II CORINTHIANS 4:7

*But we have this treasure
in earthen vessels, that the
excellency of the power
may be of God, and not
of us.*

Dear Students:

Our objectives at M.B.C. are very similar to those enunciated by Solomon in the Proverbs: "To know wisdom and instruction; to perceive the words of understanding; to receive the instruction of wisdom, justice, and judgment, and equity; to give subtility to the simple, to the young man knowledge and discretion."

Having objectives is one thing; attaining them is another. The latter depends upon the mutual efforts and cooperation of instructors and students. Our objectives are based upon the Word of God, rightly divided and rightly applied. Our Faculty, I feel sure, have done everything within their power and ability to instruct, motivate, and challenge you. It is my earnest prayer that you can look back upon this past year spent at M.B.C. and actually perceive growth and development in your knowledge of the Word, in your spiritual life, and in your love and service for Christ.

My prayer is especially for those of you who are graduating this year. May God open doors of opportunity for each of you, and may each of you seek fervently those open doors and be ready to enter in without delay or failure.

Very cordially yours in Christ,

Charles F. Baker, president
