Administration

Dr. Bruce Kemper
President

This year, Grace Bible College is "rebuilding" its administration. At the retirement of President Bruce Kemper, the school was fortunate to gain his son, Ken Kemper, as its new president. Rebuilding also will be taking place in the College Advancement office, as Bryan Walker takes over for Keith Meyering, who resigned to take another position. Furthermore, Academic Dean Conklin has also resigned. Our prayers are with all three men as they begin a new stage in their lives.

"And so my years at Grace come to a close. I know what I've received through GBC my four years here, but what have I given? What will my legacy be? Will it entail my pranking history? My involvement in campus life? My leadership capacity as Student Body President these last two years? The great yearbooks I've helped to create? How about my scholastic achievements? Maybe to some extent. But what would I like my legacy to be? Perhaps, *'there was a girl from Grace by the name of Aimee Jo her heavenly Father loved her so. People who met her along the way hoped their kids would go to Grace one day.'*" **Aimee Johnson**
