CHARITY NO: 266476

"TELLING THE STORY OF JESUS IN EVERY LANGUAGE"

JULY 2020

July 2020 Thank you for your prayers.

Wed 1 UK: We are blessed that we can still continue to work in the office sending out GRN materials & catching up with admin, emails & post. We thank The Lord for His safety at this time.

Thu 2 USA: We were saddened to hear of the death of Dale our previous USA director, who died two weeks ago & is at home with His Lord. Please pray for his wife Valerie & the family circle.

Fri 3 As the world slows down in an effort to combat Covid 19 pray that the tools we use will continue to communicate the Gospel & be even more effective as many now have time to listen.

Sat 4 Across the world GRN is dependent on the faithful work of volunteers who give their time and enthusiasm to the Lord's work. Pray their service will help them develop a closer walk with Him.

Sun 5 UK: Kenny & Joan & most of our recordists are unable to travel at present. Pray this will be a time of spiritual refreshment for them. Pray they will be able to plan future recordings projects.

Mon 6 India: Please pray for the tens of millions of people around the world living in poverty & without hope in the darkness, and without Jesus.

Tue 7 UK: Georgian Recording Project: Pray for the effectiveness of the recordings Kenny made in Georgia last year & the additional recordings they hope to make after lockdown is lifted.

Wed 8 Mobile Phone App: GRN has been promoting 5fish on Facebook in various countries such as the Maldives, Mexico and Cambodia. We think now is a great time to do this while people are spending more time online.

Thu 9: Our team in the **Philippines** is based in Manila & led by Jurine Tolentino who is also a key part of the recording team. There is much recording work & distribution to be done & much progress could be made with a large influx of workers, funds & prayer support. Pray for this amazing team.

Fri 10 Bhutan. There are about 8,000 Lakha people in Bhutan who live high up in the Himalayas. They follow the Buddhist religion & there are virtually no Christian resources in their language. Being oral communicators our GRN recordings of the Gospel message in their language are perfect for them. Pray that a GRN team will soon be able to make recordings for the Lakha people

Sat 11 GRN Mexico: Pray for Chucho, Chuy & their families in Mexico as they deal with high inflation & heavy restrictions in their work. Pray for

good opportunities to contact partners to both record & distribute recordings. Normally they would be preparing teams to take the Gospel messages to itinerant farm workers during the harvests.

Sun 12 Australia: We give thanks for Elise Cooper & for her wonderful contribution to GRN over the last ten years. Pray for Elise as she continues to serve the Lord in all she does in the future.

Mon13 Thailand: Pray for director Jon Rulison as he coordinates the important role of recordist training & oversees the Thailand team. Pray for our recordists & their ultimate goal of telling The Story of Jesus effectively in many different languages.

Tue 14 GRN: Ask God to do great things in our work at GRN. Pray He will enlarge our vision for what He wants to accomplish through our recordings & distributing teams in Africa, The Americas, Asia, Europe & Oceania.

Wed 15 South Africa: Pray for safety in these dangerous times for Dalene & her team.

Thur 16 Our Teams with limited health care & resources in their countries during this pandemic need our prayers. Pray for safety for them & for opportunities to serve God through this time.

Fri 17 Many GRN staff in the majority world depend on small businesses, run in their spare time by their wives to support their families. Covid 19 is making this difficult or impossible.

Sat 18 Pray for Graydon our GRN International director. Although he will not be able to follow his usual programme of travel this year, he is still able to offer encouragement to GRN staff online.

Sun 19 The **GRN USA** office has now relocated to Arizona. Pray the team will settle in well. Pray for those staff who are moving & still need to sell their homes & find new homes & churches.

Mon 20 GRN Families: We ask for God's wisdom, blessing & protection on all families & marriages within the GRN network around the world.

Tue 21 5fish App: Praise the Lord for the technical advances that have proved such a potent tool for sharing the Gospel globally. Pray that the Lord will protect GRN from cyber attacks & that our tech teams will remain vigilant.

Wed 22. France: Pray for the many migrants who have responded to the Gospel. May the Lord strengthen their faith as the pandemic disrupts their lives & prevents the many volunteers from supporting them as they would normally do.

Thur 23 Psalm 23: *"The Lord is my shepherd, I shall not be in want. He makes me lie down in green pastures, He leads me beside still waters. He restores my soul. He guides me in paths of righteousness for His name sake".*

Fri 24 Thailand: God's Word has reached into many homes in Thailand through our recordings. Pray for those listening to the recordings will become His disciples.

Sat 25 Asia: Please pray for God's protection on all our GRN teams & their families serving in Asia. Many have the threat of terrorist attacks which brings much fear into their communities

Sun 26th: Pray for the **Namuyi people of China**. Most Namuyi are Tibetan Buddhists & very resistant to the Gospel. Their geographic isolation make them hard to access. Pray for the salvation of the Namuyi people

Mon 27. GRN: Pray for the recruitment of skilled

people to be trained as recordists & logistical support staff. Pray also for a new surge of prayer warriors to provide extra cover for every recording and distribution trip.

Tue 28 GRN. Please pray for new opportunities for all our teams to reach out with our recordings & materials to new groups, new communities & those who have no Christian witness in their region.

Wed 29 Pray for the millions of people distressed as they fled to their home villages from the cities because of the Covid 19. Many died on the way from hunger & extreme 45 temperatures. Pray for comfort, medical aid, food & shelter for these helpless people...many waiting to hear Good News.

Thur 30 UK: Recently we sent some of our Mega-Voice players for ten widows living in Uganda. They are loaded with Gospel messages in their language. Many don't read, so these are really useful.

Fri 31: Kosova: Pray for the Christian churches seeking to help the poor & most vulnerable in their communities at this time of Covid 19. They need our prayers. Thank you so much for praying.
