ADMINISTRATION

Have you ever stopped to think about how the administration and faculty have helped you? They let Dave Skeels attend five whole years in a row. Are they saints? Yes. Seriously these people deserve a special place in heaven for all their hard work and patience. Nowhere else could a student find such individual attention and devotion. Even though students sometimes complain about all the time spent on homework, it is important to realize that the administration and faculty put as much, if not more, time and effort into their study for OUR benefit. We should remember to show our appreciation more to these special people.

That's right folks, once again the mighty tigers went to Nationals! This time we came away with 5th place overall. Our men played Baptist Bible College to begin with and lost 2-0, but came back with a win against Valley Forge 3-1.

Grace Leaves Its Mark

The First annual Neighborhood Reachout was a new initiative this year to try to involve the community in our school. The idea was to get groups together to go out and rake the yards of people in the neighborhood. October 17th was "R-day" (rake day) and about five groups went out to rake. The day was cut short when it began to rain, but hopefully a tradition was started that will make our neighbors more aware of our love for Christ.

Strange faces in the bathroom, strange people in my room — what's going on here? It's College Days? Oh, that explains it!
College Days and Homecoming are major events here at Grace. This year over 150 people attended the activities of the weekend and all who did had lots of fun. After the potential students left, the former students started arriving for Homecoming. They began their time together with a brunch on Saturday the 7th of November, followed by a basketball game — our alumni versus the alumni of G.R.S.B.M. — later on that evening.

Pete Carlson came to give us a wonderful concert of contemporary Christian music.
The always-fun "Spirit Week" had been in progress prior to this fun weekend. It began on Monday with Nerd Day, followed by Hawaiian Day, Punk Day, Backwards Day, and School-colors Day.
The whole week of November 2-8 was a fun time for everyone. Most people seemed to participate in the dress-up days, and everyone helped to make it a success

Are Christian Ministries only worth the "S" you get on your report card? Definitely not! More than just time and effort, Christian Ministries are the action to all the ideals taught and words read in the classroom. These ministries run the gamut from visiting nursing homes to helping in A.W.A.N.A. A special project for our student body, as a tradition, has been "Rogers Handicap Day," and this year was no exception. Everyone pitched in to help the handicapped choose presents for their friends and family for Christmas. The result was a learning experience as well as a time of sharing for all.
