To Whom It May Concern,

Subject: Letter of Recommendation for GRATA International Law Firm

On behalf of **Iraeta Energy Equipment Co., Ltd.**, I am writing to extend my highest recommendation for **GRATA International Law Firm**, whom we have had the immense pleasure of working with as our legal representative in the Kazakhstan International Arbitrage.

Iraeta Energy Equipment Co., Ltd., a leading producer of heavy equipment in China, appointed GRATA International Law Firm to represent our interests in a complex arbitration case. The dispute involved significant claims which were critical to our strategic interests in the region. The legal expertise and professionalism exhibited by GRATA were instrumental in securing a favorable outcome of an award in our favor.

From the onset, GRATA's legal team demonstrated a profound understanding of international arbitration laws and procedures. Their approach was meticulous and tailored to meet the specific nuances of our case. They provided strategic advice that proved crucial in navigating the challenges of international legal systems and arbitration processes. The team's dedication and relentless pursuit of our interests were vital in not only winning the case but also in the swift and successful enforcement of the award.

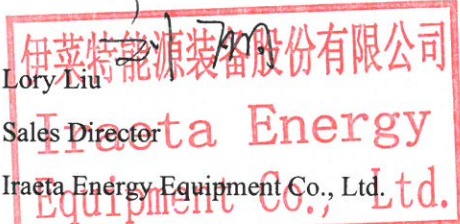

We are especially grateful to **Mrs. Gulnur Nurkeyeva, Managing Partner, Head of GRATA's China office**. Mrs. Nurkeyeva's leadership and direct involvement were invaluable to our case. Her profound expertise in Kazakhstan's legal environment and international arbitration, combined with her strategic and thoughtful approach, significantly contributed to our positive outcome. Her professionalism and proactive communication ensured that we were well-informed and confident in our representation throughout the process.

The entire team at GRATA, under Mrs. Nurkeyeva's guidance, displayed a hands-on approach and commitment to our case, which were vital in the successful result of the case in our favour. GRATA's ability to coordinate with local authorities in Kazakhstan and ensure the enforcement of the arbitral award speaks volumes about their expertise and deep-rooted connections within the legal landscape of the region.

It is with great confidence and respect that I recommend GRATA International Law Firm to any entity seeking outstanding legal representation in international arbitration. Their proficiency, commitment, and ethical standards are truly exemplary. We are profoundly grateful for their service and are confident in their continued success in the legal field.

Should you require any further information or specifics regarding our experience with GRATA International Law Firm, please do not hesitate to contact me directly.

Yours sincerely,
