for you are the
Ballad of my existence!

"called of one mind . . ."
 with living conditions
 so close,
 the farther we are
 away from each other,
 the more vivid
 that "one mind" may seem . . .
 but, I say to you,
 it is with us always . . .
 when Jesus is present.

Life at Grace Bible College
 is an experience . . .
 An experience none of
 us will forget.
 The year starts with
 new faces, ideas, people,
 and so much more.

As the year goes on,
 we have new challenges
 and experiences we
 never dreamed of.
 We learn to live with
 many different personalities.
 There are happy times,
 sad times, times of
 frustration, times of
 rejoicing.

As we live our lives
 at GBC, we gather many
 memories of the people we
 have shared a special
 part of our lives with.
 We are growing, sharing,
 caring, loving, feeling,
 and experiencing
 life at GBC.

It doesn't matter whether you're a freshman or senior - the beginning of the year brings new faces, personalities, and ideas.

The people seem a little strange, but the love that Christ shows us always seems to surface and the people and the faces become more a part of you rather than something outside of you.
