**Sub.: Project work for the 1<sup>st</sup> year students**

As it is evident that our university's USP is an Intensive Internship being given to the students of all streams in every semester. Stream wise details about 1<sup>st</sup> year students who have completed Foundation Course are as under:

Sr. No.	Stream	No. of Students
1	BBA	68
2	B.Sc. Biotechnology	69
3	B.Sc. Chemistry	116
4	B. Tech. Mechanical	49
5	B. Tech. Chemical	90
<b>Total</b>		<b>392</b>

These students will be free to engage themselves in some innovative programmes planned by GSFC-U in the interest of the University and students in the areas as follows:

1. Energy saving Drive at GSFC University
2. Good Housekeeping at GSFC University
3. Safety/ Signage /Brand Management at GSFC University
4. New ideas for incubation
5. Real Adventure & Tracking (Minimum 3 days)

A groups of students (Minimum 5 - Maximum 7) to be formed and they will submit project report on any one of the above stated areas from No. 1 to 5. If students want to go for tracking, they can provide tracking certificate and report.

All the groups have to submit the report covering survey /activities done and suggest how their findings / ideas would be beneficial to GSFC University. After completion of the project, best 10 groups will be decided by the University Management for awarding cash prize of Rs. 2500 /- and a Certificate of Appreciation to group.
