# LEASE LOCK

## LEASE PAYMENT PROTECTION

If you leased a new vehicle and it is involved in a Total Loss, you could end up spending thousands of dollars to get into a new lease; just to find out your new lease has a higher monthly payment.

Lease Lock Protection keeps you safe from rising lease costs.

If your lease is covered by Lease Lock and your vehicle is involved in a Total Loss:

- 1 Your out of pocket expenses involved with leasing a new car are covered up to \$7,500
- 2 Your Monthly Payment remains the same\*
- 3 You drive away in a brand new car of the same Make and Model as your original lease
