STOP AIRPORT EXPANSION FLASH MOB ON THE OPENING DAY OF HEATHROW TERMINAL 5, THURSDAY 27 MARCH.

Be at T5 International Arrivals at 11am to put on (or strip to reveal) your brightly coloured 'STOP AIRPORT EXPANSION' t-shirt: a visible presence of public opposition to the madness of airport expansion. Wander round, have a coffee, leave when you like. Order your FREE t-shirt today: stopairportexpansion@gmail.com, 0845 458 2564 or use the tear-off slip opposite.

The Government and BAA see the opening day of Terminal Five – the biggest terminal ever built in the UK, and the subject of the longest Public Inquiry in British history - as an opportunity to put the case for further airport expansion.

Join the flash mob to highlight the real problems that airport expansion causes: climate change, noise, air pollution and community destruction.

Please Note: Almost everything is against the Heathrow byelaws, but wearing a t-shirt is not a crime. So as long as you're not demonstrating, you're not breaking the law!
