted at guard — came out firing by leading a seven-play, 75-yard touchdown drive on the opening possession. "Our five best players are going to play," Hartline said of the O-line adjustments.

## NOTABLE NUMBERS

**2014** — The Bulls won 14-6 at Bowling Green. The last season South Florida won a football game by scoring 14 or fewer points. The Bulls beat SMU 14-13 on Nov. 15, 2014 with a final-play touchdown pass from QB Mike White to WR Andre Davis.

**123** — Pass attempts by QB Michael Van Buren Jr. without an interception. For USF QBs, that's the third longest non-interception streak to start a season (Byrum Brown 132 in 2024, Marquel Blackwell 88 in 2002).

**6** — Rushing TD for D.J. Crowther on the year. **3** — Crowther posted three vs. Delaware State becoming the first Bull to accomplish that since 2021 (Jaren Mangham vs. Florida A&M).

**5-5 & 75** — Michael Van Buren went 5-for-5 passing and accounted for all 75 yards on a late TD drive in the comeback win at Army that cut the lead to 24-21. He finished the drive with a 24-yard TD run.

**33** - Consecutive games won by USF when leading by 10 or more points after the first quarter. It's the longest such streak ever for USF and the eighth-longest for that category in NCAA history.

*"Credit to our O-line. They were just being being nasty today and imposing their will against our opponents. I just love to see the growth of them and just how they keep getting better each and every week."*

— **QB Michael Van Buren Jr., on the offensive line.**

*"At the end of the day, it just comes down to toughness. Coach Hartline speaks on it all the time. You got to be the toughest and hardest-working team in the country. That's the mindset. You've got to be tough. And shoutout to the O-line. We just wanted to keep driving down the field and we got to punch it in. That's what we did."*

— **RB D.J. Crowther.**

• Defensive coordinator at Lenoir-Rhyne (2018) as the Bears posted a 12-2 record and ranked No. 1 in the country in turnovers caused and No. 9 in scoring defense.

### STOUT IN THE SECOND

The Bulls recorded a second-half shutout in consecutive games (Delaware State and Bowling Green) within the same season for the fourth time in program history. USF also did this between September 2-9, 2006, September 6-27, 2003 and November 1-8, 1997.

### DEFENSE STRONG 2026 OPENING

The Bulls defense in its debut under Josh Aldridge logged three turnovers and held FIU to 80 yards rushing on 25 attempts in a 19-9 season-opening win in which the defense was the standout for the Bulls.

• Brian Hartline only allowed nine points in his first game as an FBS head coach. The only American Conference head coach to allow fewer in his first career game against an FBS opponent was Memphis’ Mike Norvell on September 17, 2016 (7 vs. Kansas).

• The Bulls allowed zero points in the first half, their first shutout in the first half of a game since December 21, 2023 against Syracuse (31-0).

• USF collected three turnovers — two interceptions and a fumble recovery.

• The Bulls defense saw eight of FIU’s 11 drives end in a turnover, punt, or turnover on downs.

### CREATE HAVOC

DC Josh Aldridge laid the foundation for his unit’s preferred identity and performance:

**“We’re going to create havoc.”**

“We’re going to be the aggressor. We’ll swing first and ask questions later. Tips and overthrows ... gotta get those.”

**HAVOC** = sack, tackle for a loss, pass breakup, forced fumble, fumble recovery or interception.

• It becomes a math formula. According to Aldridge’s decade-long research, if the South Florida defense has a havoc-creating moment on 25-percent of the snaps, the Bulls should approach nine victories. Improvement to 30-percent should have the South Florida win total nearing 10 (or greater).

• When Aldridge was DC at East Carolina (9-4) last season, the Pirates had a havoc rate of nearly 29-percent.

• In 2022 at Liberty, his Flames (8-5) led the nation in havoc rate and that momentum carried into a breakthrough the following season (13-1, Fiesta Bowl berth).

“Taking the ball away specifically is the biggest one. Over the course of time, the TFLs (tackles for a loss) affect the quarterback a lot because you’re putting him in third-and-long, more pressure on him. If you’re constantly tipping balls, the affects his arm angle. And those are all things that lead to taking the ball away.”

