What would we do without you?

Teachers, professors, instructors, or whatever term you like, it all adds up to the same thing for students: quality education.

Our teachers have specialized in implanting their knowledge and wisdom into our minds so that we can understand and fathom the many mysteries of the universe.

But it doesn't just stop there...

They also care about the personal well-being of each of their students and do all they can to make sure every student gets the help they need.

They surely are wonderful beings.

Professors, what would we do without you?
We would be lost. We would be mindless
fools roaming the countryside.
For saving us from that we thank you.

*We really do appreciate all the time and work
you invest in our lives.*

Thanks!

WOOD OR STONE?

*Not that I have already
obtained all this, or have
already been made perfect, but
I press on to take hold of that
for which Christ Jesus took
hold of me. Brothers, I do not
consider myself yet to have
taken hold of it. But one thing
I do: Forgetting what is
behind and straining toward
what is ahead, I press on
toward the goal to win the
prize for which God has called
me heavenward in Christ
Jesus.
(Phil. 3:12-14)*
