THE STORY

Shalimar is more than just a restaurant; it is an ode to the legendary gardens of the Nizams—verdant, tranquil, and filled with life. The Nizams, known for their love of gardens and animals, created palatial retreats with exotic flora and peacocks roaming freely. Inspired by this grandeur, Shalimar offers global favourites in a fast-casual format.

ALLERGEN DETAILS

Kindly let the associate know if you are allergic to molluscs, egg, fish, soya, milk, peanut, gluten, crustaceans, nuts, mustard, sesame, celery, sulphites or any other ingredients

LIST OF ALLERGENS

Calories are in kilo calories (kcal) and size in grams (gms) per serving. As per the guidelines issued by the Food Safety & Standard Authority of India (FSSAI) an average active adult requires 2000 kcals of energy per day, however, the actual calories needed may vary per person.
