Quick Installation Guide for Battery Cartridge Replacement

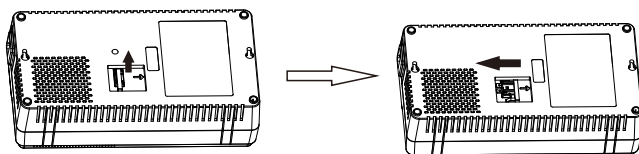

CAUTION:

- Only qualified persons should replace the battery.
- Use APC authorized batteries only.
- Use authorized battery recycler. See www.apc.com/recycle for information on recycling services offered in your country.

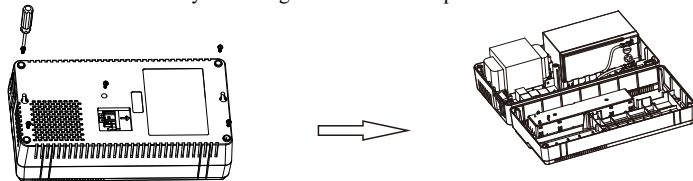

Easy UPS

BV/BVS 650, 800 & 1000 VA

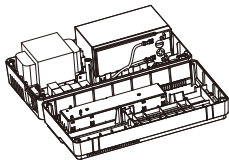

- 1** Disconnect the battery by pulling the battery handle up, and then moving it to the left.

- 2** Remove bottom cover by removing five screws and open the bottom cover.

- 3** Disconnect battery wires. Replace the old battery with a new one and reconnect the battery wires. Assemble bottom cover back to the UPS unit.

CAUTION: Be sure to connect the Red wire to the positive terminal and the Black wire to the negative terminal.
Do not interchange the connection.
