A panel of representatives of the Sponsor (the “**Judging Panel**” or “**Judge(s)**”) will determine the manner and process by which Eligible Entries are assessed in their sole discretion.

Section 1: Summary

An excellent summary will provide a clear, brief overview of the question or problem you are investigating, the stages of your project, what you set out to achieve and how far you succeeded.

Section 2: About me / the team

Excellent Entrants/Teams will show a real passion for science or engineering and be able to present their ideas with confidence, clarity and enthusiasm, and explain what winning would mean to them.

***Section 3: Question / Proposal**

An excellent question or proposal will be interesting, creative, worded scientifically and relevant to the world today. Entrants/Teams will include a hypothesis or expected outcome that leads on from the question, is tightly focused and builds on existing knowledge.

Section 4: Research

Excellent Entrants/Teams will undertake research to help them shape their Project and to put their work into a relevant, real-world context.

***Section 5: Method / Testing and Redesign**

Excellent Entrants/Teams will demonstrate that they have used good experimental techniques or testing processes and describe their method clearly and in detail.

Section 8: Bibliography, References and Acknowledgements

Excellent Entrants/Teams will acknowledge and provide clear references for sources of information that they have consulted and/or referenced and acknowledge any assistance received (e.g. to find equipment and materials, to stay safe or to use unfamiliar equipment or techniques).

Determining the Regional Finalists: A Judging Panel will review and rank all Eligible Entries submitted. During this round of judging, the Judging Panel may only read the sections marked with an asterisk above (Sections 3 (Question/Proposal), 5 (Method/Testing and Redesign), 6 (Results), and 7 (Conclusion/Report)). If you exceed the stated word and length limits, there is no guarantee that the judges will read or watch beyond the limits stated in these rules. Entrants may provide additional supporting content in any section (e.g. embedding documents created in Google Docs/Sheets/Slides, or YouTube created videos). However, the Judging Panel is not required to read these supporting documents and they may not be reflected in, or contribute to, an entrant's score.

The judging criteria ("Criteria") and maximum score for each Project section is below:

Question / Proposal (maximum score 5)

Method / Testing and Redesign (maximum score 15)

Results (maximum score 15)

Conclusion / Report (maximum score 15)

50 is a perfect score.

Before the Regional Finalists are published, the preliminary Judging Panel will read the top-scoring entries in full to ensure that the scientific method or engineering processes followed are sound, and there are no breaches of the Google Science Fair rules.

The top ninety (90) highest scoring entries (three (3) per Age Group (13-15 and 16-18) in each of the three (3) Regions (EMEA, APAC, US) from each of the five (5) Categories – a total of eighteen (18) in each Category) will be deemed the "**Potential Regional Finalists**".

Potential Regional Finalist Posting: The 90 Potential Regional Finalists will be posted on <http://googlesciencefair.com> on or about July 7, 2015.

Determining the Finalists: The Regional Finalist Judging Panel will score all Regional Finalist entries to obtain two (2) potential Age Category Finalists for each of the two (2) age groups (13-15, 16-18) per Category – a total of four (4) in each Category – a total of 20 Potential Finalists, based on the applicable Criteria listed above. Regional Finalists may be asked participate in a phone and/or video interview with a representative of the Judging Panel. The Judging Panel may also seek references from Regional Finalists' teachers or mentors.

The Judging Panel will identify up to twenty (20) highest scoring entries (ten (10) per age group) which will be deemed the "**Potential Finalists**" and will be eligible to win the Finalist Prize, as further described below. Six (6) alternates (three (3) per age group) will be selected using the same criteria ("Alternates"). All

Potential Finalists and Alternates will be required to sign and properly execute an Affidavit (or, a Certificate or Declaration (as applicable)) of Eligibility and Publicity Release, unless prohibited by law; an Entrant Agreement and Release; such other and further agreements as may be required by the Sponsor; (together, the “**Releases**”) and a travel release document and return them via email or facsimile (and subsequently by mail to Competition Administrator) by the date specified in an e-mail notification.

If a Potential Finalist is a minor in his/her jurisdiction of residence, the Releases must be filled out and signed by Entrant’s parent or legal guardian, who will be responsible for fulfilling all requirements imposed on minor Finalists stated in these rules (and, in addition, if the Potential Finalist is a minor in Spain, the Entrant’s parent or legal guardian will need to notify Public Prosecutor (“**Ministerio Fiscal**”) of the content of the Releases). If any Releases sent to a Potential Finalist are returned as undeliverable, if a Potential Finalist cannot be reached within a reasonable time period or fails to properly execute and return all Releases described in these rules within the time period noted, or if a Potential Finalist is found not to be eligible or not in compliance with these Official Rules, the Potential Finalist will be disqualified and, at the sole discretion of the Competition Administrator, the individual who submitted the next highest scoring Entry will be notified, time permitting. Please note that the “Affidavit of Eligibility and Publicity Release” contains consent to use Finalists’ full names, likeness, city of residence, background, stories, and photographs for promotional purposes and without additional compensation. For the avoidance of doubt, the refusal of such consent will not prevent Potential Finalist from receiving the applicable prize.

Determining the Winners: The twenty (20) Finalists will be awarded the Finalist Prize, a trip to Google Headquarters in Mountain View, CA to participate in the final winner selection event to be held on or about, September 19-21, 2015. Finalists will be required to attend the event for a predetermined number of days. At this event, a “celebrity” Judging Panel will review each entry submission and will select the winners. Each Entrant will present their entry to the “celebrity” Judging Panel. The Judges will select from among the Finalists one (1) Category Winner for each of the five (5) Categories and will then select one (1) Grand Prize Winner from among these five (5) Category Winners. In the event of a tie during any stage of the judging/winner determination process, all tied Entries will be re-judged by 1 (one) member of the celebrity judging panel, using the applicable judging Criteria. Grand Prize Winner will be eliminated as a Category Winner and an alternate Category winner will be selected for the corresponding Category when the Grand Prize Winner is identified. The Category Winners’ and Grand Prize Winner’s entries will be designated as such and featured on the Competition Site on or about, September 21, 2015. Designation as a Finalist, Category Winner, Award Winner and/or a Grand Prize Winner is subject to verification of eligibility and proof of compliance with these Official Rules, maintaining compliance with these Official Rules and approval by the Sponsor. If the winner selection event is cancelled, for any reason, the Sponsor will select the final winners based on an additional round of judging, based on the Criteria listed above.

Determining the Additional Award Winners: Judges will select one (1) Winner for each of the three (3) Additional Awards.

Community Impact Award: The Community Impact Award recognizes a Finalist’s or Regional Finalist’s Project that can make significant impact in a community.

The judging criteria and maximum score for the Community Impact Award:

- 1) Honors a Project that can make a practical difference by addressing an environmental, health or resources challenge. (maximum score 10)
- 2) Innovative, easy to put into action. (maximum score 5)

- 3) Expandable to other communities. (maximum score 5)