• The Bulls produced 11 HAVOC plays (11 TFL - 3 were sacks) in a win at Bowling Green (9/26). BGSU had only given up 21 on the year. USF held them to a season low 3.4 yards per play, no explosive plays over 15 yards and scoreless in the second half.

• The Bulls produced 7 HAVOC plays vs. Temple (10/3) — four TFL (two sacks), two pass breakups and a forced fumble recovered in the end zone — and held the Owls to 92 passing yards.

## MONEY DOWN

• USF leads the American and ranks 38th nationally in third down conversion defense, allowing just 32.8%.

**22 for 67 on Third Downs** - In Week one, the Bulls held the Panthers to just five third down conversions on 17 attempts. At Army, USF held the Black Knights to only 4 of 11 attempts. Against Delaware State USF only allowed 3 of 12 conversions. At Bowling Green the Bulls held the Falcons to 5 conversions on 15 tries. Temple converted 5 of 12 attempts.

## FORCING THE ISSUE

**(3-1)** South Florida's record this season with at least one turnover recorded (three vs. FIU, one at Army, and one vs. Delaware State and Temple).

**17-2** - USF's record in last four seasons when the Bulls force two or more turnovers.

## BULLS MAKE ARMY RETREAT

■ The USF defense under Josh Aldridge forced 10 Army offensive plays to end in no-gain or minus yardage, including a huge third down sack of quarterback Cale Hellums at the USF40 with 1:53 to play that forced a punt.

• 10 such plays equals the most for Army in the last 20 years, tying marks set in the 2025 season opener vs. Tarleton State and in a 2012 game vs. Navy.

• USF recorded 6 tackles for loss of 15 yards and one sack in the game.

• Army went 4-11 on third downs and ended four of its 9 possessions with a punt, and another with a fumble.

• Army had three drives of 90+ yards, but also five of 15 yards or less, three three-and-outs, and another that gained 44 yards.

## MAJOR ADDITION

Bulls 6-2, 330-pound nose tackle **Major Dillard** has been a big addition in 2026, earning team captain honors and providing a major stopping force on the D-Line after starting his career in NCAA Division II.

• Mostly known as an offensive lineman in HS, Dillard was in low demand playing at Frederick Douglass High School in Upper Marlboro, Md., part of the "DMV" (D.C./Maryland/Virginia).

• First, he tried NCAA Division II Fayetteville (N.C.) State University, where his stay was brief. Next, it was NCAA Division II Chowan University in Murfreesboro, N.C., a place of 15-hour bus rides to some road games.

• Dillard got the attention of Football Championship Subdivision member Norfolk State University, an HBCU program, where he played one season for head coach Michael Vick, the former NFL quarterback.

"You're in the middle of nowhere, just grinding, staying up at night and wondering if you'd made the right decision," Dillard said. "I played with some great players growing up, the four-stars and the five-stars, and I believed I belonged with them. But for whatever reason, I never got that opportunity right off the bat."

• Defensive coordinator Josh Aldridge jokingly sometimes addresses Dillard as "Sweet Feet."

"He's really light on his feet," Aldridge said. "It's really impressive. The guys give him a hard time. Like when he stops playing football and loses some weight, he'll probably be a marathon runner or something."

• At birth, he was more than 8 pounds. He was a 100-pounder in the first grade. At age 7, he wore a size-11 shoe (it's now 16). In high school, during the COVID-19 quarantine, Dillard's eating habits and football conditioning were completely shot. When he finally attended a long-awaited football camp at William & Mary, he hopped on a scale. It read: 415 pounds.

"I did it to myself, but I wasn't going to allow that," Dillard said. "I worked out like crazy, but the biggest thing was upping my water intake. That changed everything and I still pay attention to that. Drinking lots and lots of water. I got the weight back to where it needed to be. I'm big, but I think I look good and I feel good."

• Nico owns the USF record for 50-yard field goals in a career with 6.

Later in the game, Nico made a 51-yarder, becoming the first Bull with multiple 50-yard field goals in the same game.

