

Reserve Your Basket Today! NBBA Baskets on Main Street!

Businesses and residents have expressed interest in placing hanging baskets throughout Main Street to brighten the community. We have been working with Greenworld Greenhouses to accomplish this for several years thanks to your generosity and hope to have the baskets up by Memorial Day Weekend. The City of North Branch will be watering and fertilizing the baskets to ensure they will be beautiful all summer long!

We need your help!

We are looking for individuals and businesses who would like to sponsor the baskets.

Baskets are \$125 each

Sponsors will be advertised once all baskets are reserved.

**Yes! We would like to help beautify North Branch and sponsor a
Hanging Basket for \$125**
