GRNUK...From time to time people ask us how much are the materials that we send out free each week around the world.

Here's a short "price list".

To send a set of A3 size Bible picture flip charts (9 in a set) costs...£84.

To send 100 CDs in any language costs...£90.

To send a set of 9 Sunday School lessons and CDs costs....£30.

To send a Saber mp3 player with solar panel & loaded with many languages costs...£85.

One of our biggest outlays is in postage/freight charges of getting our GRN materials in & sending them abroad again by post. Faith indeed comes from hearing the Word Of God. The harvest is ripe, but the labourers are few. Please pray and ask God what He wants you to do. Reach out to those who are out of your reach.