## ON-CAMPUS STADIUM & OPERATIONS CENTER SET TO OPEN IN 2027

The University of South Florida is in the midst of building a transformational on-campus stadium and football operations center on the east end of campus that will open ahead of the start of the 2027 season.

See a virtual tour and progress photos at: [www.usfbullsstandium.com](http://www.usfbullsstandium.com)

- Capacity: 35,000
- An east-west build to help maximize shade for daytime events.
- A dedicated section for students for at least 8,000 in the west end of the stadium that includes its own entrance and shaded spaces under the stands for gathering, socializing and refreshment. A DJ booth will sit a quarter of the way up and help to provide a lively pregame, in-game and postgame atmosphere making each game day a campus party.
- An open concourse around a majority of the stadium that provides views of the field, even as fans are walking to concession or restroom areas.
- Multiple premium seating options that will provide unique game day experiences at multiple levels of the stadium and distance from the playing surface, including: Ninety-Seven Club (speakeasy), Loge Boxes, Living Room Boxes, Sideline Club, Field Club and Rooftop Deck.
- The rooftop deck will feature the longest bar in the state of Florida running from endzone to endzone.
- New tailgating areas in groves of live oak north of the stadium, on tree-lined Sycamore Drive, or around USF's beautiful campus, game day tailgating at USF has never been like this.
- The stadium is being built to serve the greater Tampa Bay community year-round. From the size and dimensions of the field to configurations for locker room spaces, large gathering areas, catering facilities and other operational functionality, the stadium is being constructed to be able to host concerts, festivals, weddings, meetings, and athletic competitions and championships in sports such as lacrosse, soccer and FCS football, increasing the opportunities for more people to experience the charms of USF and Tampa Bay.

■ **The Tampa General Hospital Center for Athletic Excellence**, a 150,000-square-foot operations facility that will be connected to the new stadium, will be a state-of-the-art building that will serve as the daily home for the football team. Highlight spaces, include a grand two-story lobby, state-of-the-art weight room, team meeting room, and training table dining area, coaches' offices, a players lounge, sports medicine and recovery facilities, position meeting rooms, and a number of unique amenities such as a barbershop, photoshoot room, nutrition bar, and golf simulator.

The building will also feature a dedicated clinical space where TGH will provide behavioral health services to the local community. TGH will also name the university's athletics district.

## CHAMPA BAY!

The Bay area has staked a claim as the epicenter of championship sports teams in recent years. Home to four professional sports organizations, including the MLB Rays, NHL Lightning, NFL Buccaneers, USL Rowdies, and USL Super League Sun. All have had outstanding championship seasons in the last four years, making celebratory boat parades on the Hillsborough River in downtown Tampa a common occurrence.

■ Since 2020, the Bay Area has claimed a Super Bowl Champion, two Stanley Cups, an American League Pennant, A USL Super League Championship, and a USL Conference Championship.

■ The Tampa Bay Lightning repeated as Stanley Cup champions in 2021, downing the Montreal Canadiens (4-1) in the Stanley Cup Finals. The Lightning also won the Cup in 2020 and back in 2004. They reached the Stanley Cup finals in three straight years: 2020, 2021 and 2022.

■ The Tampa Bay Buccaneers acquired sure Hall of Fame players Tom Brady and Rob Gronkowski prior to the 2020 season and went on to down the Kansas City Chiefs (31-9) to win Super Bowl 55 in Raymond James Stadium. The Buccaneers became the first team in NFL history to play in and win a Super Bowl that was held at its home stadium. The Bucs also won a Super Bowl in 2002.

■ The Tampa Bay Rays posted 100 wins and had the best record in the American League in 2021. "Hart is somebody who played the position, played at a high level, played in the League. He knows how to relate to everybody. What's cool about Hart is he doesn't fake who he is. He's going to be who he is through everything. He's really one of the main reasons that I went to Ohio State. He recruits at a very high level and knows what to say, how to say it, but is always honest. That is something that I appreciate him for is his honesty. I think he's going to do great, and I can't wait to see him flourish as a head coach. I think he's going to be amazing." - CJ Stroud, Houston Texans QB/Ohio State QB
