THE AMBASSADOR

GRACE BIBLE COLLEGE

1962

MR. CHARLES F. BAKER, A.B., Th.M.

President, Instructor of Theology

Dallas Theological Seminary, 1925-29; A.B., Wheaton College 1931; The.M., Dallas Theological Seminary, 1932; Pastor, 1932-55; Milwaukee Bible Institute, Milwaukee Bible College, Grace Bible College, 1939.

Dear Students:

We have much for which to praise God as we come to the end of our first year of operation in Grand Rapids. I am sure that you share with me the many thanks to God for our new facilities which make our school work more efficient and pleasant.

Now that we have our campus and buildings I feel that our greatest need is to recruit a goodly number of sincere and dedicated young people to matriculate at the college. We must sell them on the need of getting a firm, basic Christian foundation for their lives, regardless of the vocation they expect to pursue. We must convince them that even though they plan to go into secular work two years at GRACE are a "must." We believe that when they understand that in those two years they can earn a full year of fully accredited liberal arts work which they can transfer into any other college or university, they will see the wisdom of coming to GRACE first.

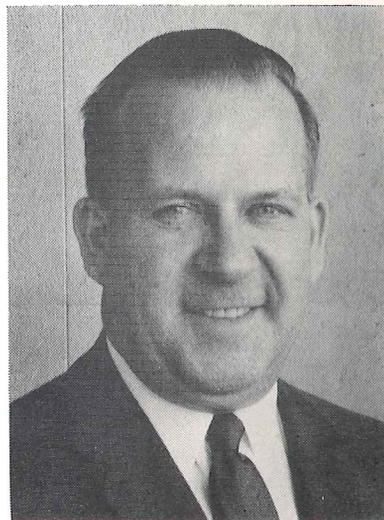

Whether you are graduating or returning next year, I know that first of all you want to be a good representative of the Lord Jesus Christ, and then of our school. I'm depending on you to do a good selling job for the college on your friends who are soon to graduate from high school.

With very best wishes,

PREXY
